ANNUAL TOWN WARRANT

Tuesday, February 23, 1932

Essex, ss.

To either of the Constables of the Town of Swampscott in said County: GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify the inhabitants of the town of Swampscott, qualified to vote in elections and in town affairs, to assemble in their respective precincts, in said Swampscott, on Monday, the fifteenth day of February, at 6 A.M., then and there to act on the following articles, viz.:

At the close of the election the meeting shall adjourn to Tuesday, February 23, 1932, at 7.30 P.M., at the Town Hall.

Article 1. To choose a Moderator for one (1) year.

To choose a Town Clerk for one (1) year.

To choose three members of the Board of Selectmen for one (1) year.

To choose a Town Treasurer for one (1) year.

To choose one member of the Board of Assessors for three (3) years.

To choose a Collector of Taxes for one (1) year.

To choose two members of the School Committee for three (3) years.

To choose one member of the Board of Public Welfare for three (3) years.

To choose one member of the Board of Public Welfare for two (2) years, to fill vacancy.

To choose one member of the Board of Health for three (3) years.

To choose one member of the Water and Sewerage Board for (3) years.

To choose one member of the Park Commission for three (3) years.

To choose one member of the Board of Trustees of the Public Library for three (3) years.

To choose one Tree Warden for one (1) year.

To choose three Constables for one (1) year.

To choose two members of the Planning Board for three (3) years.

To choose one member of the Board of Commissioners of Trust Funds for three (3) years.

To choose one member of the Board of Commissioners of Trust Funds for two (2) years.

To choose one member of the Board of Commissioners of Trust Funds for one (1) year.

To choose six (6) representative town meeting members in each precinct for three (3) years.

To choose one representative town meeting member from Precinct Two for two (2) years, to fill vacancy.

To choose two representative town meeting members from Precinct Two for one (1) year, to fill vacancies.

To choose one representative town meeting member from Precinct Four for one (1) year, to fill vacancy.

To choose one representative town meeting member from Precinct Six for one (1) year to fill vacancy.

All to be chosen on one ballot.

Article 2. To hear and act on the reports of town officials, boards and committees.

Article 3. To see what amounts of bonds will be required of the Town Clerk and Custodian of Trust Funds for the ensuing year.

Article 4. To see what action the town will take in relation to salaries of town officials for the ensuing year.

Article 5. To see if the town will authorize the Treasurer, with the approval of the Selectmen, to borrow money, from time to time, in anticipation of the revenue of the financial year, beginning January 1, 1932, and to issue a note or notes therefor, payable within one year, the debt or debts incurred thereby to be paid from the revenue of said financial year.

Article 6. To see what action the town will take in relation to the recommendations not calling for the appropriation of money, as contained in the reports of officers, boards or committees.

Article 7. To see what action the town will take in relation to the recommendations calling for the appropriation or expenditure of money, the creation of a debt, or the disposition of town property, as set forth in the reports of officers, boards or committees.

Article 8. To see what action the town will take in relation to the appropriation of money for departmental and other expenses as recommended and set forth on pages 184, 185 and 186 of the annual town report.

Article 9. To see what action the town will take in relation to the appropriation or raising of money for permanent street construction.

Article 10. To see if the town will vote to accept the report of the By-law committee and adopt the amendments to the by-laws as printed on pages 165 to 173 of the town report.

Article 11. To see if the town will vote to lay a drain and build necessary catch basins and manholes to take care of the surface water on Puritan road at Tupelo road and in Puritan road, near the entrance to Little's Point road, and appropriate money therefor as recommended by the Surveyor of Highways and Board of Selectmen.

Article 12. To see if the town will vote to build a catch basin on New Ocean street, and appropriate money therefor, as recommended by the Surveyor of Highways.

Article 13. To see if the town will vote to build a catch basin in Banks road, and appropriate money therefor, as recommended by the Surveyor of Highways.

Article 14. To see if the town will vote to replace broken street signs, and appropriate money therefor, as recommended by the Surveyor of Highways.

Article 15. To see if the town will vote to lay a surface water drain from Aspen road to Millett road drain, when the necessary easements have been granted to the town, and appropriate money therefor, as recommended by the Surveyor of Highways.

Article 16. To see if the town will vote to change the grade of Cedar Hill terrace, at and near its intersection with Bay View avenue, and appropriate money therefor, as petitioned for by John B. Hadaway et al.

Article 17. To see if the town will vote to accept Beverly road, from Puritan road to Shelton road, as a public way, as laid out by the Board of Selectmen, in accordance with a plan made by W. W. Pratt, town engineer, and to appropriate money therefor, as petitioned for by Thomas S. Bubier et als.

Article 18. To see if the town will vote to accept Fairview avenue as a public way, as laid out by the Board of Selectmen, in accordance with a plan made by W. W. Pratt, town engineer, and to

appropriate money therefor, as petitioned for by Angelo Palleschi et als.

Article 19. To see if the town will vote to purchase a 3½ ton truck for the Highway Department and appropriate money therefor, as recommended by the Surveyor of Highways.

Article 20. To see if the town will appropriate \$20,000 for new street construction, as recommended by the Surveyor of Highways.

Article 21. To see if the town will vote to take the property on the easterly side of Essex street, near the railroad bridge, lots 95 and 96, as shown on Assessors' plan 12, for the purpose of widening and straightening Essex street, and appropriate money therefor, as petitioned for by Grover C. Hambrecht et al.

Article 22. To see if the town will vote to petition the County Commissioners, Eastern Massachusetts Street Railway and the Boston and Maine Railroad to share in the construction of a new, safe, fireproof bridge to take the place of the existing bridge over the Boston and Maine Railroad on Essex street, and appropriate money therefor, as petitioned by Grover C. Hambrecht et al.

Article 23. To see if the town will vote to authorize the Board of Selectmen to enter into a new contract for street lighting, for a period not exceeding five years, with the Lynn Gas & Electric Co., same to be effective at the expiration of the present contract with the Lynn Gas & Electric Co., which expires June 30, 1932.

Article 24. To see if the town will appropriate the sum of \$300, to be raised out of taxation or to be transferred out of the emergency fund, to be used by the Water and Sewerage Board in the settlement of sewer easements taken during the preceding year, as recommended by the Water and Sewerage Board.

Article 25. To see if the town will vote to transfer the following unexpended balances from sewers to Emergency Sewer account, as recommended by the Water and Sewerage Board: Nason road sewer, \$1,615.54; Rockland street sewer, \$961.02; Burpee road sewer, \$30.50; Section A sewer, \$4,150.93; Section B sewer, \$6,146.29; Section C sewer \$1,445.85; Section D sewer, \$794.70; Roy street drain, \$4.84; King's brook culvert, \$28.06; culvert, \$14.25.

Article 26. To see if the town will vote to lay a six-inch water main in Hampden street, a distance of about 750 feet, and appropriate money therefor, as recommended by the Water and Sewerage Board.

Article 27. To see if the town will vote to lay a six-inch water main in Berkshire street, a distance of about 720 feet, and appropriate money therefor, as recommended by the Water and Sewerage Board.

Article 28. To see if the town will vote to lay a six-inch water main in Bradley avenue, a distance of 285 feet, and appropriate money therefor, as recommended by the Water and Sewerage Board.

Article 29. To see if the town will vote to build and equip a new high school and appropriate money therefor, as recommended by the School Committee.

Article 30. To see if the town will vote to enlarge, remodel and add to the present high school, located on Greenwood avenue, and provide necessary equipment and appropriate money therefor, as recommended by the School Committee.

Article 31. To see if the town will appoint a committee to carry out either the building of a new high school or remodeling, enlarging and adding to the present high school, whichever the town may determine, with power to obtain plans, engage an architect, enter into contracts in behalf of the town and do all things necessary, convenient or proper to carry out and complete said work, as recommended by the School Committee.

Article 32. To see if the town will vote to use Phillips Park under Chapter 310 of the Acts of 1930 for high school and school yard purposes, as recommended by the School Committee.

Article 33. To see if the town, in case it votes to build a public high school under articles in this Warrant, will vote to erect the same on Phillips Park, as recommended by the School Committee.

Article 34. To see if the town will vote to take by eminent domain or to acquire by purchase, for public school purposes, land on Forest avenue, bounded on the south by Forest avenue, on the east by the Whitney estate and on the north by the Boston and Maine Railroad, or any portion of the same, and appropriate money therefor, as recommended by the School Committee.

Article 35. To see if the town will vote to take by eminent domain, or acquire by purchase for public school purposes, land lying on the southerly side of Forest avenue contiguous to Forest avenue and Fuller avenue, and appropriate money therefor, as recommended by the School Committee.

Article 36. To see if the town, in case it votes to build a high school under any articles in this Warrant, will vote to locate the same on any of the foregoing land, as recommended by the School Committee.

Article 37. To see if the town will vote to purchase a 1000-gallon Combination Motor Pumper and equipment for the Central Fire Station, and appropriate money therefor, as recommended by the Board of Fire Engineers.

Article 38. To see if the town will appropriate \$5625 for further improving the fire alarm system by continuing the underground cables from Humphrey street and Ingalls terrace to the Central Fire Station, with necessary loops, connections and changes, also laying new conduit on Burrill street, between Monument square and the Police Station, in co-operation with the New England Telephone and Telegraph Co., as recommended by the Board of Fire Engineers.

Article 39. To see if the town will vote to purchase 400 feet of 1½ inch hose and fittings and appropriate \$250 therefor, as recommended by the Board of Fire Engineers.

Article 40. To see if the town will vote to appropriate \$490 for 500 feet of 2½ inch hose, as recommended by the Board of Fire Engineers.

Article 41. To see if the town will vote to install an incinerator for the disposal of its combustible waste material and offal from the fish markets, hotels, etc., and appropriate money therefor, as recommended by the Board of Health.

Article 42. To see if the town will vote to amend the zoning by-law by changing from a general residential district the premises located at No. 225 Humphrey street, so as to permit the said premises to be used for the erection of an apartment building, as petitioned for by Ellen M. Wardwell et al.

Article 43. To see if the town will vote that the land at 175 Humphrey street, and adjoining on Cliffside, be changed on the zoning map, so that the property may be used for apartment or hotel purposes, as petitioned for by Daniel F. Knowlton et al.

Article 44. To see if the town will vote to rescind its previous action in accepting Commonwealth avenue as a public way, as heretofore laid out by the Board of Selectmen.

Article 45. To see if the town will vote to accept Commonwealth avenue as a public way as laid out by the Board of Selectmen in accordance with a revised plan made by W. W. Pratt, dated January, 1932, on file with the Town Clerk, and appropriate money therefor.

Article 46. To see if the town will authorize the Board of Selectmen to take by eminent domain for purposes of a public way on Commonwealth avenue the following described property or any of same:

Beginning at the northwest corner of land owned by Luigi and Genoveffa Gallo; thence by land of said Gallo south 40-38-0 west, for a distance of 46.86 feet; thence by land of William H. Burnett, north 66-10-55 west, for a distance of 3.54 feet; thence by old line of Commonwealth avenue north 44-40-40 east for a distance of 48 feet, to the point of beginning, above parcel containing 79 square feet.

Article 47. To see if the town will vote to accept Bates road, from the present accepted portion to Charlotte road, as a public way, as laid out by the Board of Selectmen, in accordance with a plan made by W. W. Pratt, town engineer, dated January, 1932, and to appropriate money therefor, as petitioned for by Abraham Ranen et al.

Article 48. To see if the town will vote to accept Shelton road, from Humphrey street to Beverly road, as a public way, as laid out by the Board of Selectmen, in accordance with a plan made by W. W. Pratt, town engineer, and to appropriate money therefor, as petitioned for by Pasquale Grieco et al.

Article 49. To see if the town will vote to appropriate the sum of \$1000 for necessary repairs and changes in the G. A. R. hall building, so called, on Pine street, as petitioned for by L. J. Harvey.

Article 50. To see if the town will vote to appropriate a sufficient sum of money for a suitable observance of the Fourth of July, as petitioned for by the Veterans' Council.

Article 51. To see if the town will vote to appropriate a sufficient sum of money for a suitable observance of Armistice Day, November 11, 1932, as petitioned for by the Veterans' Council.

Article 52. To see if the town will vote to purchase lots 675 and 678 as shown on Assessors' plan No. 11, at Windsor avenue extension and Nichols street, in Swampscott Highlands, for playground purposes, and appropriate money therefor, as petitioned for by Bertha P. Hollis et al.

Article 53. To see if the town will vote to authorize the Board of Selectmen to execute a new lease with the Leon E. Abbott Post 57 American Legion Building Association for a term of five (5) years from March 27th, 1932, and appropriate money therefor.

Article 54. To appropriate and raise by borrowing or otherwise, under any general or special law which authorizes the town to raise money by borrowing or otherwise, such sum or sums of money as may be necessary for any or all of the purposes mentioned in the foregoing articles.

The polls will close at 6 P.M.

And you are directed to serve this warrant by posting an attested copy thereof at the town hall, the post offices, at least one public and conspicuous place in each precinct in the town, and at or in the vicinity of each railroad station in the town, seven days before the day appointed for said meeting.

Hereof fail not, and make due return of this warrant, with your doings thereon, to the Town Clerk at the time and place of meeting aforesaid.

Given under our hands this twenty-first day of Jan., A.D., 1932.

R. WYER GREENE,

EDWARD LACROIX,

HARRY E. HARDY,

Selectmen of Swampscott.

A true copy. Attest:

FRANK H. BRADFORD, Constable.

RETURN ON THE WARRANT

Pursuant to the within warrant to me directed, I have notified the legal voters of Swampscott, by posting attested copies of said warrant at the Town Hall, Post Offices, at least one public and conspicuous place in each precinct in the town, and at or in the immediate vicinity of each railroad station in Swampscott, on Thursday, February 4, 1932, the posting of said notices being seven days before the time of said meeting.

FRANK H. BRADFORD,
Constable.

ANNUAL TOWN MEETING

Monday, February 15, 1932

In accordance with the foregoing warrant the voters of Swampscott assembled at their voting places in the several precincts and were called to order at 6 o'clock A.M. by the presiding officers. The warrant with the return thereon was read by the clerk of each precinct.

The following were appointed precinct officers and qualified for same:

Precinct 1. Warden, Edward H. Jordan; Clerk, Leon F. Ximiness; Inspectors, Lewis A. Coleman, John Keating; Tellers, Charles A. Bryson, William H. Dow, Addie F. Nelson, Florence C. Child.

Precinct 2. Warden, Louis N. Crocker; Clerk, Ray H. Childs; Inspectors, Carl J. Berry, Donald L. Sawyer; Tellers, Martha F. Duren, Laura J. Pellay, Leslie J. Webber.

Precinct 3. Warden, George F. Clay; Clerk, Albert Stone; Inspectors, Leonard H. Bates, Harold R. Young; Tellers, Charles E. Watts, William H. McFarlane, Almer A. Jackson, Gladys Bates.

Precinct 4. Warden, Arthur C. Eaton; Clerk, T. Page Bearse; Inspectors, James W. Robertson, John B. Cahoon; Tellers, Edward A. Sawyer, Horace P. Fifield, Bessie M. McManus, Nellie M. McManus.

Precinct 5. Warden, Albert Enholm; Clerk, Raymond H. Owen; Inspectors, Walter L. Kehoe, Irving A. Curtis; Tellers, Alice E. Leslie, Winnifred G. Jacobs, Thomas J. Boyce, John T. Morrison.

Precinct 6. Warden, John T. Merchant; Clerk, Timothy J. Ryan; Inspectors, Harry G. Hutchinson, George H. Coan; Tellers, Charles H. Gallup, Flora E. Hooper, Anna M. Burke, Leo P. Caproni.

Precinct 7. Warden, Charles D. Addison; Clerk, Eustis B. Grimes; Inspectors, Charles M. Cahoon, Henry E. Acker; Tellers, Harvey L. Southward, Catherine Hodges, Selwyn P. Drown, Helen E. Peach.

Precinct 8. Warden, Charles A. Flagg; Clerk, Mary E. Donlan; Inspectors, Louis A. Flagg, Ellen Q. Lynch; Tellers, Olive E. Flagg, Margaret Duratti, Agnes T. Gannon.

The balloting was started at 6 o'clock A.M., and the count started at 2 o'clock P.M. The ballot boxes registered correctly and the checks on the voting lists were the same as the vote cast. Polls closed at 6 P.M.

There were cast in Precinct 1, 183; Precinct 2, 107; Precinct 3, 148; Precinct 4, 133; Precinct 5, 127; Precinct 6, 204; Precinct 7, 293; Precinct 8, 112. Total vote cast 1307. Precinct 5 was the first to make a return at 6.14 P.M., and Precinct 6 the last at 7.35 P.M.

Blanks	156

Adjourned to Tuesday evening, February 23, 1932, at the Town Hall, at 7.30 P.M.

Attest:

RALPH D. MERRITT,
Town Clerk.

RECOUNT OF VOTES FOR PARK COMMISSIONER

To whom it may concern:

February 19, 1932.

The Board of Registrars have recounted the votes cast at the election, February 15, 1932, for member of the Park Commission, as petitioned for by ten legal voters, we find a gain of two votes for Joseph M. Hanifey, the result being the same as before declared, to wit:

Stuart P. Ellis, elected for three years	616
Joseph M. Hanifey	596

WILLIAM J. LYNCH, Chairman,
ERNEST B. THING,
ROBERT B. HEGARTY,
RALPH D. MERRITT, Clerk.

Attest:

RALPH D. MERRITT,
Town Clerk.

ADJOURNED ANNUAL TOWN MEETING

Tuesday, February 23, 1932

In accordance with the adjournment of February 15, 1932, the town meeting members assembled at the Town Hall, and were called to order by John R. Hurlburt, Moderator, the necessary quorum being present.

Voted. To dispense with the reading of records of last meeting.

Voted, Article 2. That the reports of town officials, boards and committees, be accepted as printed.

Voted, Article 3. To accept the report of the Finance Committee and adopt their recommendation as follows:

That the Town Clerk furnish a bond with a surety company in the penal sum of one thousand dollars (\$1,000.) and the Custodian of Trust Funds furnish a bond with a surety company, in the penal sum of ten thousand (\$10,000.) dollars.

Voted, Article 4. To be referred to the Finance Committee.

Voted, Article 5. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow six hundred thousand (\$600,000.00) dollars from time to time in anticipation of the revenue of the financial year beginning January 1, 1932, and to issue a note or notes therefor, payable within one year, and to renew such note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws; any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1932. (Unanimous.)

Voted, Article 6. To accept the recommendations not calling for appropriations as printed.

Voted, Article 10. To accept the report of the By-law Committee and adopt their recommendations as follows:

That Chapter 12, the plumbing by-laws, be amended as follows:

By adding to Section 2 thereof the sentence: A fee shall be required for all plumbing permits in the sum of five dollars for all new work, and two dollars for all alteration work, the same to be paid to the plumbing inspector.

By adding after Section 23 thereof the following new section:

23A No domestic boiler shall be installed without having connected therewith some approved automatic device to prevent the water in the boiler exceeding a temperature of 220 degrees Fahrenheit, or which by automatically releasing hot water will prevent a temperature in the boiler in excess of 220 degrees Fahrenheit. (Unanimous.)

Voted. That the present building by-laws be amended by striking out the same and substituting therefor the Building By-Laws as printed upon pages 165 to 172, both inclusive, of the annual report of the town of Swampscott for the year ending December 31, 1931. (Unanimous.)

TOWN OF SWAMPSCOTT BUILDING BY-LAWS

1931

CHAPTER "A"

ARTICLE I

Building Department

Section 1. There shall be a department known as the Building Department, which shall be furnished at the expense of the town with office room and such supplies as are necessary for the transaction of its business.

Section 2. The Board of Selectmen shall, in the month of April, appoint an Inspector of Buildings for the term of one year from the first day of May following, and until another is appointed in his stead; and may by appointment fill any vacancy in said office. He shall be either an architect, builder or civil engineer. He shall receive such salary as may be determined by the Board of Selectmen subject to the provisions of General Laws. He may, with the approval of the Selectmen and within such appropriation as may be provided for his department, employ such assistants as may be necessary for the performance of the duties of his office. If the Inspector should have any interest in the doing of work, or the furnishing of materials, for the construction, repair or alteration of any building in this town, or in the making of plans or specifications therefor, then the application shall be referred to the Board of Selectmen who shall appoint a competent person to act as Inspector in his stead and may fix the compensation to be paid said person.

Duties of the Department

Section 3. The Inspector shall keep a record of the business of the department, and submit to the Board of Selectmen a yearly report of such business, and such other report as they may call for.

Section 4. The Inspector shall examine all buildings in the course of erection or alteration, or repair, in this town as often as practicable, and make a record of all violations of law, with the street and number of the premises where such violations are found to exist, the name of the owner, architect and builder, and all other matters relative thereto. He shall perform all duties incumbent upon him under the provisions of sections 6 to 12, inclusive, of chapter 143 of the General Laws.

Section 5. The Inspector shall pass on all applications for the erection, alteration, enlargement, repair, moving and demolition of all buildings.

Section 6. The Inspector shall furnish the Board of Assessors with a record of all permits as granted, with data on cards as furnished by the Assessors, and when the building or buildings are completed shall place upon cards their outlines, with dimensions, area covered and cubical contents, together with such other data as may be required by said Board of Assessors.

ARTICLE II

Application for Permits

Section 1. Every person intending to erect any building or to raise, move or make additions, repairs or alterations in any building or its foundations, already erected, or hereafter to be built, except minor repairs not affecting the foundations, external, partition or party walls, roofs, chimneys or stairways, shall, before commencing the same, or the foundation thereof, file an application for a permit

with the Inspector of Buildings, on forms furnished by him, giving a description of the building or the additions, alterations or repairs proposed; and shall also submit plans and specifications of such work or buildings, for examination and approval. The Inspector may also require, in his discretion, a plan of the lot on which any proposed building is to be erected to be filed with the application. If the requirements of law and of the by-laws of the town have been complied with, the Inspector shall thereupon issue such permit to the applicant and shall furnish a card which shall be posted in a conspicuous place on the premises visible from the sidewalk.

Section 2. No person having obtained such a permit shall proceed with any work without first notifying the Inspector as to the time such work is to begin and no permit issued, whether for a new building or for alterations, shall be in force for a period longer than one year.

Section 3. The Board of Health shall have an opportunity to examine all plans and specifications filed with the Building Inspector. Whenever the use to be made of such building, or the plumbing, ventilation or sanitary arrangements therein, shall require the obtaining of a permit from another official or board, the Building Inspector, before issuing a building permit, may require the applicant to obtain such permit from such other official or board.

Section 4. No permit to erect or alter a building used or intended to be used as a garage shall be issued by the Building Inspector until plans for the same and the location thereof have been approved by the Chief of the Fire Department.

Fees

Section 6. The applicant for a building permit shall at the time of filing an application therefor, pay to the town a deposit of one dollar for each \$1,000 of the cost of the proposed work, but in no case shall such deposit exceed \$1000.00 for any one application or permit. The minimum fee shall be one dollar. In case the Inspector, after an examination, refuses to issue such permit then the amount deposited shall be refunded. No fee shall be required for a building erected by the town.

Section 5. A complete set of plans and specifications of any public building, or structure to be used by the public, must be filed in the office of the Inspector of Buildings. A complete set of plans and specifications bearing the approval of the Inspector of Buildings must be kept on the premises during the process of construction.

ARTICLE III

Requirements for Buildings

Section 1. Definitions of words and terms unless otherwise defined by Statute

In the construction of these by-laws, if not inconsistent with the context, the following terms shall have the respective meanings assigned to them.

Alteration—Any change or addition to a building.

Basement—The ground floor, beneath the principal story, but which in the average is at least one-half above the mean grade of the adjoining ground.

Cellar—An underground room more than one-half below the mean grade of the adjoining ground.

Dwelling—A building used, or constructed, or adapted to be used, for human habitation.

External Wall—Every outer wall or vertical enclosure of any building other than a party wall, and shall include piazzas, bay windows, porches and other projections.

Foundation—That part of a wall below the level of the street curb; or, where the wall is not on a street, that portion of the wall below the level of the ground next to the wall; but foundations of party or partition walls may be construed by the Inspector to mean that portion below the cellar floor.

Half-Story—A story included in the roof of which the floor area of the rooms is not more than seventy-five per cent. of the area of the ground floor.

Public Building—A building used or constructed, or adapted to be used in whole or in part as a church, school, hospital, theatre, hotel, or place of public assemblage.

Party Wall—A wall that separates two or more buildings and is used or adapted for the use of more than one building.

Repairs—The renewal of any part of a building or of its fixtures or appurtenances, and not made, in the opinion of the Inspector, for the purpose of converting the building, in whole or in part, into a new building.

Solid Wall—A wall without openings of any kind therein.

Underpinning—The brick, stone or concrete wall above the foundation to the under side of the sill.

Wooden Building—Any building of which an external wall is constructed wholly or partly of wood. Wood frames covered with metal shall be deemed to be wood structures.

Approval of Buildings

Section 2. No building hereafter erected, altered, added to or repaired, that is to be finished in the whole or in part, shall be lathed, plastered and sheathed, until the owner or builder shall have notified the Inspector of Buildings, and shall have received from said Inspector a notice in writing that the work is satisfactory.

The Inspector of Buildings on receipt of a notice from the owner or builder that any building, or alterations, additions or repairs to any building are ready for inspection shall as soon as possible inspect the premises, but shall not accept the building until all the requirements of the by-laws and of law as to frames, chimneys, firestops, furnace or steam pipes, and all other parts of the construction have been complied with, and no building shall be occupied until approved by the Inspector.

The Inspector shall also require that all permanent piers or columns needed under girders, trimmers, etc., shall be in place before he accepts the building.

Location

Section 3. No external wall of any building hereafter erected or moved upon any lot, except as hereinafter provided, shall be built or placed nearer than three feet to the line of any adjoining lot, excepting, however, that on property contiguous to a railroad right of way such external wall may be built upon the property line provided that said wall is constructed of brick or concrete or other recognized fire proof construction; nor shall any external wall of any building hereinafter built, or moved upon the same lot upon which there is another building, except a garage, be built or placed nearer to said other building than six feet, and if such building is to be used as a garage then the external wall adjacent to any other building shall be constructed of a recognized fire proof construction. Within a business district as set forth in the zoning by-laws, buildings may be erected on property lines, provided that side walls are of brick or concrete or other suitable fire proof material, but where a business district lies adjacent to a residential district then no part of any building above the grade of the premises shall be erected within three feet

of the dividing line between such business district and such residential district.

Height of Buildings

Section 4. No dwelling house, except as described in Chapter 145 of the General Laws, shall be constructed more than two and a half stories high, nor of a height exceeding 35 feet. The height is defined as the perpendicular distance from the top of the masonry foundation to the highest point of the roof beams in the case of flat roofs and to the average height of the gable in the case of pitched roofs. Where there is more than one level of roof or foundation wall, the measurement shall be taken from the average level of the top of the foundation wall, on that side of the building which faces the street upon which the building fronts, to the average level of the roof.

Wooden buildings for industrial or commercial purposes shall not exceed two and a half stories in height.

Garages in Dwellings

Section 5. When a garage is located beneath a dwelling or attached to it, the walls and ceiling shall be of fire resistive construction approved by the Building Inspector. When a garage is located beneath a dwelling, all doors and windows with the frames and sash shall be of standard fire resistive construction, and glazed with wire glass.

Foundations

Section 6. Foundation walls for wooden or masonry buildings shall be of stone, brick or poured concrete of the following minimum thickness.

Stone—16 inches or 4 inches thicker than the wall it supports.

Brick—12 inches or 4 inches thicker than the wall it supports.

Concrete poured in place—10 inches or 4 inches thicker than the wall it supports.

Stone walls shall have the first course extend clear through the wall, and above the first course shall be thoroughly bonded. Stone walls laid dry, that is, with stones not bedded in mortar but merely pointed with mortar on the outside, shall not be permitted.

Brick walls both for foundations and upper stories shall be bonded by a header course every eighteen inches. Bricks and tiles used for exterior work shall have a burned face suitable for exposure to the weather.

All foundation walls shall extend at least 3 feet 6 inches below the ground and more when necessary to be substantially below the frost line. Foundations shall not be laid on frozen ground. Foundations shall have suitable footings to keep the load distribution within the carrying capacity of the soil. If suitable natural soil cannot be reached by reasonable excavation, piles of wood or concrete may be employed.

Section 7. Underpinnings for wooden construction shall extend at least eight inches above the adjacent ground surface.

Brick underpinnings for buildings not over two stories high shall not be less than eight inches thick, and under buildings three or more stories in height shall not be less than twelve inches thick for their entire height.

Concrete blocks may be used for underpinnings provided that 8 inch blocks are laid not more than 5 courses high and that 12 inch blocks are laid not more than 8 courses high.

Mortar Proportions

Section 8. The mortar for foundations, piers and chimneys of stone, brick, cement-block, or tile shall have a strength not less than that of a mortar composed of one part Portland cement to not more than three parts of clean, sharp sand, proportioned by volume, with an allowable addition of hydrated lime not to exceed twenty-five per cent. of the cement by volume.

Masonry walls above the underpinning shall be laid in mortar composed of one part Portland cement, one part hydrated or properly slacked lime to not more than six parts of clean, sharp sand.

Concrete Proportions

Section 9. Concrete for bearing walls and piers shall be at least of the following proportions by volume; one part Portland cement, three parts clean, sharp sand, and five parts coarse aggregate, free from loam, organic matter or other deleterious substances. Other mixtures of fine and coarse aggregate giving equivalent strength and density are permitted.

Concrete Block Proportions

Section 10. Concrete blocks used for underpinnings or exterior wall shall have a composition not leaner than one part of Portland cement to seven parts of fine and coarse aggregate combined.

Building Supports

Section 11. Buildings more than one story in height, and with a floor area of over 500 square feet, that do not rest on foundation walls, shall be supported on suitably driven piles, or piers of hard brick, stone or concrete; corner piers shall be not less than twelve inches square and intermediate piers not less than eight inches square. Wooden posts extending into the ground shall not be used for the support of buildings. All footings of piers shall be started at least three feet six inches below the surface of the ground exposed to frost.

Piers

Section 12. Building floors shall be supported in cellars and basements as required in Section 15 by suitable brick or concrete piers or cement-filled iron columns on proper footings. Stone piers shall not be used for the support of girders or walls in cellars or basements. Porches and piazzas shall be supported by concrete, brick or stone piers. Stone piers shall be at least sixteen inches square and the unsupported height of brick or concrete piers either in basements or under piazzas shall not exceed ten times their least dimension.

Exterior Walls

Section 13. The minimum thickness of exterior masonry walls for dwellings shall be as follows:

Brick—8 inches up to 20 feet in height.

Concrete block or hollow tile—8 inches up to 10 feet in height; 12 inches up to 20 feet in height.

Stone—16 inches up to 20 feet in height.

When gable construction is used, the same thickness is permitted up to the peak.

Exterior bearing or party walls of brick, concrete, hollow tile or concrete-block for commercial and industrial buildings shall have a minimum thickness of eight inches in one-story buildings not exceeding twelve feet in height. In multi-story buildings, the exterior walls shall have a minimum thickness of eight inches in the top story, with an increase of four inches in thickness for every successive story below.

No vertical chases (i. e. grooves for pipes, flues, wires, etc.) shall be permitted in 8 inch walls.

Brick veneer-walls shall be provided with metal ties embedded in mortar points at least 16 inches apart vertically and 24 inches horizontally.

Floor and roof timbers shall be attached to masonry walls by suitable metal ties.

Corner posts shall be continuous. Girts shall be four by six inches. No stairway shall be constructed in a two family house less than three feet in the rough.

Sills, Girders, Timbers, Headers

Section 14. All wooden buildings, and their projections over one story in height, used as dwellings, stores, stables, or for manufacturing purposes shall have sills not less than four by six inches.

There shall be girders not less than six by eight inches under the main partitions, and floor joists doubled or their equivalent, under all cross partitions in the first floor of all dwellings.

Headers and trimmers of all openings over four feet in first floor of dwellings shall be floor joists doubled or their equivalent and in any other floor, if deemed necessary by the Inspector.

Floor Supports

Section 15. All beams carrying main partitions on the first floor shall be supported on piers or columns as described in Section 12 not more than seven feet apart; trimmers in the first floor over twelve feet in length shall be supported by a pier or post. All buildings shall be properly braced at the angles.

The floor joists for all floors in dwellings, except the attics, shall not be less than the following sizes:

First and second floor joists not less than 2 inch x 8 inch—16 inches on center for a span of 14 feet or under; over 14 foot span joist must be 12 inches on center. All spans over 8 feet in width to be bridged in center with one row of 1 inch x 3 inch bridging; over 13 feet in width to be bridged with two rows of 1 inch x 3 inch bridging. Floor joists for attics shall be not less than 2 inch x 6 inch—18 inches on centers.

Plates and Rafters

Section 16. All dwellings over one story in height shall have plates not less than four by four inches, or the equivalent, and if over sixteen feet in width shall have rafters not less than two by six inches set not more than twenty inches on centers.

No studding for any part of the outside walls of any building over one story in height shall be less than two by four inches and sixteen inches on centers.

All boards which form any part of the frame of the building shall be nailed at each bearing with not less than two eight-penny nails, or the equivalent.

Fire Protection of Woodwork

Section 17. Woodwork shall be kept at least one inch away from the outside brick work of chimneys and in no case shall nails be driven into the masonry of a chimney for the support of woodwork.

Smoke pipes from furnaces and heaters shall be kept at least eighteen inches away from any woodwork unless the woodwork is protected to the satisfaction of the Building Inspector.

Registers, connected with hot air furnaces shall be set in non-combustible borders, at least two inches wide.

Steam pipes shall be kept at least one inch from all woodwork or shall be protected by an incombustible ring or tube, or rest on iron supports.

Fire Stopping

Section 18. Fire stopping shall be provided to form an effectual horizontal fire barrier between stories and roof spaces. The stopping shall consist of pieces of wood not less than two inches thick fitted tightly, cement mortar, or brick filling. Fire stopping shall not be concealed from view until opportunity has been given the Building Inspector to approve it.

Before the chimney is plastered, a metal strip two inches wide on the floor, and turned up one-half inch against the chimney shall be provided at each floor level, including the attic.

Opening in Party Walls

Section 19. No opening or door-way shall be cut through a party or partition wall of any building without a permit from the Building Inspector, and when required by the Building Inspector every such doorway shall be protected by standard self-closing fire doors with approved fire resistive frame and hardware.

Chimneys

Section 20. Chimneys less than 8 inches thick shall have a tile flue lining covered with at least four inches of brickwork. Top of chimney shall be capped with cement, tile or stone.

Roofs

Section 21. No part of any roof shall be constructed in such a manner as to discharge snow, ice or other material upon a public street.

Any roof hereafter constructed in the town of Swampscott, shall be covered with a fire-resistive material such as metal, tile, slate, asbestos shingles, or surfaced asphalt shingles. If asphalt shingles are used, they shall weigh not less than 235 pounds per hundred square feet laid or 74 pounds per hundred square feet of material not laid.

The roofs of all public buildings hereafter erected or constructed, and the roof of any existing public building hereafter recovered, shall be covered and roofed with non-combustible or fire-retarding material as above.

Whenever twenty-five per cent. or more of a roof covering is hereafter replaced, the new covering shall be one of the fire resistive materials mentioned above.

Penalty for Violation

Section 22. Whoever violates any of the provisions of this chapter shall be punishable by a fine not to exceed \$20 for each offense.

Voted. That Chapter 2 of the present by-laws relative to town meetings be amended by striking out the same, and substituting therefor the by-law entitled "Chapter 2 Town Meetings" as printed upon pages 172 and 173 of the annual report of the town of Swampscott, for the year ending December 31, 1931.

93 voting—for, 89; against, 4; carried by more than two-thirds vote.

CHAPTER II—"B"

Town Meetings

Section 1. The annual town meeting shall be held on the third Monday in February in each year. For the election of officers, at said annual town meeting, or at any special town meeting, unless otherwise provided by law, polls shall be open at six o'clock in the forenoon and shall remain open until six o'clock at night. After the counting and declaration of votes for officers at an annual town

meeting, said meeting shall be adjourned to the second Tuesday next thereafter at 7.45 P.M., and at which time, and at any further adjournment thereof, the remaining articles of the warrant shall be taken up.

Section 2. Notice of every town meeting shall be given by posting attested copies of the warrant for the same in at least two public places in each precinct, and by mailing such warrant to each town meeting member, not less than seven days before the day appointed for said meeting. Notice of the adjournment of any town meeting shall be advertised by the town clerk at least once in a newspaper or newspapers published in Swampscott and, in case such adjournment is for a period of more than five days, notice shall be mailed to each town meeting member at least one day prior to the date set for the adjourned meeting.

Section 3. The Town Clerk shall send a copy of the warrant for every town meeting to each town meeting member as soon as said warrant is drawn and printed.

Section 4. The proceedings of town meetings shall be governed by the rules of practice contained in Cushing's manual of parliamentary practice, except as the same may be modified by law or by these by-laws.

Section 5. The Moderator shall preside and regulate the proceedings, decide all questions of order, make public declaration of all votes. If a vote so declared is immediately questioned, the Moderator may, and if immediately questioned by seven or more voters, he shall verify it by polling the voters or by dividing the meeting. In polling the voters, the Moderator shall appoint tellers, and voters in the affirmative and in the negative respectively shall be requested to rise and stand until they are counted by the tellers, and the tellers shall make report of said count to the Moderator, who shall then announce the vote.

Section 6. If a two-thirds vote of a town meeting is required by law, a count shall be taken, and the vote shall be recorded in the records by the Clerk; but if the vote is unanimous, a count need not be taken and the Clerk shall record the vote as unanimous.

Section 7. No person shall address a town meeting without leave of the Moderator, and all persons shall, at the request of the Moderator, be silent. If a person, after warning from the Moderator, persists in disorderly behavior, the Moderator may order him to withdraw from the meeting and, if he does not withdraw may order his removal.

Section 8. Upon a question of order any town meeting member may appeal from the decision of the Moderator to the meeting; and upon such appeal, the grounds thereof shall be briefly stated and the question shall be decided by the meeting without debate.

Section 9. When any article in the warrant is under consideration, the meeting may decide to vote by ballot upon such article. In such case, at the close of debate on said article, the Moderator shall state the question, as finally determined upon motions and amendments, and the town Clerk shall prepare and distribute ballots to enable the town meeting members to vote Yes or No upon such question. Said ballots shall be collected and counted by the Moderator and such persons as he may then and there delegate, and the Moderator shall then announce the vote. When a vote is taken by such ballot the meeting shall not then be polled under section five.

Section 10. When a question is under debate, no motion shall be received except a motion to adjourn the meeting, to vote by ballot, lay on the table, to commit or refer, to amend, to postpone to a day certain, or to postpone indefinitely, or a motion for the previous

question. No town meeting member shall speak upon the same question more than twice, nor more than twenty minutes, without first obtaining leave of the meeting, except for the correction of an error, or to make an explanation.

Section 11. Articles in the warrant shall be acted upon in their order, unless two or more articles relate to the same subject matter, when they may be considered jointly.

Section 12. No motion to dissolve a town meeting shall be in order until every article in the warrant thereof has been duly considered and acted upon.

Section 13. All motions submitted for the consideration of the meeting involving the expenditure of money, the creation of a debt, or the disposal of town property shall be in writing, except motions to adopt recommendations for the above mentioned purposes which are contained in a written report. All other motions shall be in writing if required by the Moderator.

Section 14. No motion or proposition, unless germane to the subject under consideration, shall be admitted under color of amendment.

Section 15. Any voter may call for a division of a question when the sense will admit of it.

Section 16. The motions to adjourn, to lay on the table, to take from the table, for the previous question and for yeas and nays, shall be decided without debate.

Voted, Article 32. To be referred to the Finance Committee.

Voted, Article 33. To be referred to the Finance Committee.

Voted, Article 36. To be referred to the Finance Committee.

Under Article 42. Hearing was declared, being an article to amend the zoning by-laws. Mr. Darinzel spoke in favor of the amendment. Mr. Dooley and Mr. Rudd against same, after which the hearing was declared closed.

Motion to refer article back to the Planning Board, and they to report at the adjourned town meeting, amendment to motion offered, That the town vote to amend the zoning by-law by changing from a general residential district the premises located at No. 225 Humphrey street so as to permit the said premises to be used for the erection of an apartment building. The amendment was lost, also the original motion.

The report of the Planning Board on Article 42 was read by George M. Glidden, Chairman.

This article has been considered by the Planning Board and it is our unanimous opinion that there has been no change in the character of this district which would warrant the Board to recommend any change in zoning by-laws or zoning map.

The Board therefore recommends that action on this article be indefinitely postponed.

GEORGE M. GLIDDEN, Chairman,
JOHN R. HURLBURT,
HENRY S. BALDWIN,
RALPH J. CURTIS,
HERBERT E. INGALLS,

Planning Board.

Voted, Article 42. To accept the report of the Planning Board, and adopt their recommendations, as follows:

That action on this article be indefinitely postponed.

Under Article 43. Hearing was declared, being an article to amend the Zoning By-Laws. Charles D. C. Moore and Conrad

P. Richardson, appeared for the amendment, Mr. Dooley against. Hearing was declared closed.

Motion to refer article back to the Planning Board, and they to report at an adjourned Town Meeting, amendment offered, that the land at 175 Humphrey street and adjoining on Cliffside, be changed on the zoning map, so that the property may be used for apartment or hotel purposes. Amendment was lost; also the original motion.

Voted, Article 43. To accept the report of the Planning Board and adopt their recommendations, as follows:

That action on this article be indefinitely postponed.

Voted to take up Article 25.

Voted, Article 25. To accept the report of the Finance Committee, and adopt their recommendations, as follows:

That the following unexpended balances from sewers be transferred to the Emergency Sewer Account.

Nason Road Sewer	\$1,615.54
Rockland Street Sewer	961.02
Burpee Road Sewer	30.50
Section A Sewer	4,150.93
Section B Sewer	6,146.29
Section C Sewer	1,445.85
Section D Sewer	794.70
Roy Street Drain	4.84
King's Beach Culvert	28.06
Culvert	14.25

Voted, Article 44. To be referred to the Finance Committee.

Voted, that when we adjourn it be to Tuesday evening, April 5, 1932, at 7.45 o'clock.

Voted to adjourn at 8.45 P.M.

Attest:

RALPH D. MERRITT,
Town Clerk.

Finance Committee Appointment

February 23, 1932

John R. Hurlburt, Moderator, reappointed Donald Redfern, a member of the Finance Committee for three (3) years, on the above date.

Attest:

RALPH D. MERRITT,
Town Clerk.

To Fill Vacancy

March 3, 1932

In accordance with a petition filed with the Town Clerk, signed by 10 town meeting members of Precinct 2, a special meeting of the said precinct was held on the above date to fill the vacancy in Precinct 2.

The following were elected to fill out the term to February, 1933:

Harry W. Stanley, 76 Franklin avenue

Walter S. Maitland, 6 Maple avenue

George B. Atkins, 68 Stetson avenue

HARRY E. CAHOON, Chairman,

ALBERT DEVITT, Clerk.

Attest:

RALPH D. MERRITT,
Town Clerk.

Resignation Received

March 16, 1932

Notice received on the above date of the resignation of Clarence W. Horton from the Board of Public Welfare, same to become effective at once.

Attest:

RALPH D. MERRITT,
Town Clerk.

By-Laws Accepted

March 15, 1932
Notice received on the above date regarding by-laws accepted and adopted by the town of Swampscott, at the adjourned annual town meeting, held, February 23, 1932.

Boston, Mass.

The following by-laws are hereby approved, except
Chapter "A" Article 1, Section 4 disapproved in part
Chapter "A" Article 2 Section 4
Chapter "A" Article 2 Section 6
which are disapproved and Article 3, Sections 14 and 17, which are disapproved in part.

JOSEPH E. WARNER,
Attorney General.

Attest: RALPH D. MERRITT,
Town Clerk.

Horton Reappointed

March 30, 1932
Notice received that at a joint meeting of the Board of Public Welfare and Board of Selectmen, Clarence W. Horton was re-appointed as a member of said Board, to serve until the Annual Meeting, February, 1933 and on the above date qualified for the office.

Attest:

RALPH D. MERRITT,
Town Clerk.

ADJOURNED ANNUAL TOWN MEETING

Tuesday, April 5, 1932

In accordance with the adjournment of February 23, 1932, the town meeting members assembled at the Town Hall, and were called to order by John R. Hurlburt, Moderator, the necessary quorum being present.

Voted to dispense with the reading of records of last meeting.

The Finance Committee report was read by C. Frank Hathaway, Chairman.

REPORT OF FINANCE COMMITTEE

To the Members of the Limited Town Meeting:

While other cities and towns in the Commonwealth find themselves actually bankrupt as the result of high financing in years past, Swampscott occupies a most enviable position with a low tax rate, a fair valuation and ample credit. This is the result of sensible financing on the part of the town, extending back over a long period of years. That it pays is evident when we regard some of our cities and towns who, as a result of the depression, now find themselves without funds and no credit after years of apparent financial stability.

While no special appropriation for the relief of unemployment has been made for 1932, nevertheless, it should be borne in mind that a considerable number of deserving citizens have been, and are still, employed in the Highway, Cemetery and Park Departments. What we have spent here, however, has proved most profitable to the town, although the work which has been done in many cases would not have been undertaken until some future time if the necessity for taking care of our unemployed had not arisen. No other town in this vicinity has had so little expense in this line as the town of Swampscott. That our Welfare Department will be subjected to an extraordinary demand for 1932, as it has been for the past two years, is obvious; but we are happy to believe that the administration of this department has thus far been conducted so efficiently that only those cases which actually deserved help have received it. It is unneces-

sary to make extended reference to financial conditions as they exist at the present time; it is obvious, however, that the situation which now prevails is naturally regarded with some apprehension. As to those articles in the warrant where the committee report "we recommend that action on this article be indefinitely postponed." It is to be understood that in most of these cases, a policy of the strictest economy is the principal reason for such a recommendation; and it would be useless repetition to make similar reports on those articles. We have had the co-operation and assistance of all the departments in the town. They realize that this is not the year to spend money for anything that is not absolutely necessary, and we have made no recommendation for the appropriation of money in any case where it appeared that no harm would be done by waiting another year.

We feel that new projects should not be undertaken this year, and in following this policy have recommended indefinite postponement in some cases where we, under normal conditions, would have reported otherwise.

In conclusion we wish to say that as a result of our not being obliged to borrow any money this year, except in anticipation of taxes, the town's expenditures will be slightly more than one hundred thousand dollars less than last year, if our recommendations are followed.

Article 4. For this year at least we feel there should be no increase in the salaries of any town official. We therefore recommend that action on this Article be indefinitely postponed.

Article 8. We recommend that the item for water of \$65,000.00 and also the item for emergency water \$2,500 under the heading of Enterprises, be taken from the estimated receipts of the Water Department for the current year.

We recommend that the following amounts be appropriated for the various departments for the ensuing year.

General Government

Legislative	\$420.00	
Selectmen	3,500.00	
Selectmen's Contingent Fund	400.00	
Accounting	3,500.00

Article 9—We recommend that action on this article be indefinitely postponed.

Article 11—In reference to this article, conditions after any ordinary rain storm are very bad, and when there have been occasional hard rains, the road becomes impassable, the Voreburg property is flooded; and as a result of conferences last year over this situation, the Selectmen, with the advice of the Town Counsel, made a practical arrangement with Mr. Voreburg whereby it was agreed that this condition should be remedied. We therefore recommend that the sum of thirty-eight hundred dollars (\$3,800.00) be transferred from the Emergency Sewer Account for the purpose of laying a drain and building necessary catch-basins and manholes to take care of the surface water at Puritan road at Tupelo road and that further action on this article be indefinitely postponed.

Article 12—We recommend that action upon this article be indefinitely postponed.

Article 13—We recommend that action upon this article be indefinitely postponed.

Article 14—It is obviously necessary to have the streets of the town properly designated by name with appropriate signs. We, therefore, recommend that the sum of two hundred fifty dollars (\$250) be appropriated for the purpose of this article, and that the Surveyor of Highways be given authority not only to replace broken street signs, but to erect street signs in those places where the signs are missing.

Article 15—There is a bad condition here which must be taken care of and which has resulted and may further result in considerable property damage unless a surface drain from Aspen road to Millett road is constructed. We, therefore, recommend that the sum of twenty-two hundred dollars (\$2,200) be transferred from the Emergency Sewer Account for the purpose of laying the necessary drain when, however, all necessary easements have been granted to the town.

Article 16—Your committee has given careful consideration to the matter involved in this article, and we have considered it from every angle; but as our Town Engineer advises us that it is practically impossible to remedy the situation without the expenditure of a prohibitive amount of money, we, therefore, recommend that action on this article be indefinitely postponed.

Article 17—We recommend that action on this article be indefinitely postponed.

Article 18—We recommend that action on this article be indefinitely postponed.

Article 19—Last year the committee recommended that a truck be purchased for this department, and we are more than ever convinced that if we are to expect the same efficient administration of

the Highway Department that we have had in the past, that there should be another truck. The Highway Department, at the present time, has only two five-ton trucks which are used in the winter as snow ploughs and for spreading sand. These trucks have been owned by the town for several years, and especially in view of the fact that we are not recommending the expenditure of practically any money for street construction, it becomes necessary that the Highway Department should be so equipped that it can at least have a sufficient number of trucks to keep the streets of the town in fair repair. If this truck is purchased, the Highway Department would have no occasion for anything more in that line for a number of years. We, therefore, recommend that the sum of thirty-three hundred dollars (\$3,300) be appropriated for the purchase of a truck as recommended by the Surveyor of Highways.

Article 20—We recommend that action on this article be indefinitely postponed.

Articles 21 and 22—We recommend that Articles 21 and 22 be referred to the Planning Board to report to the town at the next annual town meeting.

Article 23—We recommend that the town authorize the Board of Selectmen to enter into a new contract with the Lynn Gas & Electric Co. for street lighting for a period not to exceed five years from the expiration of the present lighting contract on June 30, 1932.

Article 24—In this case the easements have actually been taken and must be paid for. We, therefore, recommend that the sum of three hundred dollars (\$300) be transferred from the Emergency Sewer Fund for the purpose of paying for these easements.

Article 26—We recommend that the sum of sixteen hundred dollars (\$1,600) be transferred from the Water Available Surplus for the purpose of laying a six inch water main in Hampden street, a distance of about seven hundred and fifty (750) feet.

Article 27—We recommend that the sum of fifteen hundred dollars (\$1,500) be transferred from the Water Available Surplus for the purpose of laying a six inch water main in Berkshire street a distance of about seven hundred and twenty (720) feet.

Article 28—We recommend that the sum of five hundred fifty dollars (\$550) be transferred from the Water Available Surplus for the purpose of laying a six inch water main in Bradlee avenue, a distance of about two hundred and eighty-five (285) feet.

Article 29—We recommend that action upon this article be indefinitely postponed.

Article 30—We recommend that action upon this article be indefinitely postponed.

Article 31—We recommend that action upon this article be indefinitely postponed.

Article 32—We recommend that action upon this article be indefinitely postponed.

Article 33—We recommend that action upon this article be indefinitely postponed.

Article 34—We recommend that action upon this article be indefinitely postponed.

Article 35—We recommend that action upon this article be indefinitely postponed.

Article 37—In reference to this article, it is the especial desire of the committee to fully acquaint the members of the town meeting with the facts involved.

While the pump which the town now owns, and has owned for about 19 years, is not as new and modern as we might desire, we are convinced, having in mind all the probabilities, that the present

pump, which has been well cared for and has performed excellent service in the past, will continue to give a good account of itself for at least another year and probably more.

On two occasions while in service it has stalled, but to the best of our knowledge and belief the cause of its stalling was nothing more or less than what might happen to any pump and was in every case probably due to some minor trouble which could easily be remedied.

On the other hand, the Board of Fire Engineers object to assuming the responsibility of continuing to depend on the present pump as their first line of defense. The estimated cost of a new pump would be from twelve to fifteen thousand dollars.

Considering the situation from all angles, the Committee, in the interests of all possible economy, reluctantly recommend that further action on this article be indefinitely postponed.

Article 38—A short time ago a break occurred in the underground cable on Humphrey street so that a replacement became necessary. After several conferences with the Chief of the Fire Department and the Board of Fire Engineers, it was decided that the best plan of procedure would be to replace this cable with a 20 wire cable, thereby extending the new construction about 1,500 feet. We, therefore, recommend that the sum of five hundred sixty-five dollars (\$565) be appropriated for the purpose of removing and replacing the broken cable.

Article 39—We recommend that the sum of two hundred fifty dollars (\$250) be appropriated for the purchase of four hundred feet of 1½ inch hose and fittings.

Article 40—We recommend that the sum of four hundred ninety dollars (\$490) be appropriated for the purchase of five hundred feet of 2½ inch hose and fittings.

Article 41—We recommend that action on this article be indefinitely postponed.

Article 44—At the time the vote was passed it was assumed that all easements had been or would be granted to the town and later it was found in order to complete this street it would be necessary to purchase from one of the residents, a portion of land involving a possible cost of several hundred dollars.

We recommend that the town vote to rescind the vote by which it accepted Commonwealth avenue as a public way.

Article 45—We recommend that action upon this article be indefinitely postponed.

Article 46—We recommend that action upon this article be indefinitely postponed.

Article 47—We recommend that action upon this article be indefinitely postponed.

Article 48—We recommend that action upon this article be indefinitely postponed.

Article 49—We recommend that action upon this article be indefinitely postponed.

Article 50—We recommend that the sum of seven hundred fifty dollars (\$750) be appropriated for the purpose of a suitable observance of the Fourth of July, and that the Moderator be authorized to appoint a committee of three to conduct such observance.

Article 51—We recommend that action upon this article be indefinitely postponed.

Article 52—Last summer, under the guidance of a Swampscott women's organization, the lots enumerated in the article were used as a playground for the children in the section of the town where those lots are located. All the expense of operating the playground

and supplying the necessary equipment was paid for by the women's organization. The project proved so successful, that at the instance of this and other organizations, it was suggested that the town purchase the two lots at a price not to be in excess of one hundred twenty-five dollars (\$125) per lot and that if this was done, the playground would continue to be operated without any expense to the town. We, therefore, recommend that the Selectmen be authorized to purchase Lots 675 and 678 as shown on Assessors' Plan No. 11 at Windsor avenue Extension and Nichols street in Swampscott Highlands to be used for park purposes, but that the lots be used as a playground until such time as the Planning Board recommends a further development in this location for other purposes, and that the sum of two hundred and fifty dollars (\$250) be appropriated therefor.

Respectfully submitted,

C. FRANK HATHAWAY, Chairman,
LEROY S. AUSTIN,
PAUL W. BRICKETT,
HARRY E. WHITTEN,
LESLIE F. ALLEN,
RALPH H. CARY,
DONALD REDFERN,
JOHN A. WALDO,

Finance Committee.

Voted, Article 4. To accept the report of the Finance Committee and their recommendations adopted with the following amendment:

That action on this article be indefinitely postponed; and that the Board of Selectmen cause to be printed and sent to each town meeting member a revised edition of the town accountant's report covering expenditures for the year 1931, this report to set forth clearly under standardized classifications names of all persons receiving moneys, amounts received and the services rendered or supplies purchased, as the case may be, excepting however money paid through the Board of Public Welfare, which are by law prohibited from being published, same report to be issued within 60 days after this meeting has been dissolved.

Voted, Article 7. Action under this article be indefinitely postponed.

Voted, Article 8. To accept the report of the Finance Committee and adopt their recommendations as amended. (Unanimous.)

That the item for water of \$65,000. and also the item for emergency water \$2,500, under the heading of Enterprises, be taken from the estimated receipts of the Water Department for the current year.

That the following amounts be appropriated for the various departments for the ensuing year, and that the amount recommended for Highways be increased by \$250, to be used for the erection of a fence on Bay View Drive to safeguard public travel.

Voted, Article 9. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action under this article be indefinitely postponed.

Voted, Article 11. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of thirty-eight hundred dollars (\$3,800.00) be transferred from the Emergency Sewer Account for the purpose of laying a drain and building the necessary catch-basins and manholes to take care of the surface water at Puritan road and Tupelo road and that further action on this article be indefinitely postponed.

Voted, Article 12. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action under this article be indefinitely postponed.

Voted, Article 13. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action under this article be indefinitely postponed.

Voted, Article 14. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of two hundred fifty dollars (\$250.00) be appropriated for the purposes of this article, and that the Surveyor of Highways be given authority not only to replace broken street signs, but to erect street signs in those places where the signs are missing.

Voted, Article 15. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of twenty-two hundred dollars (\$2,200) be transferred from the Sewer Account for the purpose of laying the necessary drain, when however, the necessary easements have been granted to the town.

Voted, Article 16. To accept the report of the Finance Committee and adopt their recommendations, as follows:

That action under this article be indefinitely postponed.

Voted, Article 17. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action under this article be indefinitely postponed.

Voted, Article 18. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action under this article be indefinitely postponed.

Voted, Article 19. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of thirty-three hundred dollars (\$3,300) be appropriated for the purchase of a truck as recommended by the Surveyor of Highways.

Voted, Article 20. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action under this article be indefinitely postponed.

Voted that Articles 21 and 22 be considered together.

Voted, Articles 21 and 22. To accept the report of the Finance Committee, and adopt their recommendations as follows:

That Articles 21 and 22 be referred to the Planning Board to report at the next annual town meeting.

Voted, Article 23. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the town authorize the Board of Selectmen to enter into a new contract for street lighting for a period not to exceed five years from the expiration of the present lighting contract on June 30, 1932.

Voted, Article 24. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of three hundred dollars (\$300.) be transferred from the Emergency Sewer Fund for the purpose of paying for these easements.

Voted, Article 26. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of sixteen hundred dollars (\$1,600) be transferred from the Water Available Surplus for the purpose of laying a six inch water main in Hampden street, a distance of about seven hundred and fifty (750) feet.

Voted, Article 27. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of fifteen hundred dollars (\$1,500) be transferred from the Water Available Surplus for the purpose of laying a six inch main in Berkshire street a distance of about seven hundred and twenty (720) feet.

Voted, Article 28. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of five hundred fifty (\$550) dollars be transferred from the Water Available Surplus for the purpose of laying a six inch water main in Bradlee avenue, a distance of about two hundred eighty-five (285) feet.

Voted, that Articles 29 to 36 inclusive be considered together.

Voted, Articles 29 to 36 inclusive. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action under Articles 29 to 36 inclusive be indefinitely postponed.

Voted, Article 37. To accept the report of the Finance Committee and their recommendations as amended, namely:

That the town purchase a 1000 gallon combination pumper and hose wagon, and that the sum of \$13,000. be appropriated therefor, and that a committee of seven to be appointed by the Moderator, be hereby constituted to make such purchase and contract therefor, in accordance with the by-laws of the town; and that said committee be authorized if in its judgment a reasonable allowance can be obtained, to dispose of and sell the present pumper as a part of the consideration for such purchase.

Voted, Article 38. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of five hundred sixty-five dollars (\$565) be appropriated for the purpose of removing and replacing the broken cable.

Voted, Article 39. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of two hundred fifty dollars (\$250) be appropriated for the purchase of four hundred feet of 1½ inch hose and fittings.

Voted, Article 40. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of four hundred ninety dollars (\$490) be appropriated for the purchase of five hundred feet of 2½ inch hose and fittings.

Voted, Article 41. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action under Article 41 be indefinitely postponed.

Voted, Article 44. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the town rescind the vote by which it accepted Commonwealth avenue as a public way.

Moved to take up Articles 45-46-47-48 together.

Voted to withdraw said motion to take up Articles 45 to 48 inclusive together.

Voted, Article 45. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action under this article be indefinitely postponed.

Voted, Article 46. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action under this article be indefinitely postponed.

Voted, Article 47. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action under this article be indefinitely postponed.

Voted, Article 48. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action under this article be indefinitely postponed.

Voted, Article 49. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action under this article be indefinitely postponed.

Under Article 50 an amendment to the Finance Committee recommendation was carried. That the sum of \$1,000. be appropriated for the purpose of a suitable observance of the Fourth of July and that a committee of three or more conduct such observance. For, 46; No, 43.

Voted, Article 50. To accept the report of the Finance Committee and adopt their recommendations as amended:

That the sum of \$1,000 be appropriated for the purpose of a suitable observance of the Fourth of July, and that the Moderator appoint a committee of three or more to conduct such observance.

Voted, Article 51. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action under this article be indefinitely postponed.

Voted, Article 52. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the Selectmen be authorized to purchase Lots 675 and 678 as shown on the Assessors' Plan No. 11 at Windsor avenue extension and Nichols street in Swampscott Highlands to be used for park purposes, but that the lots be used as a playground until such time as the Planning Board recommends a further development in this location for other purposes, and that the sum of two hundred fifty dollars (\$250) be appropriated therefor.

Voted, Article 53. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the Board of Selectmen be authorized to execute a new lease with the Leon E. Abbott Post 57 American Legion Building Association for a term not to exceed five years from the expiration of the present lease, the appropriation being provided for under Article 8.

Voted, Article 54. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action under this article be indefinitely postponed.

Voted to dissolve at 9.50 P.M.

Attest:

RALPH D. MERRITT,

Town Clerk.

COMMITTEE ON FIRE PUMP

April 11, 1932

John R. Hurlburt, Moderator, appointed the following committee for the purpose of purchasing a 1,000 gallon Combination Motor Pumper under Article 37 of the town warrant:

Philip W. Blood, 33 Rockland street, chairman; Henry S. Baldwin, 141 Elmwood road; Benjamin B. Blanchard, 109 Greenwood avenue; R. Wyer Greene, 78 Millett road; Robert B. Hegarty, 350 Essex street; Edward LaCroix, 58 Orchard road; James Warnock, 179 Burrill street.

Attest:

RALPH D. MERRITT,

Town Clerk.

SPECIAL TOWN MEETING

Wednesday, April 20, 1932

Essex, ss.

To either of the Constables of the Town of Swampscott in said County. Greeting:

In the name of the Commonwealth of Massachusetts you are directed to notify the inhabitants of the Town of Swampscott, qualified to vote in elections and in town affairs, to assemble in the Town Hall in said Swampscott, on Wednesday, the twentieth day of April, 1932, at 7.30 P.M., then and there to act on the following articles, viz:

Article 1. To see if the town will authorize the Board of Water and Sewerage Commissioners to enlarge the sewer pumping station on Humphrey street, purchase and install additional pumps and make such other additions and improvements as may be necessary to properly care for the disposal of sewage, and appropriate money therefor, as recommended by the Water and Sewerage Board.

Article 2. To see if the town will appropriate a sum of money to pay for compiling, printing and distributing copies of the revised edition of the Town Accountant's report covering expenditures for 1931 which at the adjourned annual meeting, April 5, 1932, under Article 4 of the warrant it was voted to print and distribute to Town Meeting members.

Article 3. To see if the town will vote to extend the time within which the Board of Selectmen was instructed to have printed and sent to each town meeting member, a revised edition of the Town Accountant's report covering expenditures for the year 1931.

Article 4. To appropriate and raise by borrowing or otherwise, under any general or special law, which authorizes the town to raise money by borrowing or otherwise, such sum or sums of money which may be necessary for any or all of the purposes mentioned in the foregoing articles.

And you are directed to serve this warrant by posting an attested copy thereof at the Town Hall, the Post Offices, at least one public and conspicuous place in each precinct in the town, and at or in the immediate vicinity of each railroad station in the town seven days before the day appointed for said meeting.

Hereof fail not, and make due return of this warrant, with your doings thereon, to the Town Clerk at the time and place of meeting aforesaid.

Given under our hands this seventh day of April, A.D. 1932.

R. WYER GREENE,
EDWARD LaCROIX,
Selectmen of Swampscott.

A true copy. Attest:

FRANK H. BRADFORD,
Constable.

RETURN ON THE WARRANT

Pursuant to the within warrant to me directed, I have notified the legal voters of Swampscott, by posting attested copies of said warrant at the Town Hall, Post Offices, at least one public and conspicuous place in each precinct in the town, and at or in the immediate vicinity of each railroad station in Swampscott, on Monday, April 11, 1932, the posting of said notices being seven days before the time of said meeting.

FRANK H. BRADFORD,
Constable.

SPECIAL TOWN MEETING

Wednesday, April 20, 1932

In accordance with the foregoing warrant, the town meeting members assembled at the Town Hall, and were called to order by John R. Hurlburt, Moderator, the necessary quorum being present (73 members).

The warrant with the return thereon was read by the Town Clerk.

The report of the finance committee was read by C. Frank Hathaway, Chairman.

FINANCE COMMITTEE'S REPORT

To the Members of the Limited Town Meeting:

The Finance Committee has made an examination of the warrant, for a Special Town Meeting on Wednesday, April 20, 1932, at 7.30 P.M. and present the following report under the articles contained in said warrant.

Article 1. The installation of additional pumps and other additions and improvements to the present pumping station is clearly in the nature of an emergency measure. It should have been undertaken some time ago and is absolutely necessary to take care of the increased work which is now thrown upon the present pump.

We therefore recommend that the Board of Water and Sewerage Commissioners be authorized to make such additions and improvements to the sewer pumping system on Humphrey street as may be necessary to adequately dispose of the sewage and to that end may purchase and install additional pumps and equipment, build a new chamber and pit or enlarge the present chamber and pit, purchase and install sewer pipes and connections and make a contract or contracts therefor in accordance with the by-laws of the town. And that the sum of \$15,000 be appropriated therefor: \$5,000 of which shall be raised in the tax levy of the current year and used for the purpose of pumps and equipment and the balance of \$10,000 be raised by transfer of \$10,000 out of unexpended balances of sewer bonds heretofore issued.

Article 2. Since the town at its last Annual Town Meeting authorized by its vote, the compiling, printing and distributing of the subject matter therein referred to, nothing remains for us but to provide sufficient funds to cover the expense involved.

We therefore recommend that the sum of \$500.00 be appropriated for the purposes mentioned in said article.

Article 4. There being no action necessary under this article, we recommend that action thereon be indefinitely postponed.

Respectfully submitted,

C. FRANK HATHAWAY,
RALPH H. CARY,
LeROY S. AUSTIN,
HARRY E. WHITTEN,
LESLIE F. ALLEN,
DONALD REDFERN,
JOHN A. WALDO,

Finance Committee.

Voted, Article 1. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the Board of Water and Sewerage Commissioners be authorized to make such additions and improvements to the sewer pumping system on Humphrey street as may be necessary to adequately dispose of the sewage and to that end may purchase and install additional pumps and equipment, build a new chamber and pit or enlarge the present chamber and pit, purchase and install sewer pipes and connections and make a contract or contracts therefor in accordance with the by-laws of the town. And that the sum of \$15,000 be appropriated therefor; \$5,000 of which shall be raised in the tax levy of the current year and used for the purpose of pumps and equipment and the balance of \$10,000 be raised by transfer of \$10,000 out of the unexpended balances of sewer bonds heretofore issued.

Voted, Article 2. To accept the report of the Finance Committee and adopt their recommendations as follows:

That the sum of \$500.00 be appropriated for the purposes mentioned in said article.

Voted, Article 3. That for the purposes mentioned in this article, the time limit be extended 30 days.

Voted, Article 4. To accept the report of the Finance Committee and adopt their recommendations as follows:

That action under this article be indefinitely postponed.

Voted to dissolve at 8.02 P.M.

Attest:

RALPH D. MERRITT,
Town Clerk.

FOURTH OF JULY COMMITTEE

April 26, 1932.

John R. Hurlburt, Moderator, appointed the following committee for the town of Swampscott, to conduct the annual 4th of July celebration:

George J. Place, 55 Berkshire street, chairman; R. Wyer Greene, 78 Millett road; Loran J. Harvey, 55 Blaney street; Ralph Maxwell, 82 Millett road; Walter F. Reeves, 122 Greenwood avenue; Boardman G. Steadman, 31 Minerva street; Guy T. White, 142 Norfolk avenue.

Attest:

RALPH D. MERRITT,
Town Clerk.

PRESIDENTIAL PRIMARY

Tuesday, April 26, 1932

The Commonwealth of Massachusetts

Essex ss.

To either of the Constables of the Town of Swampscott in said County, Greeting:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said town who are qualified to vote in Primaries to meet in their respective precincts in said Swampscott, Tuesday, the Twenty-sixth day of April, 1932, at 2.00 o'clock P.M., for the following purposes:

To bring in their votes to the Primary Officers for the Election of Candidates of Political Parties for the following offices:

4 delegates at large to the National Convention of the Republican Party.

4 alternate delegates at large to the National Convention of the Republican Party.

12 delegates at large to the National Convention of the Democratic Party.

12 alternate delegates at large to the National Convention of the Democratic Party.

2 district delegates to the National Convention of the Republican Party, 6th Congressional District.

2 alternate district delegates to the National Convention of the Republican Party, 6th Congressional District.

2 district delegates to the National Convention of the Democratic Party, 6th Congressional District.

2 alternate district delegates to the National Convention of the Democratic Party, 6th Congressional District.

The polls will be open from 2 to 8 P.M.

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of said meeting as directed by vote of the town.

Hereof fail not, and make due return of this warrant, with your doings thereon, at the time and place of said meeting.

Given under our hands this seventh day of April, A.D., 1932.

R. WYER GREENE,
EDWARD LACROIX,

Selectmen of Swampscott.

A true copy. Attest:

FRANK H. BRADFORD, Constable.

RETURN ON THE WARRANT

Pursuant to the within warrant to me directed. I have notified the legal voters of Swampscott, by posting attested copies of said warrant at the Town Hall, Post Offices, at least one public and conspicuous place in each precinct in the town and at or in the immediate vicinity of each railroad station in Swampscott, on Monday, April 18, 1932, the posting of said notices being seven days before the time of said meeting.

FRANK H. BRADFORD, Constable.

PRESIDENTIAL PRIMARIES

Tuesday, April 26, 1932

In accordance with the foregoing warrant the voters of Swampscott assembled at the voting places in the several precincts and were called to order at 2 o'clock P.M. by the presiding officers. The warrant with the return thereon was read by the clerk in each precinct.

The following precinct officers were appointed by the Selectmen and qualified for same.

Precinct 1. Warden, Edward H. Jordan (R); Clerk, John H. Keating (D); Inspectors, Lewis A. Coleman (R); Robert L. Cunningham (D); Tellers, William H. Dow (R), Charles A. Bryson (D), Addie F. Nelson (R), Marion J. Champion (D).

Precinct 2. Warden, Louis N. Crocker (R); Clerk, John E. Coville (D); Inspectors, Carl J. Berry (R), Donald L. Sawyer (D); Tellers, Martha F. Duran (R), Belle M. Walsh (D), Laura J. Pollay (R), Warren J. Doherty (D).

Precinct 3. Warden, Stuart P. Ellis (R); Clerk, Albert Stone (D); Inspectors, Harold R. Young (D), Leonard H. Bates (R); Tellers, William H. McFarlane (R), Charles F. Watts (D), Alfred J. Duratti (D), John J. McLearn (R).

Precinct 4. Warden, Arthur C. Eaton (R); Clerk, Thomas J. McManus (D); Inspectors, James W. Robertson (R), John B. Cahoon (D); Tellers, Edward A. Sawyer (R), Bessie F. McGuire (D), Horace P. Fifield (R), Nellie McManus (D).

Precinct 5. Warden, Raymond H. Owen (R); Clerk, Thomas J. Boyce (D); Inspectors, Irving A. Curtis (R), W. Lawrence Kehoe (D); Tellers, John T. Morrison (R), Alice E. Leslie (D), Winnifred G. Jacobs (R), Mary G. Boyce (D).

Precinct 6. Warden, John T. Merchant (R); Clerk, Timothy J. Ryan (D); Inspectors, Harry G. Hutchinson (R), George H. Coan (D); Tellers, Charles H. Gallup (R), Frank G. Melvin (D), Flora E. Hooper (R), Anna M. Burke (D).

Precinct 7. Warden, Charles D. Addison (R); Clerk, Eustis B. Grimes (D); Inspectors, Charles M. Cahoon (R), Henry E. Acker (D); Tellers, Katherine Hodges (R), Helen E. Peach (D), Selwyn P. Drown (R), Annie L. Ward (D).

Precinct 8. Warden, Charles A. Flagg (R); Clerk, Cyril J. Gannon (D); Inspectors, Alfred H. Titus (R), Ellen Q. Lynch (D); Tellers, Olive E. Flagg (R), Margaret J. Duratti (D), Louis A. Flagg (R), Agnes T. Gannon (D).

The packages containing the ballots were delivered to the Inspectors at each precinct. The polls closed at 8 P.M. The ballot boxes registered correctly, and the checks on the voting lists were the same as the number of ballots cast.

Precinct 1	Republican 22	Democratic 35
Precinct 2	Republican 33	Democratic 23
Precinct 3	Republican 35	Democratic 23
Precinct 4	Republican 25	Democratic 21
Precinct 5	Republican 30	Democratic 21
Precinct 6	Republican 27	Democratic 24
Precinct 7	Republican 27	Democratic 52
Precinct 8	Republican 58	Democratic 24

Total vote cast: Republican, 257; Democratic, 223.

STATE PRIMARY WARRANT

The Commonwealth of Massachusetts

Essex ss.

To either of the Constables of the town of Swampscott in said
County Greeting:In the name of the Commonwealth of Massachusetts you are
hereby required to notify and warn the inhabitants of said town who
are qualified to vote in Primaries to meet in their respective pre-

cincts in said Swampscott on Tuesday, September 20, 1932, at twelve o'clock noon, for the following purposes:

To bring in their votes to the Primary Officers for the nomination of candidates of political parties for the following offices:

Governor, Lieutenant Governor, Secretary of the Commonwealth, Treasurer and Receiver-General, Auditor of the Commonwealth, Attorney-General, for this Commonwealth; Representative in Congress for 6th Congressional District; Councillor for 5th Councillor District; Senator for 1st Senatorial District; Two Representatives in General Court for 12th Representative District; County Commissioners and Sheriff for Essex County.

And for the election of the following officers: District Member of State Committee for each political party for the 1st Senatorial District, 24 members of the Republican Town Committee, 10 members of the Democratic Town Committee, 9 delegates to State Conventions of the Republican Party, 10 delegates to State Conventions of the Democratic Party.

All the above candidates and officers are to be voted for upon one ballot. The polls will be open from 12 M. to 8 P.M.

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of said meetings as directed by vote of the town.

Hereof fail not, and make due return of this warrant, with your doings thereon, at the time and place of said meeting.

Given under our hands this eighth day of September, A.D., 1932.

R. WYER GREENE,
EDWARD LACROIX,

Selectmen of Swampscott.

A true copy. Attest:

FRANK H. BRADFORD, Constable.

RETURN ON THE WARRANT

Pursuant to the within warrant to me directed, I have notified the legal voters of Swampscott, by posting attested copies of said warrant at the Town Hall, Post Offices, at least one public and conspicuous place in each precinct in the town, and at or in the immediate vicinity of each railroad station in the town on Monday, September 12, 1932, the posting of said notices being seven days before the time of said meeting.

FRANK H. BRADFORD, Constable.

STATE PRIMARY

Tuesday, September 20, 1932

In accordance with the foregoing warrant, the voters of Swampscott assembled at their voting places in the several precincts and were called to order at 12 o'clock noon by their presiding officers. The warrant calling the meeting with the return thereon was read by the clerk in each precinct.

The following were appointed precinct officers and qualified for same:

Precinct 1. Warden, Edward H. Jordan (R); Clerk, John H. Keating (D); Inspectors, Lewis A. Coleman (R), James A. Hegarty (D); Tellers, William H. Dow (R), Addie F. Nelson (R), Charles A. Bryson (D), Marion T. Champion (D).

STATE ELECTION

The Commonwealth of Massachusetts

Essex ss.

To either of the Constables of the town of Swampscott in said County Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of said town who are qualified to vote in Elections to meet in their respective precincts in said Swampscott on Tuesday, November 8, 1932, at 6.00 o'clock A.M., for the following purposes:

To bring in their votes to the Election Officers on one ballot for the following offices:

Presidential Electors, Governor, Lieutenant Governor, Secretary, Treasurer, Auditor, Attorney-General, Congressman, Councillor, Senator, Representatives in General Court (2), County Commissioners (2), Sheriff.

To vote Yes or No on the following questions:

Question No. 1 Law Proposed by Initiative Petition

Shall the proposed law which defines and legalizes the practice of chiropractics; establishes a board of registration of chiropractors and defines the number, mode of appointment, tenure, qualification and compensation of its members, and its powers and duties; provides for the preliminary qualifications, examination, certification, original registration and annual license of chiropractors and regulation of their practice, and defines the mode, subjects of and fees for examination, the mode of practice and penalties; and other matters related thereto, which are chiefly as follows:

That chiropractic be "the science or practice of locating and adjusting by hand the malpositions of the articulations of the human spine."

That any person, with one preceding year's residence in this Commonwealth and with degree from a qualified chiropractic school received at least one year prior to the date when this law takes effect, may, within ninety days after such date, be certified by the board at its discretion without examination.

That otherwise no person, except a member of the board of registration, shall practice chiropractic unless, being over twenty-one years of age, of good moral character and graduated from a reputable chiropractic school after personally attending courses of at least twenty-two hundred sixty-minute daylight hours given to per-

sons qualified to graduate from a public high school, he shall qualify by examination, pay a fee of twenty-five dollars and be registered and certified; except that any person licensed in another State maintaining standards equal to those of this Commonwealth may be registered without examination.

That the examination be scientific and practical in character, in subjects including anatomy, physiology, symptomatology, hygiene, sanitation, chemistry, histology, pathology, chiropractic analysis, and the principles and practice of chiropractic.

That the board may, after hearing, revoke a certificate for cause.

That the board shall make an annual report and shall keep public records of its proceedings and of the names of persons examined or registered by it and of the names and addresses of all registered chiropractors, who shall pay an annual license fee, promptly notify the board of any change in address and furnish such other information as the board may require.

That the board consist of three members, residents of the Commonwealth for three years, graduates of a chartered chiropractic school having power to confer degrees in chiropractic, to be appointed by the governor, with the advice and consent of the council, for a term of three years.

That the board have authority to administer oaths, summon witnesses and take testimony and adopt reasonable rules and regulations pertaining to their duties, and that they pay into the state treasury fees received by them, and that they receive compensation and reimbursement for expenses in such amounts as may be annually appropriated therefor not exceeding the amount of such fees.

Penalties are provided for practising chiropractic without holding a certificate or for using the words "Chiropractic Practitioner," the letters "D.C.," or any title or letters indicating engagement in such practice, or for buying, selling or fraudulently obtaining any diploma or record of registration.

It is further provided that the present law relating to the registration of physicians and surgeons and providing penalties for the unauthorized practice of medicine shall not be held to discriminate against registered chiropractors; but no chiropractor, unless registered as a physician or surgeon may practice obstetrics, or administer drugs, or perform surgical operations by the use of instruments, or hold himself out as and for other than a chiropractor, which was disapproved in the House of Representatives by a vote of 50 in the affirmative and 151 in the negative and in the Senate by a vote of 13 in the affirmative and 21 in the negative, be approved?

Yes	<input type="checkbox"/>
No	<input type="checkbox"/>

Question No. 2 Law Proposed by Initiative Petition

Shall the proposed law which provides for an additional method of nominating candidates for nomination, at the state primaries in September, by members of political parties, for those offices to be filled by all the voters of the Commonwealth at a state election.

It provides that the state conventions of the political parties, in each state election year, shall be held before and not after the state primaries, as now, namely, not later than June 15. In order to elect delegates to such party conventions, party primaries are established to be held on the last Tuesday in April. Among other things, these state conventions may endorse candidates for offices to be filled by all the voters and to be voted upon at the state primaries. Such endorsement places a candidate in nomination, at such state primaries, without the necessity of filing nomination papers. The name of the endorsed candidate is to be placed first on the ballot and against his

name is to be placed the words "Endorsed by (the name of political party) convention" in addition to the eight-word statement now authorized by law. Candidates endorsed by a party convention may accept said endorsement within ten days, and having so accepted may not withdraw.

It also provides for the election of district members of state committees and members of ward and town committees at the proposed party primaries in April, as well as delegates to the state party conventions, instead of at the state primaries in September, as now.

It also provides for the election of delegates to national conventions (to nominate candidates for President) at the proposed party primaries instead of at the primaries, now specially held for that purpose, and which existing law requires to be held on the last Tuesday in April (the same day proposed for the proposed party primaries).

It also provides for certain other new provisions of law and certain changes in existing laws, relating to holding state conventions and party primaries, the number and election of delegates to state conventions, the number of members at large of a state committee, and other matters, which in more detail chiefly are as follows:

State conventions are to be composed solely of delegates elected at the party primaries, and the number is to be one from each ward and town and one additional for every fifteen hundred votes or major fraction thereof above the first fifteen hundred votes cast at the preceding state election in such ward or town for the political party candidate for Governor, instead of a number now fixed by the state committee of each party (not less than one from each ward or town) and certain members designated by existing law.

The time, for notice to the State Secretary by aldermen or selectmen of their determination to hold primaries by wards, precincts or groups of precincts, to be March 1, instead of August 1, as now.

The names of candidates for election for delegates to a state convention and for district members of a state committee to be arranged individually by alphabet instead of in groups arranged by lot, as now.

Vacancies in the office of delegate to a state or national convention not to be filled except in case of a tie vote, and then by delegates from the same district, within ten days, and if no other delegate or if not so filled, then by a state committee, rather than solely by the remaining members of the delegation; and statement of filling of such vacancy to be filed with the State Secretary.

Seating of delegates at state conventions to be in groups by senatorial districts, and order of business at said conventions defined.

Voting on candidates, by a convention, to be by roll call, if more than one candidate for the office, or by groups of delegates unless any member of such group objects.

The number of members at large of a state committee of a political party to be fixed by the state convention of a party instead of by the state committee, as now.

The existing provisions as to preparation and filing of nomination papers, objections to nominations, preparation, number, substance, arrangement and form of ballots, hours during which polls shall be open, opening of ballot boxes, canvass and return of votes, return and certification of votes, now applicable to state primaries to be applicable to the proposed party primaries.

The power of a state committee to fix the number of district delegates to a national convention to be continued, but the date, of

giving notice to the State Secretary, of such fixation to be March 1 instead of on or before the third Wednesday in March, as now.

The power of city and town committees to fix the number of members of ward and town committees to be continued, but the date, of giving notice to the State Secretary, of such fixation to be March 1 instead of August 1, as now, which was approved in the Senate by a vote of 21 in the affirmative and 17 in the negative and was disapproved in the House of Representatives by a vote of 62 in the affirmative and 138 in the negative, be approved?

Yes	<input type="checkbox"/>
No	<input type="checkbox"/>

Question No. 3

Proposed Amendment to the Constitution of the United States

Is it desirable that the proposed amendment to the Constitution of the United States,—

“ARTICLE—

“Section 1. The terms of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives at noon on the 3d day of January, of the years in which such terms would have ended if this article had not been ratified; and the terms of their successors shall then begin.

“Sect. 2. The Congress shall assemble at least once in every year, and such meeting shall begin at noon on the 3d day of January, unless they shall by law appoint a different day.

“Sect. 3. If, at the time fixed for the beginning of the term of the President, the President elect shall have died, the Vice President elect shall become President. If a President shall not have been chosen before the time fixed for the beginning of his term, or if the President elect shall have failed to qualify, then the Vice President elect shall act as President until a President shall have qualified; and the Congress may by law provide for the case wherein neither a President elect nor a Vice President elect shall have qualified, declaring who shall then act as President, or the manner in which one who is to act shall be selected, and such person shall act accordingly until a President or Vice President shall have qualified.

“Sect. 4. The Congress may by law provide for the case of the death of any of the persons from whom the House of Representatives may choose a President whenever the right of choice shall have devolved upon them, and for the case of the death of any of the persons from whom the Senate may choose a Vice President whenever the right of choice shall have devolved upon them.

“Sect. 5. Sections 1 and 2 shall take effect on the 15th day of October following the ratification of this article.

“Sect. 6. This article shall be inoperative unless it shall have been ratified as an amendment to the Constitution by the legislatures of three-fourths of the several States within seven years from the date of its submission,”—be ratified by the General Court?

Yes	<input type="checkbox"/>
No	<input type="checkbox"/>

The polls will be open from 6 A.M. to 6 P.M.

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of said meeting as directed by vote of the town.

Hereof fail not, and make due return of this warrant, with your doings thereon, at the time and place of said meeting.

Given under our hands this twentieth day of October, A.D., 1932.

R. WYER GREENE,
EDWARD LACROIX,

A true copy. Attest:

Selectmen of Swampscott.

FRANK H. BRADFORD, Constable.

RETURN ON THE WARRANT

Pursuant to the within warrant to me directed, I have notified the legal voters of Swampscott, by posting attested copies of said warrant at the Town Hall, Post Offices, at least one public and conspicuous place in each precinct in the town, and at or in the immediate vicinity of each railroad station in Swampscott on Thursday, October 27, 1932, the posting of said notices being seven days before the time of said meeting.

FRANK H. BRADFORD,
Constable.

NATIONAL AND STATE ELECTION

Tuesday, November 8, 1932

In accordance with the foregoing warrant the voters assembled at the voting precincts in town and were called to order at 6 A.M., by their presiding officers. The warrant calling the meeting with the return thereon was read by the clerk of each precinct.

The following were appointed precinct officers, and qualified for same:

Precinct 1. Warden, Edward H. Jordan; Clerk, John H. Keating; Inspectors, Lewis A. Coleman, James A. Heggarty; Tellers, William H. Dow, Addie H. Nelson, Charles A. Bryson, Marion T. Champion.

Precinct 2. Warden, Louis N. Crocker; Clerk, John E. Coville; Inspectors, Carl J. Berry, Donald L. Sawyer; Tellers, Martha F. Duren, Charles R. Dudley, Belle M. Walsh, Warren J. Doherty.

Precinct 3. Warden, Stuart P. Ellis; Clerk, Albert Stone; Inspectors, Leonard H. Bates, Harold R. Young; Tellers, William H. McFarlane, George F. Clay, Charles F. Watts, Alfred J. Duratti.

Precinct 4. Warden, Edward A. Sawyer; Clerk, Thomas J. McManus; Inspectors, John B. Cahoon, Leon W. Howard; Tellers, Horace P. Fifield, Dorothy Farnum, Bessie F. Maguire, Nellie M. McManus.

Precinct 5. Warden, Raymond H. Owen; Clerk, Thomas J. Boyce; Inspectors, Irving A. Curtis, Walter L. Kehoe; Tellers, John T. Morrison, Alice E. Leslie, Winnifred G. Jacobs, Annie L. Hanley.

Precinct 6. Warden, John T. Merchant; Clerk, Timothy J. Ryan; Inspectors, Harry G. Hutchinson, George H. Coan; Tellers, Flora E. Hooper, Charles N. Gallup, George Chaisson, Anna M. Burke.

Precinct 7. Warden, Charles D. Addison; Clerk, Eustis B. Grimes; Inspectors, Charles M. Cahoon, Henry E. Acker; Tellers, Selwyn P. Drown, Harvey L. Southward, Helen E. Peach, Annie L. Ward, George E. Devitt, Kenneth Easterbrook.

Precinct 8. Warden, Charles A. Flagg; Clerk, Cyril J. Gannon; Inspectors, Alfred H. Titus, Ellen Q. Lynch; Tellers, Olive E. Flagg, Louise A. Flagg, Margaret J. Duratti, Annie T. Connors, Patience C. Gannon, Catherine Hodges.

The balloting was started at 6 A.M., the count started at 2 o'clock P.M. The result was declared at 9.12 P.M.

There were cast in:

Precinct 1.	587	1	A.V.	588	Total
Precinct 2.	635	5	A.V.	640	Total
Precinct 3.	540	13	A.V.	553	Total

William F. Shanahan (D)	1498	+	2
Blanks	193	—	3

Attest:

ROBERT B. HEGARTY,
WILLIAM J. LYNCH,
ARTHUR C. EATON,
RALPH D. MERRITT, Clerk,
Board of Registrars.

SPECIAL TOWN MEETING

Monday, December 5, 1932

Essex ss.

To either of the Constables of the town of Swampscott in said County

Greeting:

In the name of the Commonwealth of Massachusetts you are directed to notify the inhabitants of the town of Swampscott, qualified to vote in elections and town affairs to assemble in the Town Hall in said Swampscott on Monday the fifth day of December at 8 P.M., then and there to act on the following articles, viz:

Article 1. To see if the town will vote to appropriate from the Excess and Deficiency Fund the sum of \$15,000 to be allotted to the various departments and to be used under the direction of the Board of Selectmen for emergency work for the relief of unemployment.

Article 2. To see if the town will vote to appropriate from the Excess and Deficiency Fund the sum of \$1,000 for the Reserve Fund for the use of the Finance Committee in relieving the needs of the various departments.

Article 3. To appropriate and raise by borrowing, under any general or special law, which authorizes the town to borrow money, or otherwise, such sum or sums of money as may be necessary for any or all of the purposes mentioned in the foregoing articles.

And you are directed to serve this warrant by posting attested copies thereof at the Town Hall, the Post Offices, at least one public and conspicuous place in each precinct in the town, and at or in the immediate vicinity of each railroad station in the town, seven days before the day appointed for said meeting.

Hereof fail not, and make due return of this warrant, with your doings thereon, to the Town Clerk at the time and place of meeting aforesaid.

Given under our hands this twenty-fifth day of November, 1932.

R. WYER GREENE,
EDWARD LACROIX,

Selectmen of Swampscott.

A true copy. Attest:

FRANK H. BRADFORD, Constable.

RETURN ON THE WARRANT

Pursuant to the within warrant to me directed, I have notified the legal voters of Swampscott, by posting attested copies of said warrant at the Town Hall, Post Offices, at least one public and conspicuous place in each precinct in the town and at or in the immediate vicinity of each railroad station in Swampscott, on Monday, November 28, 1932, the posting of said notices being seven days before the time of said meeting.

FRANK H. BRADFORD, Constable.

SPECIAL TOWN MEETING

Monday, December 5, 1932

In accordance with the foregoing warrant, the town meeting members assembled at the Town Hall, and were called to order by John R. Hurlburt, Moderator, the necessary quorum being present. (75 members.)

The warrant with the return thereon was read by the Town Clerk.

The report of the Finance Committee was read by C. Frank Hathaway, Chairman.

TO THE MEMBERS OF THE LIMITED TOWN MEETING:

Article 1. The Finance Committee, co-operating with the Board of Selectmen and various others, have made a careful examination of this article which is in the nature of an emergency measure to provide work for those persons who, through no fault of their own, now find themselves wholly dependent upon the town for assistance. To properly provide for them, we recommend the following sums be appropriated from the Excess and Deficiency Fund:

Cemetery	\$8,000.00
Park	3,200.00
Highway	2,000.00
Tree Warden	1,200.00
Selectmen	600.00

All to be expended under the direction of the Board of Selectmen.

In making these allotments, it has been figured on the basis of a four-dollar day, five days a week for a period of twenty weeks, which would bring it to approximately May 1, 1933. This allows for twenty men at the cemetery, eight men at the parks, three with the Tree Warden, and five with the Highway Department. On this basis

work can be provided for at least thirty-six men each week during this period.

Article 2. It will be necessary for the purpose of relieving the needs of the departments hereinafter referred to that the following amounts be appropriated from the Excess and Deficiency Fund—a total of \$945.75—to be divided as follows:

Election and Registration	\$500.00
Town Hall	200.00
Parks	150.00
Sealer of Weights and Measures	79.09
Veterans' Exemption	16.66

These amounts have in all cases been necessarily incurred as a result of unforeseen and extraordinary circumstances.

Article 3. There being no action necessary under this article, we recommend that action thereon be indefinitely postponed.

Respectfully submitted,

C. FRANK HATHAWAY,
JOHN A. WALDO,
LEROY S. AUSTIN,
DONALD REDFERN,
LESLIE F. ALLEN,
PAUL W. BRICKETT,
RALPH H. CARY.

Voted, Article 1. To accept the report of the Finance Committee, and adopt their recommendations as follows:

That the following sums be appropriated from the Excess and Deficiency Fund:

Cemetery	\$8,000.00
Parks	3,200.00
Highway	2,000.00
Tree Warden	1,200.00
Selectmen	600.00

All to be expended under the direction of the Board of Selectmen. (Unanimous.)

Voted, Article 2. To accept the report of the Finance Committee, and adopt their recommendations, as follows:

That the following amounts be appropriated from the Excess and Deficiency Fund, a total of \$945.75 to be divided as follows:

Election and Registration	\$500.00
Town Hall	200.00
Parks	150.00
Sealer of Weights and Measures	79.09
Veterans' Exemption	16.66

Voted, Article 3. To accept the report of the Finance Committee, and adopt their recommendations as follows:

That action under this article be indefinitely postponed.

Voted to dissolve at 8.30 P.M.

Attest:

RALPH D. MERRITT, Town Clerk.

RECOUNT OF VOTES

December 12, 1932.

The Board of Registrars of the town of Swampscott, held a recount of votes cast for the Secretary of the Commonwealth, as petitioned for by John F. Buckley, on the above date. The Registrars were assisted by Harry E. Cahoon, Eustis B. Grimes, George J. Place, Frank G. Melvin, Harvey Southward, Thomas Boyce, Walter

L. Kehoe, George E. Devitt, Edward S. Farmer and George F. Clay.
The result was as follows:

For Secretary

John F. Buckley (D)	1173	+	6
Frederic W. Cook (R)	3573	—	4
Albert S. Coolidge (SP)	42		
Max Lerner (CP)	6	—	1
Albert L. Waterman (SL)	17	+	1
Blanks	248	—	2

ROBERT B. HEGARTY,
WILLIAM J. LYNCH,
ARTHUR C. EATON,
RALPH D. MERRITT, Clerk,
Board of Registrars.

Attest:

RALPH D. MERRITT,
Town Clerk.

Paid Town Treasurer \$170.00

Attest:

RALPH D. MERRITT,
Town Clerk.

THE COMMONWEALTH OF MASSACHUSETTS
Department of Corporations and Taxation
DIVISION OF ACCOUNTS
STATE HOUSE, BOSTON.

January 28, 1932.

To the Board of Selectmen, Mr. R. Wyer Greene, Chairman, Swampscott, Massachusetts.

Gentlemen: I submit herewith my report of an audit of the books and accounts of the town of Swampscott for the period from July 1 to December 31, 1931, made in accordance with the provisions of Chapter 44 of the General Laws. This is in the form of a report made to me by Mr. Edward H. Fenton, Chief Accountant of this Division.

Very truly yours,

THEODORE N. WADDELL,
Director of Accounts.

Mr. Theodore N. Waddell, Director of Accounts, Department of Corporations and Taxation, State House, Boston.

Sir: In accordance with your instructions, I have made an audit of the books and accounts of the town of Swampscott for the period from July 1 to December 31, 1931, and submit the following report thereon:

The books and accounts in the town accountant's office were examined and checked. The recorded receipts were checked with the records of the several departments collecting money for the town and with the treasurer's books, while the recorded payments were checked with the selectmen's warrants authorizing such payments and with the treasurer's cash book.

An analysis of the accountant's ledger was made, a trial balance was taken off, proving the accounts to be in balance, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town as of December 31, 1931.

The books and accounts of the town treasurer were examined and checked. The recorded receipts were checked with the accountant's books and with the sources from which the money is being paid into the town treasury, while the payments were checked with the warrants of the selectmen authorizing the treasurer to disburse town funds. The cash balance was verified by a reconciliation of the bank statements and by an actual count of cash in the office.

The securities of the trust and investment funds were personally examined and checked in detail. The income was proved and the disbursements were verified.

The accounts of the town collector were examined and checked. The commitment of taxes, of departmental accounts receivable, of motor vehicle excise taxes, and of special assessments were verified, the recorded collections were compared with the payments to the treasurer, the abatements, as recorded, were checked with the records of the departments authorized to grant such abatements, and the outstanding accounts were listed and proved. A further verification of the outstanding accounts was made by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the outstanding accounts, as listed, are correct.

The commitment of water charges was examined and checked in detail. The abatements were checked to the water department

records, the payments to the treasurer were checked to the treasurer's books, the outstanding water accounts were listed, and the necessary adjusting entries were made to effect a reconciliation with the accountant's ledger.

The deeds representing the tax titles taken by the town were examined, listed, and proved to the accountant's ledger.

The town clerk's records of dog and sporting licenses issued were examined, and the payments to the county and the State, respectively, were verified with the receipts on file and by a count of the cash on hand.

The records of receipts from rent of the town hall, library fines, sealer of weights and measures, police, and cemetery departments, and from licenses issued by the selectmen, building inspector, and health department were examined. The recorded payments to the treasurer were checked to the treasurer's books and the outstanding accounts were listed and checked to the accountant's ledger.

Appended to this report, in addition to the balance sheet, are tables showing a reconciliation of the treasurer's cash, summaries of the tax, water, and departmental accounts, together with tables showing the condition of the several trust and investment funds.

For the co-operation received from the several town officials during the progress of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

EDW. H. FENTON,
Chief Accountant.

THE COMMONWEALTH OF MASSACHUSETTS
Department of Corporations and Taxation
DIVISION OF ACCOUNTS
STATE HOUSE, BOSTON.

September 6, 1932.

To the Board of Selectmen, Mr. R. Wyer Greene, Chairman, Swampscott, Massachusetts.

Gentlemen: I submit herewith my report of an audit of the books and accounts of the town of Swampscott for the period from January 1 to June 30, 1932, made in accordance with the provisions of Chapter 44 of the General Laws. This is in the form of a report made to me by Mr. Edward H. Fenton, Chief Accountant of this Division.

Very truly yours,

THEODORE N. WADDELL,

Director of Accounts.

Mr. Theodore N. Waddell, Director of Accounts, Department of Corporations and Taxation, State House, Boston.

Sir: As directed by you, I have made an audit of the books and accounts of the town of Swampscott for the period from January 1 to June 30, 1932, and submit the following report thereon:

The financial transactions of the town, as recorded on the books of the several departments collecting money for the town or committing bills for collection, were examined and checked to the records of the treasurer and town accountant.

The town accountant's books and accounts were examined and checked, the recorded receipts being compared with the records of the several departments and with the treasurer's books. The payments, as recorded on the accountant's ledger, were compared with the selectmen's warrants and with the treasurer's cash book.

The ledger accounts were analyzed, a trial balance was taken off, and a balance sheet showing the financial condition of the town as of June 30, 1932, was prepared and is appended to this report.

The appropriations and transfers as recorded in the accountant's ledger were checked to the town clerk's records of town meeting proceedings.

The books and accounts of the town treasurer were examined. The receipts, as recorded in the cash book, were checked to the records in the several departments collecting money for the town and with the other sources from which money was paid in to the town treasury, while the recorded payments were checked with the warrants of the selectmen authorizing the town treasurer to disburse town funds, and with the accountant's books.

The cash balance was verified by a reconciliation of the various bank statements and by an actual count of the cash in the office.

The books and accounts of the town collector were examined. The commitments of taxes and assessments were checked with the assessors' warrants for their collection. The recorded abatements were checked to the assessors' records of abatements granted, and the recorded collections were checked with the payments to the treasurer as recorded in the treasurer's and the accountant's books. The cash balance on July 6, 1932, was verified.

The taxes transferred to tax titles were checked with the records of tax titles held by the town, and the outstanding accounts were listed and reconciled with the accountant's ledger accounts. As a further verification of the outstanding accounts, notices were mailed

to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

The commitments of water rates, services, interest, and rent were examined and checked. The recorded abatements were checked to the records of abatements granted by the water department. The collections were checked with the payments to the treasurer as shown on the treasurer's cash book, and the outstanding accounts were listed and reconciled to the controlling accounts in the accountant's ledger.

The accounts receivable, as billed by the various departments, were examined, the commitments were proved, the recorded payments to the treasurer were checked to the treasurer's cash book, and the outstanding accounts were listed and checked to the accountant's ledger.

The town clerk's records of dog and sporting licenses issued were examined, and the payments to the county and State were verified with the receipts on file.

The surety bonds furnished by the various town officials for the faithful performance of their duties were examined and found to be in proper form.

In addition to the departments mentioned, the records of town hall rentals, of the sealer of weights and measures, of the library, park, and cemetery departments, as well as the records of licenses or permits issued by the selectmen, building inspector, plumbing inspector, and health department, were examined.

In addition to the balance sheet, there are appended to this report tables showing a reconciliation of the treasurer's and the collector's cash, together with summaries of the taxes, water, and departmental accounts receivable.

For the co-operation received from the various departmental officials while engaged in making the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

EDW. H. FENTON,
Chief Accountant.

Report of the School Committee

To the Citizens of Swampscott:

The School Committee herewith submits its annual report.

For some years, the committee has done all in its power to raise the standard of the Swampscott schools to as high a level as possible. We feel that this is being accomplished by financing only the essential things.

The committee sincerely hopes that the present economic conditions will not bring about a lowering of this standard.

Respectfully submitted,

ELEANOR H. INGELFINGER, Chairman,
MARION C. MILLER,
HARRY D. LINSOTT,
RALPH MAXWELL,
THOMAS S. BUBIER.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee of the town of Swampscott:

Ladies and Gentlemen:

I submit herewith my annual report as superintendent of the schools of Swampscott for the year 1932.

Beyond any question, the item which has demanded the most persistent attention this year has been that of finances. Our appropriation from the town was a generous one, granted with the ex-

pressed faith of the Finance Committee that the moneys would be expended with due regard for value received and with economy the end in view. I interpreted such a condition to carry with it the expectation that as large a sum as possible would be returned to the town as an unexpended balance, and I have made every effort to bring that to pass. In this effort I have received the whole-hearted co-operation of every member of this department. Any success that has been attained is due to no individual but to the entire staff of teachers and janitors combined. We have tried to measure our requests by our actual needs. We find ourselves at the close of the year with a balance of \$5,913.74, and this would have been somewhat larger except for emergency repairs to the walls, clocks and boiler of the Hadley school that, fortunately for us, became urgent just at the moment when we had the money available.

The question of finances is still with us, and it is no time for anything but the utmost frankness in all matters of municipal finance. Schools, in general, more than any other department, are under fire by a few who are insincere for their own ends, and by more who are well intentioned but uninformed.

Perhaps President Robert M. Hutchins of the University of Chicago has stated the situation as concisely for the schools as it can be stated. Speaking before a recent meeting, he said: "But the things that communities propose to do in the hysteria of economy far surpass the wildest aberrations of bull market days. We hear a deal about frills. What are frills? Teachers' salaries appear to be frills in some cities. The health of school children is a frill in others. Since night schools are frills in one community, we close them and throw 75,000 people into the street. The plain fact is that the schools are under attack because it is easier to get money from them than it is to correct the fundamental iniquities of local government."

I believe that the people of Swampscott will stand behind this School Committee in its avowed policy of providing the best teachers that can be obtained to teach the children of the town, and to secure enough of them to assure classes of a teachable size. In this connection, a five-year comparison of expenditures reveals the following condition:

We expended	In 1926-1927	In 1931-1932
For Instructional Salaries	\$112,451.00	\$177,181.00
For all other expenses	42,283.00	42,432.00
Number of teachers	64	81

In other words, all except \$149.00 of the increased total costs of the schools over that period has gone towards carrying out that policy. The best teachers available have been obtained, and the number of them has been increased more than 25 per cent. A refusal to support the policy of the committee now can be interpreted only as a decision that the best teachers and classes of a teachable size are not desired. It is inconceivable that an enlightened community could arrive at such a decision.

School people are not opposed to economy in the abstract, or to definite economies in particular. The school official who is not at this time scrutinizing his expenditures and his budget with an eye to every cut consistent with sound educational procedure is not representative of the best among school officials.

School people believe that only substantial reasons of fact and necessity in a particular instance may be held valid for taking any action either for reducing or advancing expenditures. The argument that other places are reducing or advancing is not an argument of weight in determining what should be done in a given community.

any more than the fact that you have no automobile is a reason why your neighbor should have to give up his. The simple fact, so far as Swampscott is concerned, is that up to the present moment nobody has shown any great necessity for a drastic change in either direction. On the contrary, in spite of its generosity in providing for its schools the town has not been called on to an extent comparable with most others. The latest reports from the State Department of Education indicate that there is valuation to the amount of \$14,541.00 behind each pupil in our public schools. Only three other towns in the 83 with which we are compared have greater per pupil wealth available. We have expended from local taxation per \$1,000.00 valuation the amount of \$7.48 a pupil. Only six other towns have expended less.

The preparation of a budget for the year 1933 is a serious matter. We must cut, it appears, and still we must maintain the schools at a standard which will assure our children an adequate education. The way for some reduction seems assured by steps already taken, but it will be slight.

For example, the reorganization of the High School Course of Study, which involved among other things the elimination of Spanish from the curriculum, secured for this year at least a better distribution of pupils to classes and eliminated a teacher. There is a possibility that she must be replaced in another department in September.

Careful management of athletics at the High School has relieved us of about half of the anticipated costs in that direction. We can go the rest of the distance and be free entirely from now on, if the town will enclose a playground so that admission fees may be charged to High School games. The proposition that was under way to this end last year went awry somewhere through a misunderstanding, but an article is to be inserted in the annual town meeting warrant to cover the situation this spring. The Park Commissioners are unanimously behind this project. The School Department budget can profit by a reduction of about \$800.00 annually if this movement is successful.

I would not recommend reduction in the purchase of books or of supplies. We have not yet reached the point where we have a sufficient number of the former, although we have striven towards that end. Next year our bookkeeping texts at the High School should be replaced entirely. They not only are not of an up-to-date edition but from a teaching standpoint they do not meet the requirements of methods that are generally considered most effective by those whose business it is to know. We should likewise complete the purchase of language texts for the grades begun this year, and start the introduction of health readers for the intermediate grades. These steps, together with the ordinary necessary replacements of worn out volumes, will hardly make possible a reduction at this point below the expenditures of 1932, although it will allow a request less than the budgeted figure for this year.

In the matter of supplies, most businesses would lay in a heavy stock with conditions as they are in school business today. Prices have never been lower in my experience. We have not only prospects but absolute assurance of good business for years to come. Buying in considerable volume now would be money saved over a period of time.

Building repairs are always an uncertain quantity. This year at the moment when it appeared that favorable prices had saved us a considerable sum in that direction, we were confronted with heavy

and unanticipated demands at the Hadley Junior High School where ventilator tops and leaking walls demanded attention and ate up part of our surplus.

There are many items demanding consideration for next year. The Hadley Junior High and Elementary buildings should be painted outside. More ventilator work should be done on the Junior High School to assure safety and to complete what was begun last summer. The windows on the north side of the Stanley School should be weather-stripped, both for comfort and for the saving of fuel. The water available at the High School becomes less and less, apparently indicating that the pipes are practically sealed with corrosion. There are times in the day when the science laboratory cannot be used at all for lack of water. A new and larger supply pipe seems a necessity. Several floors in the Clarke School have splintered to the point that they should be relaid. With the leaks stopped in the Hadley School, several sections of wall in the stair wells must be replastered before they can be repainted. Fully half the rooms in the building need painting.

The Clarke School basement and heating plant still present a problem. Five separate fires are now required to heat an eight room building. This is most expensive. Moreover, unless I misjudge the situation, a new heating plant is going to be not merely desirable, but actually necessary, within a comparatively short time. Cracks have developed in the built-in fire pots which, if they enlarge, will contaminate the fresh air supply to the class rooms with coal gas. From the very nature of the construction there is no way to prevent this with the present system. Rebuilding the pots will involve no small outlay. We can delay and have a serious problem on our hands at an inconvenient time (doubtless in cold weather), or we can anticipate it and have a modern heating plant installed soon. I recommend serious consideration of this situation.

Nothing has been done at the High School to improve its condition, apparently within the memory of man. Within the last three years over \$5,000.00 has been expended there just to keep the building habitable, but it still leaks through the walls of the tower so that at times pails must be placed in the corridors below to catch the flow of water. It is useless to do any painting in that part of the building until this condition is remedied, but there is no reason for not painting every other part of the building.

Apparently the excuse for not doing such painting before was the fact that a new high school building was in prospect. In all that controversy, however, there was no proposition to abandon or tear down the present building. Indeed the present building with some slight alterations was to serve as an elementary school. It seems highly inconsistent, therefore, that the building should be allowed to go beyond its present state of gloominess and shabbiness when the intent is to keep it in operation; and it seems quite as inconsistent even to allow it to remain as it is with the certainty that we must continue to occupy it, not as an elementary school but as a High School as at present, without alteration, for an indefinite period to come. I recommend a considerable expenditure for renovating the High School next summer, even if some other buildings must be neglected for a year.

I have spoken previously of the reorganization of the High School curriculum. There were three distinct ends in view. Briefly, they were: (1) to provide a course better suited to the interests of many pupils outside of the College Preparatory and Commercial Course; (2) to eliminate from College Preparatory and Commercial

Courses pupils not essentially fitted to those courses, thus removing what have been hampering influences in those courses; (3) to make the Commercial Course essentially a vocational course, so far as our limited facilities permit, and in no sense a refuge for pupils who are misfits in the College Course.

The reorganization took the following form:

1. Manual Arts Course

- a. Provide ten periods of work per week each year centering directly about the shop, including Mechanical Drawing, Shop Mathematics and Shop Work. (Foods, Clothing, Household Management, etc., for girls.)
- b. Since many pupils in this course will enter industry through the trades or manufacturing end, provide a survey of business organization.
- c. Provide as other required academic work principally courses in the Social Studies (History, Economics, etc.,) and English.
- d. Provide elective opportunity in a foreign language, art, science, etc., for those who desire it.

2. Commercial Course

- a. Eliminate one foreign language. (Spanish)
- b. Bring up from the Junior High School the course in Commercial Geography, placing it in Grade 10 where it is usually placed.
- c. Introduce a course in Business Organization.
- d. Place additional stress on clerical work (filing, operating duplicating and computing machines, etc.)
- e. Provide opportunity for a pupil to follow an elective branch in which he is interested (foreign language, history, science, etc.)

In the Junior High School we are trying out in experimental form a course of study in Health for grades seven and eight, as evolved and organized by the Essex County Health Association. The course was attempted at the Danvers Junior High School last year and proved successful there. This year we were invited, with several other schools, to join in the experiment. In general, the work of grade seven is "Community Sanitation," and that of grade eight is "Elementary Physiology as Related to Health." To the extent that we have seen it, the course is well worked out, logical, practical and altogether worth while.

During the course of the year our teachers contributed voluntarily a sum of approximately \$1,000.00 to a fund administered by a committee of themselves for the relief of the unfortunate. This was in addition to their personal contributions to local charities, and it is, I believe, an act that has not been duplicated locally by any professional or social group.

On January 1, 1932, the School Department took into its employ the school nurse, formerly an employee of the Health Department. The change was made principally at the request of the Health Officer who found the school work requiring more time from his nurse than she could afford to give; but this department was glad to accept the change, feeling that there is plenty of work for a nurse in a system of this size. Indeed, most of our health work with children is such that we need constant contact between home and school. It is educative and co-operative, and a nurse whose principal connection is with the schools, rather than with some other agency that may demand her time at the inopportune moment, performs the task best.

An intelligent, tactfully energetic school nurse is an asset to any

school system. There is no ambassador who can better interpret the lessons of health to the home than she can, because she approaches the home at the point at which it is most vulnerable, namely, its children. Her personal professional interest is more assurance to a mother than reams of printed propaganda and impersonal data. The change, coming as it did at the moment when our attention was about to be focused on health work, was, in my opinion, a fortunate one for the schools.

You will be interested in several items relative to the High School as revealed by the report of the principal. He writes:

"The percentage of attendance increased from 94.35 to 95.08.

"The number of tardinesses declined from 363 to 253, or 33 1/3 per cent.

"Nearly one-third of the class of 1932 returned to the school as postgraduates in September, thirty in all. There are now twenty-eight enrolled. Fifty per cent of these were on the Honor Roll the second marking period, although as undergraduates only one of them had achieved such distinction. Such an excellent record is evidence of their serious purpose in coming back to school."

Mr. Gray's report on the college entrance situation is likewise of interest. Seventeen candidates for admission to college took College Board Examinations in June, and the successful outcome reflects credit upon both teachers and pupils. The following summary will show the results obtained in the examinations:

Of 24 subjects in which pupils were recommended by the school—23 were passed, 1 was failed.

Of 23 subjects in which the school merely consented to the examination—18 were passed, 5 were failed.

Of 12 subjects which the school required the pupil to take the examination on his own responsibility without school approval—8 were passed, 4 were failed.

Of subjects recommended, 95.8 per cent. were passed, and of the entire fifty-nine examinations 83 per cent. were passed.

* * * * *

I have always felt that a school should function in helping its graduates to find employment, and I am glad to quote from Mr. Gray in this connection:

"Although we have always been able to find positions for many pupils, a bureau is now functioning in our Commercial Department, whose purpose is to make contacts with business concerns. An attempt will be made to find out the nature of the training which they want, whether special or general, and to plan the commercial curriculum accordingly.

"Through letters and personal contacts twenty girls and boys have been placed in part-time positions since September."

The financial report for the year, as it appears on our books, follows:

Appropriation		\$203,175.00
Expenditures:		
General Control	\$7,252.29	
Instructional Service	157,960.37	
Operation of Plants	20,004.31	
Maintenance	5,891.83	
Capital Outlay	880.61	
Auxiliary Agencies	5,271.55	
		<hr/>
		197,261.26
Unexpended balance		<hr/>
		\$5,913.74

General receipts of the department	\$15.05	
Tuition received	1,973.95	
State Refund to Town on Account of Schools	16,499.33	
	<hr/>	
Total	\$18,488.33	
Net cost of schools		\$178,772.93
You will note that our net costs have remained practically unchanged for two years, contrary to general impression.		
Respectfully submitted,		
FRANK L. MANSUR,		
Superintendent of Schools.		

Report of School Nurse and Attendance Adjustor

To the Members of the School Committee:

Ladies and Gentlemen:

It is my privilege to submit to you at this time my first annual report as school nurse. This report is limited to facts that might seem worthy to be called to your attention and are given in the following statement:

Examinations

Physical	1308	
Vision	1128	
Hearing	480	
X-ray of Lungs	42	
Schick Test	587	
Uncleanliness	71	
Clinics	18	
	<hr/>	
Total examinations		3634

Defects Found

Heart	9	
Diseased tonsils	37	
Posture (Curvature of spine)	42	
Vision	47	
Hearing	72	
Miscellaneous	11	
	<hr/>	
		218

Defects Corrected

Vision	36	
Tonsils	12	
	<hr/>	
		48

Defects Under Treatment

Vision	11	
Tonsils	25	
Heart	9	
Posture	42	
Hearing	72	
Miscellaneous	11	
	<hr/>	
		170
	<hr/>	
Total		218

Where defects were found in our examinations of children, a personal contact has been made with the parents and most remedial defects corrected or treated, with the exception of defective hearing in which we are handicapped by a lack of proper facilities for testing and treatment that might apply to the pupils as a whole.

Much time has been given to the prevention of contagious diseases in the early part of the year and a careful check-up on home

conditions of children, with the result that we have practically no evidence in school children of the present economic condition.

Early in the year a financial contribution was made by the Swampscott teachers and proved a ready aid to families during the past winter for any need that might arise for clothing, food and medical care.

Many visits have been made during the year where there was poor attendance. In most instances it was found that it was not a question of truancy but a lack of understanding between the parents and the school. Parents have given us their co-operation and this condition has been practically eliminated. We find there is a great need for more and closer contact between the parents and the school and I hope as my work progresses that I will have even more time to devote to the problem of attendance.

Respectfully submitted,

MARY K. HAMMOND, R.N.,

School Nurse, Supervisor of Attendance.

The Board of Health

To the Citizens of Swampscott:

The Board of Health herewith submits its report for the year ending December 31, 1932, together with those of its various officers:

The past year has been the busiest we have had for several years.

During the year 591 communicable diseases have been reported, 350 cases of measles being reported during the first six months; 69 cases of scarlet fever were reported this year where only 6 were reported in 1931. The number of cases of whooping cough were somewhat less than those reported last year. None of the cases reported involved our milk supply.

Four new cases of pulmonary and one of hilum tuberculosis have been reported and three patients admitted to the Essex Sanatorium for treatment.

Owing to the prevalence of scarlet fever the immunization of children against diphtheria was postponed until fall, when 587 children in the public and parochial schools were given the Schick tests and needed immunization.

As the result of the work of our health nurse 106 parents had their children examined at the pre-school clinics held during the month of May. Many of the defects found during the examinations were corrected before the children entered school in September.

The usual spring and fall examinations have been made of the teeth of the children in the elementary grades and the parents notified where defects were found.

We are still receiving a great many complaints and expressions of dissatisfaction from those living in the vicinity of the various dumping places. The board realizes that the existing conditions are unsanitary and a menace to the health of those living near the dumps, and it agrees that the majority of the complaints are justified but it is unable to remedy the situation or abandon the dumps as long as the town elects to dispose of its waste material in that manner. The board feels that disposal by incineration should be adopted as soon as the financial resources of the town will permit it.

Injuries and the awarding of compensation by the Department of Industrial Accidents, and the possibility of similar occurrences, made it necessary for the board, in order to safeguard the town, to discontinue the practice of disposing of the clam shells, fish trimmings, etc. by dumping them at sea.

Satisfactory arrangements were made with the garbage contractor to care for the material at the same rate of compensation as paid under the old system of disposal.

The collections of ashes and garbage have been highly satisfactory during the past year.

As a matter of economy the board feels that the work of cleaning the beaches should be taken over by the highway department. We accordingly have not recommended an appropriation for the work the coming year.

On February 11, 1932, Earl E. Jenkins, 63 Suffolk avenue, was appointed assistant plumbing inspector to fill the vacancy caused by the death of Martin E. Nies.

For detailed information of the work of the department we refer you to the reports of our various officers.

Respectfully submitted,

LORING GRIMES, M.D.,
HAROLD H. BARTOL,
JOHN B. CAHOON,

Board of Health.

Health Officer

To the Board of Health:

Gentlemen:—I herewith submit the following report for the year ending December 31, 1932:

The following is a summary of the work of the department during the year.

PERMITS ISSUED

The following permits have been issued during 1932:

To keep fowl	106
To torch for fish	8
To Undertakers	3
To maintain dump	1
To remove night soil	1

The following licenses have been issued during 1932:

To sell alcohol	8
To manicure	4
To collect soap grease, etc.	1
To sell non-alcoholic beverages ..	1

The sum of \$26 has been collected for licenses and permits issued during the year, and said amount has been paid the collector and his receipt obtained.

Respectfully submitted,

CLARENCE W. HORTON,
Health Officer.

Dental Clinic

To the Board of Health:

Gentlemen:—I herewith submit the following report of the activities of the Dental Clinic for the year ending December 31, 1932:

All children of the six elementary grades of all the schools were examined and six hundred fourteen notification cards were sent to parents signifying defects of greater or lesser degree. Of those notified, four hundred seventeen signified their desire to have the clinic do the work and those children were put in healthy dental condition.

A detailed summary of operations follows:

Extractions (temp. teeth)	338
Extractions (perm. teeth)	31
Local anasthesia	276
Pulp capping	14
Fillings (perm. teeth)	563
Fillings (temp. teeth)	640
Prophylaxis	371
Miscellaneous	240
Spring examinations	915
Fall examinations	876
<hr/>	
Total	4264
Dental charts made out	614
Notification cards sent to parents ..	614
Complete mouths restored	417

Respectfully submitted,

JAMES J. FENELON, D.M.D.,
Dentist in Charge.

Milk Inspector

To the Board of Health:

Gentlemen:—I herewith submit the following report for the year ending December 31, 1932:

Two cases of typhoid fever were reported during the year. Investigation of the cases revealed that the patients had contracted the disease elsewhere.

As a result of a petition, known as House Bill No. 637, presented to the legislature last year by your inspector, an unpaid commission was appointed by the Governor to investigate the conditions relative to the production and sale of milk.

After a thorough investigation the commission recommended the creation of a Milk Regulation Board for the purpose of regulating the production, sale and distribution of milk.

Under the provisions of Chapter 305 of the Acts of 1932 such a board was created consisting of the Commissioner of Agriculture, the Commissioner of Public Health and the Attorney General, ex officio. The provisions of the act became effective on October 1, 1932.

The act provided that all persons who were producing milk for sale within the Commonwealth upon its effective date could continue to do so for a period not to exceed eighteen months from said date pending the issuance or refusal to issue a certificate of registration by the director of the division of dairying and animal husbandry of the department of agriculture.

It also further provided that any person engaged in the sale, handling and distribution of milk on the effective date thereof could continue to sell, handle and distribute milk without being registered for a period not to exceed twelve months pending his registration as a dealer by the said director.

In view of the passage of the above mentioned law no inspections of dairies have been made during the year.

The following licenses and permits have been issued during the year:

To dealers	23
To stores	58
To sell ice cream	37
To manufacture ice cream	4
To sell oleomargarine	1

The sum of \$45 has been collected for the licenses and permits issued during the year and the said amount has been paid to the Collector and his receipt obtained.

Respectfully submitted,

CLARENCE W. HORTON,

Milk Inspector.

Inspector of Plumbing

To the Board of Health:

Gentlemen:—I herewith submit the following report for the year ending December 31, 1932:

Plumbing permits issued	89
Installations approved	96

Beginning April 1, 1932, fees have been collected for all plumbing permits issued, in accordance with the by-laws. The sum of \$173.00 has been collected and the said amount paid to the Collector and his receipt obtained.

Respectfully submitted,

EDWARD C. PHILLIPS,
Plumbing Inspector.

Health Nurse

To the Board of Health:

Gentlemen:—I herewith submit a report of work for the year ending December 31, 1932:

Cases placarded	286
Children weighed for State Tuberculosis Clinic	107
Communicable disease investigations	99
Conferences with mothers of new babies	216
Consultations	596
Dental Clinic examinations	1174
Exclusions	26
Home visits	251
Number of clinics and meetings attended	38
Number examined for contagious diseases	6832
Physical examinations	892
Pre-school examinations	106
Schick Test	587
School visits	155
Visits for tuberculosis (adults)	8
Visits to home for State Tuberculosis Clinic	121
Miscellaneous	203

Respectfully submitted,

MARY G. KELLY, R.N.,
Health Nurse.

Board of Appeals

During the six months ending June 6, 1932, four petitions were heard, all of which were granted. The following is a resume of these hearings.

Number	Date	Petitioner	Petition
1932-1	Jan. 11	Pasquale Grieco	Build a two story piazza within set back area at 74 Rockland street. Decision: Petition granted. Neither the piazza or the overhang to extend beyond the points already established by the present piazza.
1932-2	Mar. 21	William L. & Elizabeth Mahan	To build within the set back area at 115 Aspen road. Decision: Petition granted.
1932-3	May 23	Joseph & Mary Queena	To build within the set back area at 2 Lodge road. Decision: Petition granted.
1932-4	May 23	Mary Quealy	To permit the construction of a piazza and steps within the set back area at 22 Pleasant street. Decision: Petition granted, provided she does not build nearer than two feet to the street line.

Respectfully yours,

GEORGE M. GLIDDEN,
RALPH MAXWELL,
WILLIAM O. TITCOMB,

Board of Appeals.

On May 26, 1932, the Board of Selectmen reappointed George M. Glidden, William O. Titcomb and Ralph Maxwell as members of the Board of Appeals for the term ending June 6, 1933.

The board met on June 20 and organized with the re-election of George M. Glidden as chairman for the fourth consecutive time. Horace R. Parker was re-elected secretary of the board. At this meeting it was voted that all variations granted shall be null and void unless the same are taken advantage of and carried out within one year from the date of granting; that the enforcing officer of the zoning by-laws, namely the Building Inspector, shall notify the board of the completion of the work for which a variation has been granted; that the Secretary shall notify the members of the board of any variations granted and not completed at the close of the year and he shall also make a notation on the public record in the office of the Town Clerk and stamp same null and void.

During the six months ending December 31, 1932, two petitions

were heard of which one was granted and one denied. The resume is as follows:

Number	Date	Petitioner	Petition
1932-5	June 20	Ernest Chandler	To build a garage within the set back area at 59 Walker road to be similar to property adjoining on northeast side and the one immediately adjoining that. Decision: Petition granted. Building to be not nearer than five feet to the sidewalk line, with the understanding that doors are to be kept closed when garage is not occupied.
1932-6	Nov. 28	Lillian A. Little	To restore and repair an unoccupied barn so as to permit the use partly as a residence and partly as a gift shop. Decision: Petition denied.

Respectfully yours,

GEORGE M. GLIDDEN,
RALPH MAXWELL,
WILLIAM O. TITCOMB,

Board of Appeals.

Board of Public Welfare

To the Citizens of Swampscott:

The Board of Public Welfare herewith submits its report for the year ending December 31, 1932:

All applications for welfare aid and relief have been thoroughly investigated and aid and assistance given where needed.

All applications for Old Age Assistance have also been investigated and relief and support granted where conditions warranted.

The board wishes to express its appreciation and thanks to the members of other boards and departments, the local Welfare Committee, and other organizations for their assistance and co-operation during the past year.

Respectfully submitted,

HARRY E. CAHOON,
JEANNETTE D. DARLING,
CLARENCE W. HORTON,

Board of Public Welfare.

REPORT OF THE SECRETARY

To the Board of Public Welfare:

Gentlemen:—I herewith submit the following report for the year ending December 31, 1932:

Summary of Temporary Relief

Families aided during the year	25
Families being aided at the present time	21
Families being aided by other cities and towns	17
Families with settlement in Swampscott	13
Families with settlements in other cities and towns	6
Families being aided at the expense of the State	6
Persons supported in State Institutions	5
Persons supported in Salem Home	1

Summary of Old Age Assistance

Number receiving relief and support during the year	7
Number of new applications received during the year	8
Number granted relief and support	4
Number of cases closed during the year	2
Number unable to prove age	1
Number having children able to support them	1
Number disqualified because of mental condition	1

Financial Report

Appropriation	\$20,000.00
Amount expended for salaries of board	350.00
Amount expended for clerical services	200.00
Amount expended for salary of secretary	150.00
Amount expended for transportation	75.00
Amount expended for stationery and postage	29.33
Amount expended for printing, supplies, etc.	34.17
Amount expended for relief in town	6,760.33
Amount expended for relief by other cities and towns..	4,850.80
Amount expended for care of persons in State Institutions	1,326.97
Amount expended for Mothers' Aid	627.42
Amount expended for Old Age Assistance	702.69
Amount reimbursed by the State	1,839.90
Amount reimbursed by other cities and towns	1,099.87
Amount reimbursed by the State for Mothers' Aid	532.90
Amount reimbursed by individuals	8.00
Amount due from the State	2,573.26
Amount due from other cities and towns	440.55
Amount due from the State for Old Age Assistance ...	221.56
Amount due from individuals	215.00

In concluding my second and final report as secretary I wish to take this opportunity of expressing my appreciation of the assistance and co-operation which the officers and members of the various boards and departments have given me during the past two years.

Respectfully submitted,

CLARENCE W. HORTON,

Secretary.

Report of Town Engineer

To the Board of Selectmen:

Gentlemen:—Herewith I submit my twentieth annual report of the service rendered by the Engineering Department for the various departments for the year ending December 31, 1932.

The Engineering Department has had charge of the following line of work: The designing and superintending the construction of all sewers and drains; resurfacing of all streets built by contract, together with the specifications and estimates for the same; the establishing of street lines and the grades for curbing and granolithic sidewalks, and all engineering questions which come before the boards of the several departments.

Sewers and Drains

The sewer system of the town has been extended about 100 feet in Ocean View road which was an emergency case.

The surface water drainage in many portions of the town is very inadequate to carry off the water at flood times.

The relief for such flooded sections can only be obtained by re-locating old drains and connecting them with existing surface water drains.

Aspen road drain connected a low area in Aspen road, near Sargent road. It is located through private property to Ocean View road; thence to Millett road drain, a distance of 510 feet.

The Puritan road drain discontinued an old drain through private property. It began at Tupelo road extending westerly in Puritan road and way to the beach for a distance of 1178 feet.

Hawthorne brook between Salem street and Harrison avenue has been enclosed in a 30" concrete pipe, which greatly improves the existing conditions within this thickly populated district.

Addition to Sewer Pumping Station

The addition to the sewer pumping station consisted of a water proof concrete pump pit 12'x16'x16' feet, in which was installed two vertical non-clog Yeoman sewage pumps; also a brick superstructure over same.

The large pump has a capacity of 4500 g. p. m. against a head of 70 feet and the same impeller is also designed for 650 g. p. m. against a head of 50 feet.

The operating speed not in excess of 720 r. p. m.

The impeller of the above pump is solid bronze two-port non-clogging with unusually wide blades, capable of passing 8" diameter solids, rags, and similar material.

The small pump has a capacity of 2000 g. p. m. against a head of 35 feet, and operates at a speed not in excess of 720 r. p. m.

The specifications of the impeller of the unit is the same as the large type, except being smaller in size and capable of passing 5" diameter solids, etc.

Both pumps were given a very severe test, pumping ten weeks settlement of sludge from the sewage basin. On removing the hand holes in the pumps we found them free of all clogging material.

As the result of the test all screens in the old basin have been removed and all of the town's sewage has an unobstructed flow to the pumps.

The pumping capacity of both pumps show a ten per cent increase over their respective rating.

Assessors' Department

The yearly routine work necessary to bring the plans and card index up to date for the Assessors' Department have been completed.

A new set of plans for this department are about completed and will replace the present ones, which have been in use for more than ten years.

Selectmen's Department

Data and estimates have been furnished for the Selectmen's Department and plans submitted for their approval.

At the request of property owners, street lines and grades have been given for the grading of lawns and building walls, etc.

Respectfully submitted,

WALLACE W. PRATT,
Town Engineer.

Trustees of the Public Library

To the Citizens of Swampscott:

The past year has witnessed a considerable increase in the use of the library. For instance, the reading of adult non-fiction was 36.5 per cent. greater, emphasizing anew the importance of the library as a means of adult education. In fact, it is the only opportunity for such education that the town offers. The demand for adult education in Swampscott is growing, and the library will make every effort to meet it.

The greater use of the library by the children is indicated by the increase of fifteen per cent. in the circulation of juvenile non-fiction, and of 104 per cent. in the circulation of juvenile periodicals. The children's room has enabled the library to meet this need.

The Sunday attendance from November to May was slightly greater than last year—adults, 166; students, 242; a total of 408 as compared with adults, 138; students, 256; a total of 394.

There were 1918 books added to the library during the year, the largest number during any similar period.

The total circulation of books and magazines was 82,163, an increase of 15,437, or 23 per cent. over last year.

Gifts have been made to the library by the following persons: Misses Sally and Susan Smith, Mrs. Weston K. Lewis, Masters Lawrence Williams and Alden Sleeper, Mrs. N. R. Jones, Mr. J. T. McDermott, Mrs. George Graham, Dr. Marion Cowen Burrows, Rev. Carl A. Seaward, Mr. John Albree, Dr. C. H. Bangs, Mrs. William Mangan, Mrs. Emma F. Austin, Mr. Alfred Craig, Mr. H. C. Whittemore, and the Swampscott Woman's Club.

Respectfully submitted,

GUSTAVUS J. ESSELIN, JR.,
ELIHU THOMSON,
LEE T. GRAY,

Board of Trustees.

REPORT OF LIBRARIAN

Circulation:

Adult fiction	47,283	
Adult non-fiction	9,804

Gasoline devices	26
Oil meters	5
Miscellaneous	47
Total	<hr/> 715

This department investigated all complaints received and the same were satisfactorily adjusted.

I wish to thank all those who helped and assisted me in the performance of my duty as sealer, also to express my appreciation for the co-operation received from the Lynn Sealers' Department.

Respectfully submitted,

C. WALTER BURRILL,
Sealer of Weights and Measures.

Building Inspector

To the Board of Selectmen:

Gentlemen:—I herewith submit the following report for the year ending December 31, 1932:

	Permits Issued	Estimated Cost
Dwellings:		
New	14	\$143,300.00
Alterations and additions	36	20,770.00
Private Garages:		
New	32	18,700.00
Alterations and additions	5	1,650.00
Business Buildings:		
Transformer building	1	3,800.00
Refreshment stand	1	6,000.00
Store alterations	1	150.00
Town Buildings:		
Storage building (Park Department)	1	1,500.00
Pumping station	1	825.00
Miscellaneous:		
Hen houses	3	100.00
Hotel annex addition	1	350.00
Filling station	1	2,000.00
Storage building	1	25.00
School house alterations	1	125.00
Dwelling and store	1	4,500.00
Dwelling and store alterations	1	1,000.00
Office building addition	1	1,200.00
Buildings demolished	2	
	<hr/>	
Building permits	104	
Permits to shingle	68	
	<hr/>	
Total	172	\$205,995.00
Number inspections (buildings)		306
Number inspections (shingling)		68
		<hr/>
Total		474

Elevator operators' licenses issued:	No.	Fees
New	5	\$5.00
Renewal	2	1.00
	<hr/>	<hr/>
	7	\$6.00

All hotels and elevators have been inspected and returns made to the State. Several complaints of violations of the building laws have been investigated and in all cases adjustments made.

Respectfully submitted,

FRANK L. BURK,
Building Inspector.

Report of the Board of Assessors

To the Citizens of Swampscott:

The Board of Assessors submits the following report for the year 1932. The property in the town assessed by the local assessors April 1, 1932, amounted to \$23,819,561.00, an increase over the previous year (1931) of \$127,664.00.

The real estate valuation April 1, 1932, was \$22,543,462.00, an increase over the previous year (1931) of \$19,811.00. The valuation of personal estate assessed by the local assessors April 1, 1932, was \$1,276,099.00, an increase over the previous year (1931) of \$107,853.00.

There was charged on the excise tax on automobiles for the year 1932, \$32,279.64. The valuation of the same (1932) was \$1,078,529, a decrease of charges over the previous year (1931) of \$5,935.87.

The following tables show how the assessors arrived at the tax rate:

Liabilities, Town of Swampscott, 1932

Town appropriations to be raised by taxation and receipts	\$679,098.82
Town appropriations, transfers	19,950.00
State assessments	20,818.05
State tax	34,320.00
Special State tax Old Age Assistance	3,236.00
County assessments	11,243.14
County tax	32,691.70
Water appropriation	67,500.00
Overlay of current year	5,500.00
Total	\$874,357.71

Assets, Town of Swampscott, 1932

Poll taxes	\$6,408.00
Old Age Assistance	3,236.00
Property valuation \$23,819,561 (\$26.40 per \$1000)	628,836.41
Transfers	19,950.00
Water receipts	67,500.00
Estimated receipts	128,181.35
Gasoline tax from State	20,245.95
Total	\$874,357.71

Assessors' Property Report

Valuation of the town of Swampscott April 1, 1932. Table of aggregate of polls, property and taxes as assessed April 1, 1932:

No. of persons, partnerships, corporations assessed on property	2,956

NOTE—This is not a town of Swampscott trust fund as defined by Chapter 282 of the General Acts of 1915, but is held by the Town Treasurer as Trustee for the Swampscott High School Alumni. It is included in this report in order that the members of the High School Alumni may be kept informed of its existence.

Respectfully submitted,

JAMES W. LIBBY,

Town Treasurer.

Treasurer of Trust Funds and Custodian of
all funds and securities, as provided for by
Chapter 282 of the General Acts of 1915.

HENRY S. BALDWIN,

WESTON K. LEWIS,

JAMES W. LIBBY,

Trust Fund Commissioners.

Report of Planning Board

At the annual election of the town of Swampscott, held February 15, 1932, Herbert E. Ingalls and John R. Hurlburt were elected to the Planning Board for a term of three years. These men, with Henry S. Baldwin, Ralph J. Curtis and George M. Glidden, whose terms held over, constituted the Planning Board of the town of Swampscott for the year 1932.

At the first meeting of the board, George M. Glidden was re-elected Chairman and John R. Hurlburt re-elected Secretary.

Report on Articles in Warrant

The first action of the board was to concern itself with the articles in the town warrant.

On article 14, calling for the replacement of broken street signs, the board recommended an amendment calling for the replacement of broken and lost street signs. The recommendation of the board was sustained.

On articles 21 and 22, calling for the taking of certain property and to construct a new bridge over the B. & M. R. R. at Essex street, the board recommended that they be referred back for further study and report. The recommendation of the board was sustained.

On article 42, calling for an amendment of the zoning by-law to permit the erection of an apartment house at 225 Humphrey street the board recommended indefinite postponement. The recommendation of the board was sustained.

On article 43, calling for an amendment of the zoning by-law to permit the erection of an apartment house at 175 Humphrey street, the board recommended indefinite postponement. The recommendation of the board was sustained.

On article 52, calling for the purchase of lots 675 and 678 on Assessors' Plan No. 11 for playground purposes, the board recommended that these lots be purchased by the Park Department for park purposes and used for playground purposes until such time as the Park Department might have other use for the land. The recommendation of the board was sustained.

Other Hearings

The board has held several meetings throughout the year with persons interested in the widening of certain streets. Unquestionably, the time will come when these widenings must be made. Due, however, to the financial situation, the board recommends no street widenings at this time.

Town Plan

A comprehensive town plan is being developed by the board. Many things must be done eventually. The town buildings are in practically the same condition as they were a year ago, and at some time in the near future some of them must be replaced or enlarged. These buildings include the town hall, police station and High School, the condition of which was covered fully in our last annual report. The board feels that the program as outlined in its report of last year should be put into effect as soon as financial conditions permit, bearing in mind the low cost of building at this time.

Proper Housing

The conditions in the so-called Foster Dam section have not improved. In fact, they grow more serious. Unless the town is willing to assume the expense required to take this property for park purposes as outlined in our report of last year, the only remaining solution is to have the streets put into proper condition by the abutters so that the town can accept them and lay water pipes.

Humphrey Street

The board has conferred with the Superintendent of Highways regarding the block pavement on Humphrey street. This pavement is in bad condition and dangerous. The fact that from time to time the surface bulges and might bring about a condition whereby the town would be liable for heavy damages causes us to recommend that the entire block pavement be removed and the surface relaid with some modern pavement.

B. & M. Railroad Bridge

The board has given considerable thought and study to the problem of straightening out the bridge over the Boston & Maine Railroad at Essex street. This is a bad condition, and although there have been comparatively few accidents, it is a spot of extreme danger. We have held meetings with persons interested in the widening of the bridge and with the county engineer and officials of the Boston & Maine Railroad and the Department of Public Works.

At present, there seems to be but two feasible propositions. The first would be to construct a new bridge ten feet wider, at a more favorable angle to the roadway, giving greater visibility and reducing the sharp curve at each end of the bridge. The total cost of this project is estimated as about \$11,000, of which the Boston & Maine Railroad would pay its proportionate part, estimated as approximately \$2500.00. It is the opinion of the board that this plan would greatly reduce the present traffic hazard. The second proposition would be to completely straighten out the highway at this point, as shown on a plan drawn by the town engineer. This would involve the construction of an entirely new bridge and abutments, together with a new section of highway, a total of about 1000 feet. It is estimated that this would cost approximately \$60,000 plus land damages, and that the proportionate share of the town would be about \$25,000.

From information now available, nothing more definite can be said until the town has expressed itself and placed the matter in the hands of the Selectmen for negotiation with the proper officials.

State Zoning By-Laws

The board recommends that the town adopt the amendments to the State Zoning By-Laws, allowing our laws to conform more fully with laws in other communities.

Walker Road Entrance to State Road

The junction of Walker road and the State road is poor. The curve is such that it makes a dangerous intersection. The board recommends that sufficient land be taken to eliminate this curve. The cost would be slight; the benefits great.

Conclusion

Due to the fact that the sentiment of the town is opposed to any program which calls for the spending of large sums, the work of the

board this year has been confined, in a great part, to preparing plans for the future. When conditions change, the board will be prepared to offer further definite proposals to the citizens of Swampscott.

Signed,

GEORGE M. GLIDDEN,
RALPH J. CURTIS,
JOHN R. HURLBURT,
HENRY S. BALDWIN,
HERBERT E. INGALLS.

Report of Superintendent of Cemetery

To the Board of Selectmen:

Gentlemen:—I herewith submit my seventeenth report as Superintendent of Swampscott Cemetery.

The number of interments for the year was 82. We are well supplied with lots but short of single graves. To meet the requirements for single graves one of the lots in the old part of the cemetery had to be changed into single graves.

The work being done as a part of the unemployed relief program will make a much needed improvement in the vicinity of the Chapel and will give us many more lots when the work is completed. All the avenues were regraded. The dead limbs which have been a source of danger in case of heavy winds were removed from the trees and in several cases the old trees were entirely removed and new ones planted where needed. Many of these old trees were taken down by persons who were in need of fuel and the wood was given them in return for their labor. Many shrubs were planted and lots seeded down as sold. Markers were made and set as soon as lots were completed.

Owing to disorders which took place one night when an automobile was driven into the cemetery after dark with resultant carousing, the Board of Selectmen ordered that all entrances be locked at 5 o'clock, thus excluding automobile travel without excluding pedestrians. Patrons did not, however, take kindly to the gates being locked, as the cemetery is used more in the evening than in the daytime. Many who come in automobiles are not able to walk to their lots and the rule was later suspended. My experience of years would lead me to believe that the main and center gates be left open to the public, the gates near Danvers street being kept locked at all times except when used for funerals.

Respectfully submitted,

THOMAS HANDLEY,
Superintendent of Cemetery.

Report of Surveyor of Highways

To the Citizens of Swampscott:

I herewith submit my annual report for the year 1932. No construction work was done this year by the town.

Aspen road, Magnolia road, and Arbutus road were scarified by the steam roller, honed with road machine, resurfaced with tarred mixed stone where needed, seal coated with No. 6 asphalt road oil, sanded and rolled with steam roller. The sidewalks on these streets were reshaped and resurfaced with stone screenings.

Forest avenue was put to grade and resurfaced with bituminous macadam asphalt and seal coated with No. 6 asphalt road oil and sand. Sidewalks were reshaped and resurfaced with stone screenings.

Buena Vista street, where ledge was removed last year, was resurfaced with gravel, sealed with No. 6 asphalt road oil and sand.

Greenwood terrace was resurfaced with asphalt mixed stone and rolled.

Phillips circle was resurfaced with asphalt mixed stone and rolled. The sidewalks on this street were also resurfaced with an asphalt mixed top, covered with stone screenings.

Sheridan terrace was resurfaced with asphalt mixed stone and rolled.

Several streets were scarified with steam roller, honed with road machine and sealed with asphalt road oil and sand.

Both sides of Salem street were widened and sidewalks straightened and surfaced with stone dust.

Both sides of Danvers street were widened and the surface patrolled with tarred mixed stone. Several trees on this street were removed and where necessary new guard rails were built. This street ought to be resurfaced.

Berkshire street and Hampden street, where water pipes were laid this summer were reshaped with roller and oiled with No. 6 asphalt road oil and sand.

On Burrill street, from the end of the wood block pavement to Thomas road, trench for underground wires of the Fire Department was resurfaced with tarred mixed stone, rolled and sealed with No. 6 road oil and sand.

Shoulders on Essex street and Atlantic avenue have been shaped six times during the year.

The usual work of patrolling street surfaces has been done.

The only curbstone laid this year was at the junction of Humphrey street and Beach Bluff avenue.

The following streets have been sealed or oiled in whole or in part: Commonwealth avenue, Ocean avenue, Fuller avenue, Prospect avenue, Minerva street, Eastman avenue, Buena Vista street, Beverly road, Bradlee avenue, Curry circle, Kings Beach terrace, Forest avenue, Danvers street, Shepard avenue, Claremont terrace, Bond street, Cedar Hill terrace, Shelton road, Hemenway road, Lincoln House avenue. All streets which were oiled were sanded.

Repairs on sidewalks have been made where needed, the following amounts of material being used: 304 tons of stone dust, 136 loads of gravel, 43 loads of cinders.

Number of loads of sand used for sanding icy sidewalks and streets was 268.

Tar concrete sidewalks were repaired on the following streets wholly or in part: Andrew road, Jessie street, Crescent street, Roy

street, Buena Vista street, Eureka avenue, Mountwood road, Walker road, Highland street, Minerva street, Eastman avenue, Banks road, Banks terrace, Greenwood avenue, Rockland street, Bay View avenue, Redington street, Phillips street, Burrill street, Elmwood road, Thomas road, Oceanview road, Millett road, King street, Fuller avenue, Rock avenue, Ingalls terrace, State road, Cherry street, Devens road, Columbia street, Pleasant street, Ellis road, and Suffolk avenue. This work has been done by the men of the department. Some 220 yards of granolithic sidewalks were repaired.

The wood block pavement on Humphrey street has blown up 27 times during the year.

Two manholes were built and the following drain pipe laid: 70 feet 6 inch pipe, 183 feet of 10 inch, 16 feet of 12 inch pipe, 100 feet of 15 inch. Five manholes were brought up to the grade of the street.

Seven hundred twenty-seven feet of new guard rail fence has been built and snow fences placed on Salem street, Crosman avenue and Dennison avenue. There has been built on Bay View avenue 102 feet of Anchor (cable) regulation state guard fence.

All gutters and catch basins in all streets have been cleaned when needed. About 1250 yards of tarred and mixed stone have been laid in gutters to prevent washing out. Sixty-three driveways were lowered.

There were 60,706 gallons of asphalt road oil and tar used on the streets, the same being purchased under contract. The prices paid were Cold Patch asphalt at town yard and put in barrels, .08 cents; Cold Patch Tar, .125 cents; No. 4 asphalt road oil, .045 cents; No. 6 asphalt road oil, .044 cents applied to town streets by Standard Oil Co. of N. Y. All oil or tar applied on streets was covered with sand. Tarvia Lithic, \$5.50 per ton at their plant.

Six line posts with signs were put up this year as follows: Essex street at Lynn line and Salem line, one each; Atlantic avenue, Marblehead line, Humphrey street, Metropolitan Park beach side, New Ocean street, Lynn line, State road at Salem line.

Seven loads of large granite stone were placed around the Beach Bluff culvert, also around mouth of pipe of drain on Puritan road at the foot of the way to the beach.

On Banks circle the drain was cleaned, and two manhole tops brought to the grade of the street. The department at this time thanks Frank G. Melvin for his assistance on this work.

Palmer pond drain, which was stopped during the winter and early spring, was cleared March 31.

The unemployment relief department has had the use of two teams most of the time while working at Machon school, parks and cemetery, also during the month of January had all teams and trucks hauling filling from the town gravel pit to Machon school yard.

Both trucks have been retired with Fisk heavy transportation cord tires. This included nine 40 x 8 Fisk extra transportation cord, 14 ply tires; nine 40 x 8 Fisk extra heavy duty tubes; five 38 x 7 Fisk extra transportation cord tires; five 38 x 7 Fisk extra heavy duty tubes; and a cutting down of wheels and rims to change over the two White trucks was done.

No new equipment was added to the department this year. All buildings at town yard were painted the past fall and are now in good condition.

The working force of the department remains the same as last year.

Respectfully submitted,

MICHAEL J. RYAN,
Surveyor of Highways.

Report of Chief of Police

To the Board of Selectmen:

Gentlemen:—I herewith submit the report of the Police Department for the year ending December 31, 1932.

Stolen Property

Amount of property stolen here and recovered by this department	\$274.00
Amount of property stolen and not recovered	1,165.62
Automobiles reported stolen and recovered	2
Automobiles reported stolen elsewhere and recovered here	17

Crime

Regardless of crime conditions elsewhere, the records for 1932 show a decrease in Swampscott.

Traffic Lights

Traffic lights should be purchased and installed at the intersection of Burrill street and Paradise road and at the junction of Atlantic avenue, Puritan road, and Humphrey street, for the promotion of safety.

Signal System

The signal system has given excellent service but the teletype should be installed, connected with Boston Police Headquarters and the surrounding cities and towns, thereby reducing the cost of telephone notifications and promoting efficiency.

Motor Vehicle Equipment

The motorcycle equipment is unserviceable and should be exchanged for a patrol car which could be used continuously. Motorcycles are dangerous even though operated by expert riders. They become damaged and police officers are frequently injured while patrolling in this way.

Courtesy and Discipline

Courtesy is a most important rule of the department. The public as a whole intends to observe the law and the police should co-operate in a helpful manner. The discipline of the department has been excellent.

Safety on Streets and in Schools

Fewer accidents have occurred among our school children. This, I believe, is largely due to the efficient work of the school safety patrol and school teachers.

The Delinquent Boy

We will always have delinquent boys with us. There is a general feeling that delinquency among boys is increasing, so with this thought in mind I was granted the use of the Standard Oil Company's property on Columbia street for a boys' club, for crime prevention purposes. Juvenile offenses decreased to a minimum. Having one hundred and fifty boys off the streets, occupied in physical training, surely was a successful plan. The citizens of Swampscott assisted in every way. The Rotary Club, American Legion and Veterans of Foreign Wars donated athletic equipment. I solicited aid from the Greater Lynn Community Fund, as a charitable organization, and although the Y. M. C. A., the Young Men's Hebrew Association, and the Lynn Boys' Club, all Lynn organizations, received thousands of dollars from the fund, the Swampscott Boys' Club was refused any aid whatsoever.

Recommendation

I recommend the exchange of two unserviceable J. D. L. 74 Twin Harley-Davidson motorcycles for a patrol car, and that the sum of \$400 be appropriated for the same.

Conclusion

I wish to thank the town officials and citizens generally for their co-operation and assistance and to express to the members of the department my appreciation for their performance of duty.

To the Board of Selectmen, I take this opportunity of assuring you of my gratitude and appreciation for the unreserved confidence you have imposed in me, both personally and as chief of police.

The Selectmen of the town of Swampscott must be the guide and inspiration to the police force to enable them to perform their duties properly and to render to the citizens of this town the quality of service they have a right to expect. In the future, as in the past, I shall spare no effort to serve the public faithfully and retain your confidence and esteem.

Respectfully submitted,

WALTER F. REEVES,
Chief of Police.

Inspector of Wires

To the Board of Selectmen:

Gentlemen:—The following report covers activities and inspection program by the wire inspector for the town of Swampscott from January 1 to December 31, 1932:

Inspection of 16 new houses, including the rough wiring and fixture installation, with the subsequent approval of the same.

Inspection of 8 old houses where roughing in and fixtures were being installed, with the subsequent approval of the same.

Inspection of 18 buildings where additions were being made to old wiring, and the approval of the same.

Inspection at one location where hazardous wiring existed, proper corrections were made and subsequently approved.

One electric service was ordered disconnected on account of fire.

Respectfully submitted,

J. A. COOK,
Inspector of Wires.

Report of Dog Officer

To the Board of Selectmen:

During the year 1932, 30 complaints concerning dogs were received, each of which was investigated and remedied. Sixty-four dogs were turned over to the dog officer, 34 being restored to their owners, and 47, which were proven to be stray dogs, were done away with. All owners who have neglected to license their dogs as called for in the public statutes have been notified and required to take out the necessary licenses. There were 524 licenses granted.

Respectfully submitted,

FRANK H. BRADFORD,
Dog Officer.

Board of Fire Engineers

To the Board of Selectmen:

Gentlemen: The following is the report of the Board of Fire Engineers and the Chief of the Fire Department for the year ending December 31, 1932.

Important Notice

We would ask all persons discovering fires in buildings to ring the nearest box (if within reasonable distance) as it is quicker and more accurate than the telephone. If you think you must use the telephone be sure to ask for Emergency, Breakers 82. Do not simply ask for the Fire Department.

Fire Alarm and Service Record

Swampscott box alarms	77
Swampscott telephone alarms	216
Swampscott still alarms	9
Lynn line boxes	15
All other Lynn calls	7
Marblehead boxes	17
Marblehead telephone calls	9
Marblehead special calls	1
Salem calls	3
Total	354

Under the Mutual Aid System

Engine 12 of Lynn responded to 37 Swampscott calls, Engine 8 of Lynn responded to 16 Swampscott calls, Engine 5 of Lynn responded to 4 Swampscott calls, Ladder 1 of Lynn responded to 10 Swampscott calls, Engine 2 of Marblehead responded to 9 Swampscott calls, Combination A of Swampscott responded to 25 Marblehead calls, Engine 1 of Swampscott responded to 1 Marblehead call. Engine 1 of Swampscott responded to 15 Lynn calls, Ladder 1 of Swampscott responded to 18 Lynn calls.

Hose, Ladders, Chemicals used at fires

3 inch hose laid	3,250 ft.
2½ inch hose laid	29,950 ft.
1½ inch hose laid	1,700 ft.
Chemical hose laid	7,500 ft.
Ladders used	1,705 ft.
Chemical and Booster tanks used	2,652 gals.
Indian pumps used	304
Drills	10
Hours of duty	367 hrs., 18 min.
Combination A answered	154 calls
Engine 1 answered	114 calls
Ladder 1 answered	128 calls
Combination D and Service car answered	134 calls

Valuation, Losses and Insurance

Value of buildings in which fires occurred	\$238,830.00
Damage to buildings in which fires occurred	\$33,030.45
Insurance on buildings in which fires occurred	\$234,600.00

Insurance paid on buildings in which fires occurred	\$32,730.45
Loss on buildings over insurance	\$300.00
Value of contents of above buildings	\$108,400.00
Damage to contents of above buildings	\$11,759.20
Insurance on contents of above buildings	\$79,070.00
Insurance paid on contents of above buildings	\$8,059.20
Loss over insurance	\$3,700.00
Automobile fires	16
Dump fires	40
Brush fires	152

Permits Issued

There have been 304 permits issued (after inspection) for the storage of fuel oil in connection with the use of oil burners for heating and cooking.

There have been 14 permits issued for the use of dynamite in blasting rock.

There have been 37 garage building applications approved and inspections made.

Apparatus

Engine One, the new pumper located at the Central fire station, was put into service July 23. We wish to call the attention of the citizens to the fact that they have been very fortunate in securing a piece of apparatus of a reputable make. Without doubt we can look forward to a great many years of service from this new pump, due to its rugged construction and simplicity of design.

Ladder 1 at the Central station is in good condition. The booster pump installed last year to take the place of the chemical tank is a decided success, causing far less damage to household goods than the chemical liquid.

Combination A at the Phillips Beach station was placed in service in August, 1911, therefore is now 22 years old. This piece of apparatus, due to its age and the fact it has a large number of runs, requires quite frequent repairs. It should, in fact, have a complete overhauling, but we hesitate to spend any large amount of money on a machine of this age. In the district served by this old machine is some of the most valuable property in town, and in the near future some piece of apparatus better able to properly protect this locality must be installed in its place.

Brush Fire Truck

On April 23 our brush fire and still alarm truck went out of commission. On close examination we found it was damaged beyond repair, which left us with our old fire alarm repair truck for this line of work. It was necessary, therefore, under certain conditions to send the new pump or some other regular piece of apparatus to cover these calls. This brush fire truck answers approximately 150 calls per year, going into places it would be impossible for the heavier pieces of apparatus to venture. As this machine has a large percentage of its calls in the spring, between March 15 and May 20, we cannot urge too strongly that the town vote to purchase a new machine in February, not alone to take care of the spring fires, but to relieve a \$13,000 piece of apparatus from answering so many minor calls. This will also allow our motor supervisor and his helpers time to do the necessary work to get the truck ready for this season's fires. We have considerable equipment from the old pump which we can use on this machine. We have placed an article in the warrant asking for \$800 for a truck and equipment for this purpose.

Hose

We have in service 400 ft. of 3 in. hose, 3,500 ft. of 2½ in. hose, 800 ft. of 1½ in. hose and 700 ft. of chemical hose. We will require 500 ft. of 2½ in. hose this year to replace hose unfit for regular service which has been assigned for use at dump fires, etc.

Drafting Post at Foster's Dam

We have inserted an article in the warrant asking for \$110 to cover cost of a drafting post at Foster's Dam. This will prevent delays caused by having to cut holes through the ice for the pump suction in the winter, and will also allow the roadway over the dam to be kept clear for the passage of other apparatus.

Buildings and Grounds

The Water and Sewerage Board has requested that we give serious consideration to the reconstruction of the old sewer line at the Central fire station. This request is made on account of the large amount of ground water running into their system from our old pipes. We have an article in the warrant asking for an appropriation for this purpose.

It will also be necessary to do some roof repairs and carpenter work at this station.

At Phillips Beach station some roof work must be done, also repairs to the large front doors.

Fire Alarm System and Five Year Remodeling Plan

There have been 99 alarms sounded on our fire alarm system this year. This important branch of our department has been kept in the best condition possible with the amount of money available for this purpose.

In 1929 the town accepted our proposal for a five year remodeling plan for our system, which comprised placing our main line wires in the eastern section of the town underground, rearranging the overhead lines to allow for more box circuits to properly protect all sections of the town, and replacing the old Central station fire alarm instruments and equipment (installed in 1905) with equipment which would make possible the additional circuits needed in a community of our size, also providing for future requirements.

In 1929 we put our wires underground from the Marblehead line to the junction of Atlantic avenue and Humphrey street. In 1930 we continued the work from this point to Ingalls terrace, also rearranging all remaining overhead lines in these two sections to care for the future growth of population.

In 1931 no work was done in connection with this plan. This year it was necessary to extend our new cables from the point opposite Ingalls terrace to Box 36, about opposite St. John's church, on account of the complete break-down of the old line. We also have laid a new conduit in Burrill street, from Monument avenue west, to the police station. This work was made possible by the co-operation of the New England Telephone and Telegraph Co., the Board of Selectmen and the Highway Surveyor. The unemployed were used on this work. Quite a sum of money has been spent on this plan since it was started, but we will not be able to reap the full benefit until the work is completed, therefore we are very reluctant to allow a suspension of this work in 1933. Realizing, however, this is a time which requires all possible co-operation to carry out an economy program, and as some progress has been made on this plan this last year, we have decided not to ask for an appropriation for this purpose at this time.

Remarks

We wish to call your attention to the conservative and economic program followed throughout the year 1932. We take pride in stating that this has been accomplished with the full co-operation and assistance of every member affiliated with this department.

The fixed expenses of the Fire Department are approximately \$43,300, and we functioned on less than \$44,000. In addition to this we have turned back \$355 into the Town Treasury, designated the Excess and Deficiency Fund, accumulated from budget appropriations, special appropriations and the sale of broken down second-hand truck parts.

We have been asked to recommend several fire alarm boxes for various locations. We feel that this should not be done this year.

The efficiency of this department has been maintained by drills held during the past year for the men connected with the different pieces of apparatus.

Our practice of co-operating with the School Department and the officials in charge of the parochial school in furnishing speakers, instruction and literature in observance of Fire Prevention week was followed as usual this year.

Respectfully submitted,

Chief of Department.
JAMES WARNOCK.

Board of Fire Engineers.
JEFFERSON G. OWENS, JR.,
BENJAMIN B. BLANCHARD,
JAMES W. BUCHANAN.

Water and Sewerage Commissioners

WATER DEPARTMENT

To the Citizens of Swampscott:

We submit herewith our annual report for the year ending December 31, 1932:

The work of laying and relaying water pipes as voted by the town has been completed. For the last few years the department has been having considerable trouble during the summer season with lack of water pressure. We have investigated the matter thoroughly and are convinced that a new and larger standpipe will remedy the trouble. The present standpipe has been in use for about 30 years, and has now outlived its usefulness. At the present time, owing to conditions, we feel that it is possible to contract for a new one about 20 feet higher, and of a million gallons capacity at a very reasonable figure, which will remedy the pressure conditions. In doing this, there are some pipes in the ground that, owing to increased pressure, will have to be replaced. Some of these pipes have been in the ground during the life of this department, and by having this work done by the department, will relieve the unemployment situation to a considerable extent. All of this work can be done by vote of the town from the Available Water Surplus, which will cause no increase in the tax rate for this work. These matters will be presented to the town by articles in the warrant, and we trust that our recommendations will be accepted and voted for.

GEORGE D. R. DURKEE,
HAROLD G. ENHOLM,
CHARLES E. HODGDON,
Water and Sewerage Commissioners.

SEWER DEPARTMENT

The new addition to building and pumping plant in this department, authorized by the town, has been completed and is in use.

Due to present conditions, we were able to get contracts at very favorable figures, and we will turn back a substantial amount of the appropriation. The pumping plant today, due to the advanced

knowledge of sewer pump needs, is a credit to our town, and, barring accident, will be good for many years to come.

Sewer Maintenance

Appropriation	\$9,500.00
Expended	9,454.02

Water and Sewerage Commissioners.

Care of Brooks

Appropriation	\$500.00
Expended	453.65

Balance	\$46.35
---------	---------

A portion of Hawthorne brook, from Salem street, eastward, has been extended approximately 400 feet. We believe this brook should be extended eastward about 550 feet more, and we have an article in the warrant to cover the same.

GEORGE D. R. DURKEE,
HAROLD G. ENHOLM,
CHARLES E. HODGDON.

Park Department

To the Citizens of Swampscott:

Herewith is submitted the annual report of the Park Commissioners for the year ending December 31, 1932.

Monument Avenue Parkway

The usual care and attention has been given to this section during the past year. The trees and shrubs were carefully pruned, some beds being fertilized, and the grass lawns with their brilliant plots of bedding plants and tulips gave a handsome appearance during the season. Automobiles continue to damage the grass edges, some even being driven across the lawns. It would greatly improve and protect the grounds if curbing were provided at some of the corners in this parkway.

Jackson Park

Early in the year a new locker building was erected on the grounds. This was constructed almost entirely with field stone found within the park. It has space for storage of a truck, also ample room for park equipment, etc. Such a building has long been deemed necessary, and the opportunity to construct it at moderate cost came when several competent stone masons were assigned to park work under the town unemployment fund. A new stone wall bordering on the Machon school property was partially constructed under the same plan. This wall is to be pointed and capped during the coming year. The remaining ledge on the western border of the field is to be removed, and the bank wall, partly erected in 1931, will be completed before the opening of the baseball season. During the past three years the work of developing a site for tennis courts has progressed slowly but so favorably that the summer of 1933 will see the opening of two excellent double courts. The base is complete, fence and gates are erected, while the entrance drive with its walls and parking space is nearly finished. These courts will be for the use of Swampscott citizens only, and it is expected that they will be freely used and appreciated by the townspeople.

Abbott Park

In order to properly protect the Leon E. Abbott memorial boulder and tablets it will be necessary to provide some type of fence at this spot. Damage to the tablets is likely unless this enclosure is made. Another attempt will be made to maintain this section of the grounds in a more orderly manner.

The lawn will be regraded in the spring and possibly new shrubbery beds added to enhance the appearance of the park.

Blaney Beach Reservation

Weather and business conditions combined to bring the largest number of bathers ever to Blaney Beach during 1932. The conditions were such that several citizens suggested that some form of restriction of the use of the beach by non-residents be applied by the Commissioners. This is a matter which would require considerable

study and careful thought by the townspeople. The board is open minded in the matter and is willing to receive the opinions of those interested.

More careful policing will be had on the beach next summer in order that our citizens and their children may enjoy the location to their fullest extent. The old wooden shelters and benches near the Fish House, having stood for thirty-five years, were in a dilapidated condition and were removed. The grass lawn having settled in many places has been turned over, preparatory to regrading and seeding in the spring. This work, to include new shrubbery beds and hard surfaced walks, will tend to restore this plot to its former attractiveness.

Phillips Park

The tennis courts were liberally patronized all season, attesting the appreciation of those citizens who enjoy the game. A location for bowling was cleared and side boards erected at a spot in the rear of the ball field, where the game was played often by a group of thirty or more of the residents of the vicinity. Filling of the low area in the park is progressing continuously, the town employing one man several days each week to maintain the grounds in as presentable a manner as possible.

Respectfully submitted,

ARCHIBALD MILLER,
STUART P. ELLIS,
JOHN HOMAN,

Park Commissioners.

New Fire Pumper

To the Citizens of Swampscott:

At the annual town meeting it was voted that the town purchase a 1,000 gallon combination pumper and hose wagon, and the sum of \$13,000 be appropriated therefor, and that a committee of seven to be appointed by the Moderator be hereby constituted to make such purchase and contract therefor, in accordance with the by-laws of the town; and that said committee be authorized if in its judgment a reasonable allowance can be obtained to dispose of and sell the present pumper as a part of the consideration for such purpose.

The following were appointed by the Moderator as the Committee on Purchase: Philip W. Blood, Chairman; Henry S. Baldwin, Benj. B. Blanchard, Chairman Board of Fire Engineers; R. Wyer Greene, Chairman Board of Selectmen; Robert B. Hegarty, Edward LaCroix, Selectman, together with James Warnock, Chief of the Fire Department.

At the first meeting the committee discussed copies of specifications of what was needed or desired upon the new apparatus which had been prepared by the Chief of the Fire Department, and copies of the specifications were mailed to the four leading manufacturers of fire apparatus. Bids were received and opened on Friday, April 22. After these bids had been tabulated for comparison purposes, the Committee set aside a night for meeting the representatives of six companies which had submitted bids allowing 30 minutes to each company to be divided as the bidder might desire between technical and sales talk.

After considering all these bids and the facts presented by the various representatives it was on May 6 voted to buy a Seagrave Centrifugal Triple Combination Pumper which was secured for \$13,000 and the old LaFrance pump engine, same to be delivered at Swampscott. The new pumper was delivered at Swampscott and was given a trial July 15 at Foster Pond on Windsor avenue in the presence of a large number of out of town firemen and under the direction of the New England Insurance Exchange. The new machine met every test and at the conclusion of the test was formally accepted and turned over to the Fire Department and put in service July 23.

Respectfully submitted,

PHILIP W. BLOOD,
HENRY S. BALDWIN,
BENJ. B. BLANCHARD,
R. WYER GREENE,
ROBERT B. HEGARTY,
EDWARD LACROIX,
JAMES WARNOCK,

Committee on Purchase.

Fourth of July Committee

To the Citizens of Swampscott:

The Fourth of July committee, as appointed by the Town Moderator for the year 1932, was composed of George J. Place, Chairman; R. Wyer Greene, Guy T. White, Boardman G. Steadman, Walter F. Reeves, Ralph Maxwell and Loran J. Harvey.

The Fourth of July was rainy. The parade was held even though it was raining, on the scheduled hour. The afternoon entertainment was held in the Town Hall. The morning entertainment was held at Abbott Park. The athletic events and road race were held the following Saturday. The boat races were completed the following Sunday. The Italian society dances were held in accordance with schedule, but the Red Men's feature was eliminated.

The ammunition for the evening feature was not used and has been turned over to the Chief of Police. Three cups were not used, and have been stored in the Selectmen's office.

The Committee received \$130 in cash donations.

Respectfully submitted,

GEO. J. PLACE,
Chairman.

Forest Warden

To the Board of Selectmen:

There were fewer forest fires this year than for a number of years. None of the fires assumed large proportions because of the prompt response and effective work of the fire department. The State Forester has repeatedly called attention to the importance of stamping out cigars and cigarets before they are thrown away in places where they may cause fires, and I again call the attention of the citizens to this caution. Several of the forest fires were undoubtedly caused by the throwing away of a lighted cigaret or cigar stub.

There were 276 permits issued for out of door fires, as required by law, which shows that the citizens are noting the fact that no bon fires should be lighted unless a permit has first been secured from the Forest Warden and no attempt should be made to light such a fire on a windy day.

Respectfully submitted,

BERNARD B. KENNEDY,
Forest Warden.

Tree Warden

To the Board of Selectmen:

During the year 1932, in view of the fact that we had the assistance of the unemployed, 148 trees were planted along the curb line in streets where such planting would relieve the bare conditions and improve the appearance of the street. We have attempted to answer every request made to us in this regard. There were 27 trees taken down on account of being dead or in an unsafe condition and wherever possible these trees were replaced with trees from our nursery.

The seedlings which have been planted in the two town nurseries on Forest avenue and back of the Cemetery have come along in fine shape, about 1500 having been transplanted, the men on the unemployment relief payroll being engaged on this work. In this way an effective supply of shade trees is being developed and from which all trees planted on the streets have been supplied.

No damage by escaping illuminating gas has been noted. All dangerous limbs have been removed. To prevent damage to new and small trees, tree guards have been placed wherever necessary and all existing guards have been adjusted. Many times damage has been caused by automobiles colliding with trees or by hub caps knocking the bark off, and in each instance the wounds have been treated and the trees saved.

I wish to extend my thanks to the citizens and to the town officials for the assistance given and the courtesies extended.

Respectfully submitted,

BERNARD B. KENNEDY,
Tree Warden.

Town Counsel

To the Board of Selectmen:

Gentlemen:—Following is my report for 1933:

A large number of minor matters were handled during the year, legal opinions furnished to town officials and departments, and various legislative and other hearings attended.

Respectfully submitted,

H. D. LINSOTT.

Moth Superintendent

To the Board of Selectmen:

As noted in the report of the year 1931, the Oriental Moth made its appearance during that year and specimens were found in some 20 to 25 Norway maples. To make sure that there would be no spreading of the work of these pests, all of the street trees in the town were sprayed in August and we are able to report that there was no defoliation because of these pests. It can be further noted that there was no defoliation of trees in town by either the Gypsy Moth, Satin Moth, Canker Worm or Tent Caterpillar.

We had a fine spraying season on account of no rain and much effective work was accomplished. In some places, nests of the Fall Webb Worm have been noted and in cases where notice is received, these nests will be cut off and burned by the Department without charge.

Respectfully submitted,

BERNARD B. KENNEDY,
Moth Superintendent.

Inspector of Animals

To the Board of Selectmen:

The general inspection of cattle, swine, sheep and goats, together with a survey of the premises where these animals were kept, was made during the month of January. The animals appeared healthy, the premises clean and the stables well ventilated.

There have been thirty-two, so-called, cases of "dog-bite" reported this year. These dogs were placed under quarantine for two weeks and then examined again and released.

There have been no cases of contagious disease in town this year.

Respectfully submitted,

FRANK. B. STRATTON.

Jury List

Approved January 19, 1933

In accordance with Section 9 of Chapter 234 of the General Laws, the following jury list is published in the annual town report:

NAME	RESIDENCE	OCCUPATION

In Memoriam

ELIZABETH J. HADLEY

Member of Board of Library Trustees March 19, 1900, to February 18, 1918. Elected a Teacher in the Public Schools December 4, 1868; retired on pension June, 1913. The Hadley School was named in honor of her service. Died in Louisville, Kentucky, May 14, 1932.

ERNEST B. THING

Sitting member of Board of Registrars of Voters. Member of Board of Registrars April 1, 1896, to April 1, 1899; from April 1, 1905 to April 1, 1923; from April 1, 1929, to date of death.

Died May 21, 1932

HARRY EUGENE HARDY

Sitting member of Board of Selectmen. Member of Board of Selectmen February 17, 1930, to date of death; board of Fire Engineers May 1, 1920, to May 1, 1925; Inspector of Buildings February, 1925, to February 17, 1930; member of building committees, Machon School, Stanley School, Hadley School annex and rebuilding of Palmer School; Town Meeting Member.

Died July 29, 1932

JOSEPH FRANCIS CROWELL

Member and chairman of Overseers of Poor and Board of Public Welfare from March 21, 1892, to February 16, 1931; Sealer of Weights and Measures 1888.

Died December 15, 1932

GEORGE A. HEATH

Selectman March 16, 1896, to March 15, 1897.

Died January 19, 1933

Board of Selectmen

To the Citizens of Swampscott:

The Board of Selectmen submits herewith its annual report for the year 1932, together with the reports of all other officers, boards and committees submitted in accordance with the by-laws. There is also appended the budget of appropriations asked for the conduct of the various departments during the year 1933.

Death of Harry E. Hardy

The year 1932 was made memorable by the passing of Harry E. Hardy, who was serving his third term as a member of the Board of Selectmen. Although we, as his colleagues, knew that his condition was serious and had been for a long time, we did not realize that the end was near, and the news of his death came to us as a great shock. As Selectman, Inspector of Buildings, member of many building committees and as a member of the Board of Fire Engineers he had served the town continuously for more than 13 years in a way that marked him as one of the most valued members of the community. As his colleagues for the past two years it was a pleasure to serve with him. Though we sometimes differed on public problems there was never a time in the two years when we could not without rancor reach a mutually satisfactory conclusion. Except in one instance no decision was made of any public question coming before the Board except by unanimous consent. He respected our opinions and motives as honest and we recognized the same feeling toward his opinions and motives. The weekly meetings of the Board were pleasurable ones and we have missed his companionship and counsel during the period that he has been away from the sessions of the Board. As long as it was possible we were in consultation with him on all major problems and benefitted by his thought and counsel. Although his loss to us will be tempered by the experience of the past few months, we shall always feel that with citizens like Harry E. Hardy taking an active part in municipal affairs the town will never be able to get far away from the best of municipal ideals.

A Comparison of Swampscott's Finances

	January 1, 1932	January 1, 1933
1930 Taxes Outstanding	\$2,993.47	none
1931 Taxes Outstanding	123,343.13	\$11,108.27
1932 Taxes Outstanding		182,202.69
Percent of previous year collected..	79.8	71.4
Total Debt	755,350.00	682,300.00
Percent of Town's Valuation	3.2	2.8
Less Water Debt	63,000.00	55,000.00
Net percent of valuation	2.9	2.55
Cash on hand	131,568.12	125,762.56
Outstanding bills payable	none	none

The above table gives a comprehensive idea of Swampscott's financial standing. An even better idea is given by the fact that when the Town Treasurer in December advertised for bids for a temporary loan of \$150,000, no less than nine bids were received, the highest calling for a discount of two per cent. and the lowest 0.84, or less than one per cent. With many cities and towns unable to secure any bids, such a record is remarkable and reflects well upon the Town Treasurer and the way the affairs of the town are being handled.

Unemployment Relief

Unemployment relief has been the outstanding problem of the year. At the beginning of the year there was on hand for this work \$587.50, which was used up during the first two weeks of the year in completing projects that were under way when the previous year closed. On consulting with the Finance Committee arrangements were made whereby work could be carried on in the Highway, Park, Cemetery and Moth Departments and the amounts thus expended were added to the appropriations for those departments. This carried the work practically to the first of June, and in June the Finance Committee transferred \$1,000 from the Reserve Fund so that the work might be continued. By this time it was felt that there would be enough outdoor work to allow everybody to secure something to do that would relieve the town of this burden. However, in late September there was a concerted demand for something more of this nature, and after consultation with the Finance Committee they agreed to transfer \$2,000 more, which was supplemented in November by the transfer of another \$1,000. When this money had been used up about the first of December the conditions were such that the Board saw that something further must be done, and therefore called a special town meeting, which, with the approval of the Finance Committee, appropriated \$15,000 for this work, which it was hoped would carry it up to the annual town meeting.

The announcement of the fact that \$15,000 had been appropriated served to increase the number of applicants to a surprising degree, and at the time that this is written the town has received applications from 254 persons who are out of work. It was necessary to set up machinery for the carrying on of this work by opening an office for receiving of applications and the appointment of investigators to look into each individual case. While it is unfortunate it is nevertheless a fact, that many of the applicants did not come within what was intended as the scope of the appropriation. Therefore, where there has been a question of the worthiness of the case, the Board has considered it better to give the applicant the benefit of the doubt in the absence of proof, rather than allow families to suffer. With the large number of applicants it has been a decided problem as to how to place applicants in such a way as to enable them to secure some additional support. It was expected at the start that it would be possible to give one person in a family five days' work and the second week thereafter to repeat, but because of the large number the waiting times have been longer.

While there has been some appreciable let-up through persons going back to their regular employment, it has been found that these returns to regular employment have been of short duration, and the problem still continues to be a serious one.

Change of Precinct Lines

Under the provisions of the town meeting law it is necessary that the precinct lines be revised in October every five years. The original lines were adopted in 1927 and therefore during the summer the work of rearranging the lines was begun. The total number of voters November 1, 1927, was 3960, and on November 1, 1932, 5310. This increased the number of voters from 495 to 664 and the town meeting members from 18 to 24 in each precinct. Under the town meeting law, the term of office of all town meeting members expires with the annual town meeting following any revision of the precinct lines, and in consequence 24 members must be elected in February next for each precinct, the eight receiving the highest vote being elected

for three years, the next eight for two years and the third eight for one year.

Precinct eight and seven had grown so large in the past five years that it was necessary to move the line of precinct eight eastward to Ocean avenue in order to reduce the number from 805 to 662 and the line between six and seven the same way to reduce the number of voters from 800 to 658. It is expected that each voter who has been changed from one precinct to another will be notified by postal before the town meeting.

The new precinct lines adopted are as follows:

Precinct One

Beginning at a point where the center line of Essex street intersects the boundary lines between the city of Lynn and the town of Swampscott, the line follows the center line of Essex street to a point where the center line of Barnstable street, extended, intersects said center line of Essex street; thence by the center line of Barnstable street and said line extended, to a point where it intersects the center line of State road; thence, by said center line of State road to the boundary line between the town of Swampscott and the city of Salem; thence following the boundary lines between the town of Swampscott and the cities of Salem and Lynn to the point of beginning. This precinct contains 670 voters.

Precinct Two

Beginning at a point where the center line of Essex street intersects the boundary line between the city of Lynn and the town of Swampscott, the line follows the center line of Essex street to a point where the center line of Barnstable street, extended, intersects said center line of Essex street; thence by the center line of Barnstable street and said line of the railroad location, to a point where said center line of the railroad location intersects the center line of Norfolk avenue; thence by said center line of Norfolk avenue to a point where the rear line of the properties on the north side of Middlesex avenue, if extended, would intersect said center line; thence following the rear line of the lots on the north side of Middlesex avenue to the center line of Burrill street; thence by said center line of Burrill street to a point where the same intersects the center line of the Boston & Maine Railroad location; thence by the center line of said railroad to a point where said center line intersects the boundary line between the town of Swampscott and the city of Lynn; thence by the said boundary line to the point of beginning. This precinct contains 662 voters.

Precinct Three

Beginning at a point where the center line of the Boston & Maine Railroad location intersects the boundary line between the town of Swampscott and the city of Lynn; thence following the center line of said railroad location to a point where it intersects the center line of Burrill street; thence by the center line of Burrill street to a point where a line extended from the rear line of the lots on the north side of Middlesex avenue intersects said center line; thence by said rear line to the center line of Norfolk avenue; thence by the center lines of Norfolk avenue, Paradise road, Shaw road, Thomas road, Elmwood road and Monument avenue to the shore; thence by the shore line of Nahant Bay to the boundary line between the city of Lynn and the town of Swampscott; thence by said boundary line to the point of beginning. This precinct contains 673 voters.

Precinct Four

Beginning at a point where the center line of State road and the center line of Walker road meet; thence following the center line of State and Paradise roads to the Boston and Maine Railroad location; thence by the center line of said railroad location to the center line of Stetson avenue; thence by the center lines of Stetson avenue, Norfolk avenue, Paradise road, Shaw road, Thomas road, Elmwood road and Hardy road, Monument avenue, Farragut road, Grant road and Walker road to the point of beginning. This precinct contains 650 voters.

Precinct Five

Beginning at a point on the shore line of Nahant Bay, where the center line of Monument avenue extended intersects said shore line; thence by the center line of Monument avenue, Farragut road, Grant road, Walker road and State road to a point opposite the stand-pipe; thence southeasterly in a straight line to a point where the center line of Sargent road, as extended, meets the center line of Forest avenue; thence by said extension and by the center line of Sargent road, Arbutus road and Aspen road to a point where the boundary line between lot 223 and lot 224, as shown on plate 20 of the Assessors' plans, intersects the center line of Aspen road; thence by said boundary lines and in a straight line to the center line of Fuller avenue; thence by the center line of Fuller avenue to the southerly boundary of the High School lot; thence by the said boundary line to the center line of King street; thence by the center lines of King street and Highland street and Redington street to a point at the junction of Sheridan road, where the extension of the dividing line between the properties on Monument avenue, Elmwood road and Sheridan road and the properties on Redington street, as extended, meets the center line of Redington street; thence by said dividing line to the shore line of Nahant Bay; thence by said shore line to the point of beginning. This precinct contains 669 voters.

Precinct Six

Beginning at a point where the extension of the dividing line between the properties on Monument avenue, Elmwood road and Sheridan road and the properties on Redington street intersects the shore line of Nahant Bay; thence following the said dividing line to the junction of Sheridan road and Redington street; thence following the center line of Redington street, Highland street, King street across Greenwood avenue to the southerly boundary of the High School lot; thence by said boundary line to the center line of Fuller avenue; thence by the center line of Fuller avenue to a point where the dividing line between lot 46 and 47, as shown on plate 19 of the Assessors' plans, intersects said center line of Fuller avenue; thence in a straight line to the boundary line between lot 222 and lot 234, of plate 20 of the Assessors' plans; thence by the boundary line between lots 234 and 235, on plate 20 of the Assessors' plans, to the center line of Millett road; thence by the center line of Millett road, Humphrey street and Marshall street and said center line of Marshall street extended, to the shore line of Nahant Bay; thence by said shore line to the point of beginning. This precinct contains 666 voters.

Precinct Seven

Beginning at a point on the shore line where the center line of Ocean avenue intersects the shore line of Massachusetts Bay; thence by the center line of said Ocean avenue to the center line of Hum-

phrey street; thence by the center line of Humphrey street to a point where the northerly boundary line of the Palmer school lot, so-called, intersects said center line of Humphrey street; thence in a straight line to a point where the center line of Sargent road, as extended, would intersect Forest avenue; thence turning and running southwesterly by the center line of Sargent road to Arbutus road; thence by the center line of Arbutus road to Aspen road; thence by the center line of Aspen road to a point where the boundary line between lot 223 and lot 224 as shown on plate 20 of the Assessors' plans, extended, intersects said center line of Aspen road; thence by said boundary lines and the lines between lots 223 and 235, 222 and 235 and 234 and 235 as shown on said plate 20 to the center line of Millett road; thence by the center line of Millett road to Humphrey street; thence by the center line of Humphrey street and of Marshall street and the center line of Marshall street, extended, to the shore line of Nahant Bay; thence following said shore line to the point of beginning. This precinct contains 658 voters.

Precinct Eight

Beginning at a point on the shore line where the center line of Ocean avenue intersects the shore line of Massachusetts Bay; thence by the center line of said Ocean avenue to the center line of Humphrey street; thence by the center line of Humphrey street to a point where the northerly boundary line of the Palmer School lot, so-called, intersects said center line of Humphrey street; thence in a straight line to a point where the center line of Sargent road, as extended, would intersect Forest avenue; thence in a straight line northwesterly to the center line of State road at a point opposite the stand-pipe; thence by the center line of State road to Vinnin street; thence by the dividing line between the town of Swampscott and the city of Salem and by the dividing line between the town of Swampscott and the town of Marblehead to the shore line of Massachusetts Bay; thence by said shore line to the point of beginning. This precinct contains 662 voters.

Underground Wires on Puritan Road

Two or more years ago the Lynn Gas & Electric Co., and the New England Telephone & Telegraph Co., at the request of the board placed underground conduits in Puritan road, from Humphrey street to Woodbine avenue. It was the expectation of the board that the abutters would co-operate with them, so that the unsightly poles might be removed. All wires have been placed underground as far as Marshall street, and as soon as the house connections have been made by the abutters east of Marshall street all the wires will be placed underground and this desirable civic improvement will be completed. It is the earnest desire of the board that all owners who have not placed their house connections either for light or telephone underground co-operate with the Gas and Telephone Companies at once.

Street Lighting Contract

In accordance with the vote of the town meeting a new contract was entered into with the Lynn Gas & Electric Co., effective as of July 1, and running for a period of five years. Much thought and study was given to this contract and it is believed that it will eventually effect a saving of about \$1,000 a year in the change for street lighting. The contract calls for the elimination of the old fashioned swinging arc lamps and the substitution of steadier and more effective lights in their place.

Relief Fund

The board has during the past year administered a relief fund for the benefit of persons who were in needy circumstances but who could not be beneficiaries of public funds. The fund was created by contributions from the employees of St. Clair's, Inc., Boston Navy Yard and Internal Revenue Service. To these contributions were added the receipts from Leon E. Abbott Post 57, American Legion proceeds of the Armistice Day program, and the proceeds from the football game conducted by Joseph D. Spinney. It would be a very fine thing and accomplish a great deal of good if contributions would be made by private individuals for a continuance of this fund.

The board wishes to thank the donors for their generous thought, which allowed the board to relieve considerable suffering. Everyone of the recipients was deeply grateful for the aid given.

The financial statement is as follows:

Receipts		
St. Clair's, Inc.	\$50.00	
Leon E. Abbott Post 57, A. L.	186.08	
Spinney Fund	121.97	
Boston Navy Yard Unem. Relief Fund	10.18	
Paul W. Brickett	31.95	
Internal Revenue Unemploy. Relief	13.88	
Interest on deposits	3.34	
		<hr/>
		\$417.40
Expenditures		
Unemployment Payroll	\$84.00	
Coal	23.92	
Cash Aid	126.00	
Groceries	180.83	
Medicine	1.17	
		<hr/>
		\$415.92
Balance		<hr/>
		\$1.48

Traffic Lights

In an endeavor to speed up the traffic along Humphrey street, traffic arrows were installed on the traffic signals at Redington and Blaney streets, Ingalls terrace and Washburn square, so as to permit a practically continuous flow of traffic in an easterly direction. The new arrows seem to have performed their purpose admirably after drivers had become accustomed to their uses.

Floating Fish Traps

The board received two applications during the year for floating fish traps off Lincoln House Point and Grass Head, a portion of Little's Point. A public hearing was held in the Town Hall attended by many of the property owners at Little's Point. In view of the objections presented both applications were withdrawn.

Gasoline Licenses

Under the State Law no person is permitted to use a garage until a license has been issued after a hearing by the Selectmen. At the suggestion of the Inspector of Buildings and Chief of the Fire Department a new rule was adopted by the board, whereby the Inspector was requested not to issue a building permit until after the gasoline license had been granted. At the present time a person desiring to build a garage first applies for a gasoline license, and after that has been granted the building permit is issued. In this way abutters have an opportunity to object before the new building is erected, instead of the building being erected first.

ADMINISTRATIVE

Bonds of Town Officers

Bonds of the following officers are given except as noted by the American Surety Co. of New York, in the amounts stated:

Ralph D. Merritt, Collector of Taxes (Massachusetts Bonding & Insurance Co.)	\$46,000.00
James W. Libby, Town Treasurer	46,000.00
The above amounts are set by the State.	
Ralph D. Merritt, Town Clerk	1,000.00
Ralph D. Merritt, Collector of Water Rates	5,000.00
James W. Libby, Custodian of Trust Funds	10,000.00

Licenses

Auctioneers

Daniel W. Wormwood, 185 Aspen road
 Earl E. Wells, 2 Neighborhood road
 George W. Smith, 49 Monument avenue
 George W. Foster, 50 Bradlee avenue
 Ernest M. Folger, 73 Oceanview road
 Carl O. Kratz, 27 New Ocean street
 Ernest L. Noera, 386 Humphrey street

Bowling Alley

James D. Bentley, 217 Burrill street

Express

Willis E. Shephard, 645 Humphrey street (with Sunday privilege)
 E. G. Bean, 430 Humphrey street
 William H. Carroll, 148 Burrill street (with Sunday privilege)
 Joseph W. Bruley, 26 Puritan road
 Emilio Iarrobino, 670 Humphrey street
 Thorner's Express, 12 Harris street, Marblehead
 John A. Boston, 65 Pine street
 Swampscott Trans. Co., 268 Eastern avenue, Lynn
 Harvey H. Beadle, 268 Eastern avenue, Lynn
 Ceasare Funai, 49 Ocean street, Lynn

Common Victualers

Louis A. Hershman, 156 Humphrey street (2)
 Edward J. Connelly, 112 Burrill street
 Grant's Cafe, 60 Humphrey street
 Blaney's, Inc., 153-155 Humphrey street
 Gen. Glover Farm Teahouse, Salem and Tedesco streets, Lillian A. Little
 The Castle, 1101 State road, Lillian A. Little
 Sunbeam Inn, 1010 State road, Lillian A. Little
 Fred M. Eichel, 15 Railroad avenue
 Johnny's Lunch, 422 Humphrey street, John A. and Mary M. Dedrick.
 Wilfred N. Hobden, 400 Humphrey street
 Robert B. Hegarty, 357 Essex street
 Nell Martin, 99 Paradise road
 Blaisdell Confectionery Co., 149 Humphrey street
 Cottage Tea Room, 1008 State road, Geo. A. and Bertha K. Woodman
 St. Clair's, Inc., 146 Humphrey street
 Bruno D. Himberg, 1 Marshall street
 Ernest L. Haines, 410 Humphrey street
 Young & Chaggaris, 416 Humphrey street, transferred
 Mabel P. Bruce, 27 New Ocean street

Doane's, Inc., 131-141 Humphrey street

H. D. Spinney, 416 Humphrey street

Innholders

New Ocean House, Inc., 208 Puritan road

Deer Cove Inn, Little Point Co., Inc., 747 Humphrey street, transferred

Deer Cove Inn, John and Effie R. Grandin, 747 Humphrey street

Prescott-Cliff, Catherine J. Wade, 175 Humphrey street

Hotel Bellevue, Antonio & Leila Tuttle Squillari, 1092 Humphrey street

The Samovar, Deborah R. Rubinovitz & Gertrude Talcoff, 28 Claremont terrace

Willey House, James A. Willey, Pres., 80 Humphrey street

Hotel Preston, Arthur S. Race, Pres., North Stone road

Junk Dealers

Nathan E. Zletz, 97 Eastman avenue

Louis Zletz, 26 Cherry street

Jacob Goldberg, 26 Elm place

Hawkers and Pedlers

Arnold Spediacci, 30 Melvin avenue, Lynn

Speros Kolatsonis, 18 Richmond place, Lynn

Morton H. Lown, 18 Madison avenue, Lynn

Nicola Piero, 7 Fremont court, Lynn

Allan J. Doyle, 60 Gertrude street, Lynn

Used Car Dealers

Peter Larson, 182 Paradise road

Oceanside Garage, William O. Welch, prop., 12-24 Pine street

J. W. Rose, Chevrolet Co., 182 Paradise road

Pool Tables

James D. Bentley, 217 Burrill street

Leonard E. Proctor, 424 Humphrey street

Taxi

Harry A. Tirrell, 145 Burrill street (1)

William H. Carroll, 148 Burrill street (3)

John E. Burns, 489 Humphrey street (1)

Joseph W. Bruley, 26 Puritan road (2)

Liquor License

Nathan G. Bubier, 222 Humphrey street

Driving Range

Sunbeam Country Club, Essex street

Intelligence Office

Marblehead Employment Service, 154 Humphrey street

Indoor Tennis

Edward J. Cudihy, New Ocean House Garage

Sunday License

New Ocean House

Itinerant Vendor

Angelo DeNapoli, Hotel Preston

Moving Building

C. Sanford Doughty from Burpee road to Buena Vista street

Zoning permit applications

Spic & Span of Mass., 158 Humphrey street, pressing establishment

Moose Hill Spring Tonic Co., 40 Essex street, tonic manufacturing, not granted

Geo. L. Chaisson, 5 Elmwood road, grocery store

John E. Stevenson, 49 Hillside avenue, variety store

Johnson Baking Co., 2 Puritan road, doughnut shop, not granted

Joseph Riccio, 463 Humphrey street, tailor

Israel Kramer, 160 Humphrey street, dry goods
 James P. Chaggaris & Howard R. Young, 416 Humphrey street,
 restaurant
 Blanchards, 260 Humphrey street, men's furnishings
 Swampscott Fruit Market, 2 Puritan road, fruit and vegetable
 market
 Royal C. Caproni, 44 Cherry street, variety store
 Ernest L. Haines, 408-410 Humphrey street, restaurant
 Charles C. Oliver, 19 Railroad avenue, automobile supplies
 Wm. H. LeBlanc, 150 Humphrey street, Karmelkorn Products
 Ada M. Fenton, rear 432-442 Humphrey street, parking space
 Elizabeth Fittingoff, 160 Humphrey street, book shop
 A. R. Chesley, rear 412 Humphrey street, parking space
 J. W. Rose, 182 Paradise road, sales and service station
 Joseph Colantami and Carl Colandiro, 2 Puritan road, barber
 shop, not granted
 Gennaro Liquori, 463 Humphrey street, barber shop
 Donald Heaney as The Electroform Co., 245 Burrill street, man-
 ufacturing
 Hennigar P. Foster, as Brown Cottage Doughnut Shop, 306 Es-
 sex street
 Nicholas Fiori and Thomas Gandolfo, 7-9 Railroad avenue, pool
 room, not granted
 Wm. H. Doucette, 503 Humphrey street, barber shop

THE TOWN BUDGET

The following are the amounts requested by the various officers, boards and committees for the conduct of their departments during the year 1933:

General Government

Legislative	\$350.00	
Selectmen	3,900.00	
Selectmen's Contingent Fund	500.00	
Accounting	3,600.00	
Treasury	2,148.00	
Certification of Notes and Bonds	100.00	
Collector of Taxes	3,828.65	
Board of Assessors	4,403.57	
Town Clerk	852.40	
Election and Registration	1,961.00	
Engineering	7,200.00	
Town Hall	4,500.00	
Law	1,000.00	
Board of Appeals	250.00	
Planning Board	235.00	
		<hr/>
		\$34,828.62

Protection of Persons and Property

Police	\$42,500.00
Fire	44,523.00
Moth	5,000.00
Tree Warden	3,230.00
Forest Warden	200.00
Inspector of Buildings	1,425.00

Amount carried forward

\$34,828.62

Amount brought forward		\$34,828.62
Sealer of Weights and Measures	\$550.00	
Care of Prisoners	100.00	
Subordinate Officials	600.00	
	<hr/>	\$98,128.00

Health and Sanitation

Health	\$7,638.00	
Health Nurse	1,350.00	
Sewer	9,965.00	
Refuse and Garbage	11,271.00	
Dumps	1,650.00	
Dental Clinic	1,200.00	
Particular Sewers	200.00	
Brooks	200.00	
Cleaning Beaches	400.00	
	<hr/>	\$33,874.00

Highways and Bridges

Highway Administration	\$3,280.00	
Highway	48,200.00	
Seal Coating	5,000.00	
Street Watering and Oiling	2,500.00	
Sidewalks and Curbing	4,000.00	
Snow and Ice	10,000.00	
Lighting Streets	24,000.00	
Street Construction	4,000.00	
Street Resurfacing	6,000.00	
	<hr/>	\$106,980.00

Charities

Public Welfare	\$20,000.00	
Soldiers' Relief	10,000.00	
State and Military Aid	800.00	
Pensions and Compensation	3,388.80	
Burnett Fund	259.00	
	<hr/>	\$34,447.80

Schools and Libraries

Schools	\$194,159.00

Recreation and Unclassified

Parks	\$8,000.00	
Memorial Day	500.00	
Firemen's Memorial Day	200.00	
Heat and Light G. A. R. and V. F. W. Halls	880.00	
District Nurse	300.00	
Legion Lease	1,300.00	
Trust Fund Custodian Bond	40.00	
Reserve Fund	5,000.00	
Printing Town Reports	1,150.00	
Insurance	4,365.00	
Veterans' Exemption	75.00	
	<hr/>	\$21,810.00
Amount carried forward		<hr/> \$535,152.42

Amount brought forward

\$535,152.42

Enterprises

Water	\$67,666.00	
Cemetery	5,846.25	
		\$73,512.25

Interest and Maturing Debt

Interest:

Loans in Anticipation of Revenue	\$12,500.00	
General Debt	21,056.75	
Sewer Bonds	4,170.00	
T. B. Hospital Bonds	1,380.00	
		\$39,106.75

Municipal Indebtedness:

General Debt	\$46,200.00	
Sewer Bonds	12,850.00	
T. B. Hospital Bonds	3,000.00	
		\$62,050.00

County of Essex:

Essex Sanatorium Assessment		\$6,354.68
Emergency Sewer	\$1,500.00	1,500.00
Emergency Water	2,500.00	2,500.00
		\$720,276.10

Respectfully submitted,

R. WYER GREENE,
EDWARD LACROIX,

Board of Selectmen.

Accounting Department

THE TOWN ACCOUNTANT

To the Board of Selectmen:

In accordance with the provisions of Chapter 41 of the General Laws, I herewith submit the following report of the Accounting Department for the year ending December 31, 1932:

Receipts

Taxes:

1930 Poll	\$8.00	
1930 Personal	7.20	
1930 Real Estate	2,928.31	
	<hr/>	\$2,943.51
1931 Poll	20.00	
1931 Personal	1,106.27	
1931 Real Estate	99,603.66	
	<hr/>	100,729.93
1932 Poll	6,160.00	
1932 Personal	30,608.00	
1932 Real Estate	412,633.58	
	<hr/>	449,401.58

Tax Titles

		7,389.16	
		<hr/>	\$560,464.18

Town Warrant

Monday, February 20th, 1933

Essex, ss.

To either of the Constables of the town of Swampscott in said County:

GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify the inhabitants of the town of Swampscott, qualified to vote in elections and in town affairs, to assemble in their respective precincts, in said Swampscott, on Monday, the twentieth day of February, at 6 A.M., then and there to act on the following articles, viz:

At the close of the election the meeting shall adjourn to Tuesday, February 28, 1933, at 7.30 P.M. at the Town Hall.

Article 1. To choose a Moderator for one (1) year.

To choose a Town Clerk for (1) year.

To choose three members of the Board of Selectmen for one (1) year.

To choose a Town Treasurer for one (1) year.

To choose one member of the Board of Assessors for three (3) years.

To choose a Collector of Taxes for one (1) year.

To choose two members of the School Committee for three (3) years.

To choose one member of the Board of Public Welfare for three (3) years.

To choose one member of the Board of Health for three (3) years.

To choose one member of the Water and Sewerage Board for three (3) years.

To choose one member of the Park Commission for three (3) years.

To choose one member of the Board of Trustees of the Public Library for three (3) years.

To choose one Tree Warden for one (1) year.

To choose one Surveyor of Highways for three (3) years.

To choose three Constables for one (1) year.

To choose two members of the Planning Board for three (3) years.

To choose one member of the Board of Commissioners of Trust Funds for three (3) years.

To choose eight (8) representative town meeting members in each precinct for three (3) years; To choose eight (8) representative town meeting members in each precinct for two (2) years; To choose eight (8) representative town meeting members in each precinct for one (1) year.

All to be chosen on one ballot.

Article 2. To hear and act on the reports of town officials, boards and committees.

Article 3. To see what amount of bonds will be required of the Town Clerk and Custodian of Trust Funds for the ensuing year.

Article 4. To see what action the town will take in relation to salaries of town officials for the ensuing year.

Article 5. To see if the town will authorize the Treasurer, with the approval of the Selectmen, to borrow money, from time to time, in anticipation of the revenue of the financial year, beginning Jan-

uary 1, 1933, and to issue a note or notes therefor, payable within one year, the debt or debts incurred thereby to be paid from the revenue of said financial year.

Article 6. To see what action the town will take in relation to the recommendations not calling for the appropriation of money, as contained in the reports of officers, boards or committees.

Article 7. To see what action the town will take in relation to the recommendations calling for the appropriation or expenditure of money, the creation of a debt, or the disposition of town property, as set forth in the reports of officers, boards, or committees.

Article 8. To see what action the town will take in relation to the appropriation of money for departmental and other expenses as recommended and set forth on pages 179 to 181 of the annual town report.

Article 9. To see what action the town will take in relation to the appropriation or raising of money for permanent street construction.

Article 10. To see if the town will vote to extend the pipe drain in Hawthorne Brook, a distance of 550 feet and appropriate money therefor, no work to be done until proper waivers have been signed, as recommended by the Water and Sewerage Board.

Article 11. To see if the town will vote to extend the pipe drain from Mapledale place to Walker road, a distance of 500 feet and appropriate money therefor, no work to be done until proper waivers have been signed, as recommended by the Water and Sewerage Board.

Article 12. To see if the town will vote to lay a drain and build catch basins in Forest avenue at Fuller avenue and appropriate money therefor, as recommended by the Surveyor of Highways.

Article 13. To see if the town will vote to lay a drain and build necessary catch basins and manholes to take care of the surface water on Cherry street and appropriate money therefor, as recommended by the Surveyor of Highways.

Article 14. To see if the town will vote to lay a drain to care for surface water in Nason road according to a plan drawn by the Town Engineer and appropriate money therefor as petitioned for by Thomas F. Winston et al.

Article 15. To see if the town will vote to construct a catch basin at the corner of Beach Bluff avenue and Bellevue road and appropriate money therefor as petitioned for by John H. Blodgett et al.

Article 16. To see if the town will vote to install a catch basin at the northeast corner of Burrill street and Paradise road and appropriate money therefor as recommended by the Board of Selectmen.

Article 17. To see if the town will vote to lay a sewer in Burpee road a distance of 160 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 18. To see if the town will vote to lay a sewer in Pleasant street, a distance of 250 feet and appropriate money therefor as recommended by the Board of Health and the Water and Sewerage Board.

Article 19. To see if the town will vote to lay a sewer in Beach avenue, a distance of 275 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 20. To see if the town will vote to lay a 6 inch water main in Beach Bluff avenue, a distance of 950 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 21. To see if the town will vote to lay a 6 inch water main in Atlantic road, a distance of 600 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 22. To see if the town will vote to lay a 6 inch water

main in Ocean avenue a distance of 500 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 23. To see if the town will vote to lay a 6 inch water main in Eulow street a distance of 375 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 24. To see if the town will vote to lay a 6 inch water main in Suffolk avenue a distance of 145 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 25. To see if the town will vote to lay a 6 inch water main in Bellevue road a distance of 670 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 26. To see if the town will vote to lay a 6 inch water main in Lodge road a distance of 330 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 27. To see if the town will vote to lay a 6 inch water main in Magnolia road a distance of 265 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 28. To see if the town will vote to lay a 6 inch water main in Kensington lane a distance of 410 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 29. To see if the town will vote to lay a 4 inch water main in Lombard terrace a distance of 200 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 30. To see if the town will vote to lay a 2 inch water main in Ellis terrace a distance of 175 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 31. To see if the town will vote to lay a 2 inch water main in Ryan place a distance of 400 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 32. To see if the town will vote to lay a 2 inch water main in Brewster terrace a distance of 210 feet and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 33. To see if the town will vote to construct a new Stand Pipe and appropriate money therefor as recommended by the Water and Sewerage Board.

Article 34. To see if the town will vote to straighten and widen also resurface Walker road from the Railroad bridge to State road and appropriate money therefor, as recommended by the Surveyor of Highways.

Article 35. To see if the town will vote to remove the wooden blocks on Humphrey street and resurface same with some kind of permanent pavement and appropriate money therefor as recommended by the Surveyor of Highways.

Article 36. To see if the town will vote to authorize the Board of Selectmen to take by eminent domain for purposes of a public way and widening of Beach Bluff avenue at its intersection with Humphrey street the following described parcels of land, and appropriate money therefor, as recommended by the Board of Selectmen:

Beginning at the intersection of the easterly line of Humphrey street with the northerly line of Beach Bluff avenue; thence running N 12-10-50 E for a distance of 8.54 feet; thence curving to the left with a radius of 10.0 feet for a distance of 14.14 feet to the northerly line of Beach Bluff avenue; thence running N 68-50-50 W for a distance of 8.54 feet to the point of beginning. The above parcel containing 14.7 square feet.

Beginning at the intersection of the easterly line of Humphrey street with the southerly line of Beach Bluff avenue; thence running S 68-50-50 E for a distance of 9.74 feet; thence curving to the left with a radius of 10.00 feet for a distance of 15.44 feet to the easter-

ly line of Humphrey street; thence running N 22-41-10 E for a distance of 9.74 feet to the point of beginning. The above parcel of land containing 20.2 square feet.

Article 37. To see if the town will vote to accept Bates road, from the present accepted portion to Charlotte road, as a public way, as laid out by the Board of Selectmen, in accordance with a plan made by W. W. Pratt, Town Engineer, dated January, 1932, and to appropriate money therefor, as petitioned for by Louis Eigner et al.

Article 38. To see if the town will vote to appropriate \$800.00 for a truck and equipment, to replace truck formerly used for brush and dump fires, which gave out last year, as recommended by the Board of Fire Engineers.

Article 39. To see if the town will vote to appropriate \$450.00 for 500 feet 2½ inch hose, as recommended by the Board of Fire Engineers.

Article 40. To see if the town will vote to appropriate \$300.00 to rebuild old sewer line, and do necessary plumbing at the Central Fire Station as recommended by the Board of Fire Engineers.

Article 41. To see if the town will vote to appropriate \$110.00 to place a drafting post at Foster's Dam as recommended by the Board of Fire Engineers.

Article 42. To see if the town will vote to grade and resurface the grounds at the Machon School, raise and appropriate money therefor, or do or act anything in relation thereto as recommended by the School Committee.

Article 43. To see if the town will appropriate money to enable the School Committee to install a new heating system in the Clarke School, as recommended by the School Committee.

Article 44. To see if the town will vote to change the designation of a portion of the property on the southwesterly corner of Humphrey street and Crosman avenue, under the zoning by-laws, so as to permit the erection of a building thereon, to be used as a food shop and eating place in connection with the Hotel Bellevue, which occupies the balance of the lot, as petitioned for by William A. Buist et al.

Article 45. To see if the town will vote to accept the provisions of Sections 21-25 inclusive of Chapter 136 of the General Laws, an act to permit certain sports and games on the Lord's Day as petitioned for by Ralph E. Daniels et al.

Article 46. To see if the town will vote to amend its by-laws by adding thereto the following:

Hereafter in the making of appointments to town offices, or in the employment of mechanics, teamsters and laborers and other town employees, preference shall first be given to citizens of the commonwealth who are residents of the town and who have served in the army, navy or marine corps of the United States in time of war and who have been honorably discharged therefrom or released from active duty therein, and who are qualified to perform the work to which the employment relates, as petitioned for by John T. Lee et al.

Article 47. To see if the town will vote to adopt a resolution whereby applicants for employment, for any town department, not under civil service law, having no mental or physical infirmities, and having been resident citizens of the town during a period of not less than five (5) consecutive years, be given first consideration for either temporary or permanent employment. The Board of Selectmen to be empowered thereof and authorized to enforce same, as petitioned for by Wayne Anderson et al.

Article 48. To see if the town will vote to instruct the Board of Selectmen or whoever may be given charge of unemployment relief to use the first two thousand dollars of any money appropriated for

the relief of unemployment, to prepare Windsor avenue for water service as petitioned for by Francis G. Wadleigh et al.

Article 49. To see if the town will vote to appropriate a sufficient sum of money for a suitable observance of the Fourth of July.

Article 50. To see if the town will vote to instruct the Surveyor of Highways to place Pitman road in proper condition and appropriate money therefor as petitioned for by Francis H. Humphreys et al.

Article 51. To see if the town will vote to transfer from the Cemetery Lots Fund Income, the sum of \$400 for the purchase of loam to be used in grading lots at the cemetery as recommended by the Board of Selectmen.

Article 52. To see what amount of money the town will vote to transfer from the Excess and Deficiency account to be used by the Assessors in fixing the tax rate for the year 1933.

Article 53. To see if the town will vote to build a drain in Shelton road for the purpose of relieving surface water conditions in that street and appropriate money therefor.

Article 54. To see what action the town will take in relation to the appropriation of money for the relief of unemployment.

Article 55. To see if the town will accept donations from any department.

Article 56. To appropriate and raise by borrowing or otherwise, under any general or special law which authorizes the town to raise money by borrowing or otherwise, such sum or sums of money as may be necessary for any or all of the purposes mentioned in the foregoing articles.

The polls will close at 6 P.M.

And you are directed to serve this Warrant by posting an attested copy thereof at the Town Hall, the Post Offices, at least one public and conspicuous place in each precinct in the town, and at or in the immediate vicinity of each railroad station in the town, seven days before the day appointed for said meeting.

Hereof fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk at the time and place of meeting aforesaid.

Given under our hands this twenty-sixth day of January, A. D., 1933.

R. WYER GREENE,
EDWARD LACROIX,

Selectmen of Swampscott.

A true copy. Attest:

FRANK H. BRADFORD, Constable.
